FINDINGS OF FACT

General

1. These findings are based on the applicant's original submittal received on June 22, 2022.
2. The subject food cart pod property has a total gross area of approximately 0.26 acres. The site is located east of Bluff Road and south of the existing Shell gas station.

3. The parcel has a Plan Map designation of Commercial and a Zoning Map designation of Central Business District, C-1.
4. The food cart owner of Gyro Express (File No. 20-038 CART) recently sold his food cart to the new owner, Abdullah Sulaiman, who has changed the name to Gyro Time. Mr. Sulaiman, the new owner of Gyro Time, intends to stay at the same location, offer the same food and does not propose any changes to the food cart itself.
5. The proposed food cart pod can accommodate up to 10 food carts and five on-site parking spaces. Onsite amenities include electric and water/sanitary sewer service for each cart, an onsite portable restroom, a garbage enclosure, and a shared dining structure.
6. Since this food cart is proposed to be located in an approved food cart pod the application is reviewed as a Type I land use application. Notice of the proposal is not required.

Chapter 17.74.90 Food and Beverage Cart

7. The food cart pod includes sanitary sewer and water service, electrical connections, garbage service, restroom facilities, and a common dining structure. **Gyro Time food cart shall hook to existing utilities installed for the food cart pod (including disposal of gray water) and shall have access to garbage service, restrooms, and the dining structure.**
8. Section 17.74.90 (E)(2) requires that food carts shall not exceed 20 feet in length or greater than 200 square feet. The Gyro Time food cart is 8 feet wide by 16 feet in length for a total of 128 square feet.
9. Section 17.74.90 (E)(3) requires all carts to be placed on a paved surface. The food cart pod has a paved surface with approved stormwater facilities. **Gyro Time food cart shall be located in a designated food cart area on a paved surface.**
10. Section 17.74.90 (E)(4, 5, and 6) requires carts to be located at least three feet from the public right-of-way or back of sidewalk, at least five feet from other carts, and not located within 25 feet of an active driveway. **Gyro Time food cart shall meet all required setbacks.**
11. Section 17.74.90 (E)(7) specifies that food carts shall not occupy fire lanes or drive aisles necessary for vehicular circulation or fire/emergency vehicle access. **Gyro Time food cart shall not be located in fire lanes or drive aisles.**
12. Section 17.74.90 (E)(12) states the exterior surface of the cart shall be clean and free of dents, rust, peeling paint, and deterioration, and windows shall not be cracked or broken. The proposed cart is blue with chrome accents and with a menu located to the left of the ordering window. The cart appears brand new and free of any deterioration.

13. Section 17.74.90 (E)(13) requires that each cart shall provide an awning to shelter customers with a minimum clearance of seven feet between the ground and the awning. The awning on Gyro Time food cart is eight feet above the ground.
14. Signage is regulated by Chapter 15.32, Sign Code regulations. **All signage requires approval of a City sign permit in compliance with the requirements of Chapter 15.32, Sign Code. Per Section 15.32.080 roof signs are prohibited.**
