**Request:** We are requesting an adjustment to the front and rear property line setbacks from the standard 20' to 16'.

Due to the odd shape of the lot along with the 20' setbacks at both front and rear, this adjustment request to 16' will assist with improvement to garage access for the homeowner.

I am the (check one)  owner  lessee of the property listed above, and the statements and information contained herein are in all respects true, complete and correct to the best of my knowledge and belief.
