This event would support local business, handcrafters, farmers, artist, food vendors and more. Our space is convenient for families to walk, bike or drive, bringing the community together to enjoy a variety of goods. Our location has two playgrounds where parents could let their children play while they shop. Located on the corner of Bornstedt and Cascadia Village Dr. New community members from the new developments would have a gathering place to meet local people.

Bringing people together from our community is what this commercial lot was designed for. Bright Beginnings Learning Center and Daycare does not operate on the weekends, leaving our space un-used on Saturday/Sunday. Providing only 18 Spaces for our vendors, every weekend will be filled with a variety of goods.
