WE WANT YOUR COMMENTS ON A PROPOSED NEW DEVELOPMENT

Tom Orth submitted an application for a 9-lot subdivision located on a 1.17 acre parcel on the east side of Ten Eyck Road between Hood Street and Pleasant Street. The 9 lots range in size from 4,827 square feet to 8,604 square feet and all lots are proposed to gain access from either Pleasant Street or Hood Street. All lots are proposed to contain either a single-family home or a duplex. The proposal also includes frontage improvements and removal of all but three trees from the subject property. The applicant is not requesting any adjustments or variances to the Development Code so the subdivision will be processed as a Type II review with a decision made by City staff.

Please see the included vicinity map and tentative plat for additional site information.

You are encouraged to take part in the City's review of this project by sending us your written comments within 14 days from the date of this notice. This proposal will not be reviewed by the Planning Commission or the City Council unless the land use decision is appealed.
