

DATE OF THIS NOTICE: February 24, 2021

WE WANT YOUR COMMENTS ON A PROPOSED NEW DEVELOPMENT

The applicant, Rogue Fabrication, is requesting a zone change for their 1.69 acre property at the Southeast corner of Industrial Way and Champion Way.

The current zoning designation for the site is I-1 (Industrial Park). The applicant is requesting a rezoning of the site to I-2 (Light Industrial). The key difference between these zoning designations are architectural requirements, screening requirements, and setback requirements. I-1 has stricter requirements as these sites are meant to be visible from Highway 26. The applicant states that the site is not visible from Highway 26 and therefore an I-2 designation is more appropriate. Additionally, I-2 zones have fewer expected vehicle trips than I-1 zones based on a reasonable worst-case scenario.

Please see the included vicinity map for additional site information.
