4th Annual SICC Forestry Festival

brought to you by *Dick Hannah*

We live in a forest. Our towns were built around forest jobs. Our forests provide goods, supplies, food, recreation, carbon capture, building materials, and so much more....

We owe our very existence to our forests. They deserve our respect and honor. From Old School Loggers to New Age Environmentalists, our respect and need for the forest unites us all.

Celebrating the magnificence of Oregon's Forests at the 4th Annual Sandy Invitational Chainsaw Competition!

Sponsorship and Volunteers

We can't do this without your help! Become a part of this years upgraded SICC Forestry Festival. We will inspire our kids to career choices they may never have known, raise public awareness of the complexities of Oregon's Forests, and showcase what they mean to our community, history, economy, and ecology. Your Financial donations will fund the event, advertisement, prizes, and forestry/trades education. We also need a lot of help putting this thing on so if you are able to volunteer, participate, or otherwise help out, please contact us at SICC@trajectorynw.org

Thank you for your time and support.
