Request: We would like to build a playground on these two lots (Parcel #s 00656873 & 00656864) on Map 24E13AD. We would move the swings, remove the merry-go-round, add a climbing structure and fence the play area to Pleasant Street. We will not change any landscaping or utilities. We will make the area of the play equipment level so the bark underneath will stay within the installed borders.

I am the (check one) owner lessee of the property listed above, and the statements and information contained herein are in all respects true, complete and correct to the best of my knowledge and belief.
