(Please print or type the information below)

Property Location or Address 39480 Kimberly Drive Sandy, OR

Map & Tax Lot Number T____, R____, Section____; Tax Lot(s)_____

Estimated starting date: October 2021 Ending date: _____

Briefly Describe the Project Removal of one(1) Dead Noble Fir, one(1) leaning cedar that is growing out of another stump, and removal of one dead hardwood top (remainder of tree to be left)

Additional Information as required by the Planning Director: (See Chapter 17.102 for details)
Including but not limited to:

1. Two copies of a scaled site plan to contain the following information:
 - a. dimensions of the property and parcel boundaries;
 - b. location and species of trees 11 inches DBH or greater to be retained and cut;
 - c. location and type of tree protection measures.
2. A scaled re-planting plan indicating ground cover type, species of trees to be planted, and general location of re-planting.
3. An application for removal of a hazard within a protected setback area or a tree required to be retained as defined in Chapter 17.102.50 shall also contain a report from a certified arborist or professional forester indicating that the condition or location of the tree presents a hazard or danger to persons or property and that such hazard or danger cannot reasonably be alleviated by treatment or pruning.

I am the (check one) owner lessee of the property listed above and the statements and information contained herein are in all respects true, complete and correct to the best of my knowledge and belief.

Applicant/Owner David Womack	Owner/Contractor
