Hello Rebecca. Liepold Farms would like to do their gazebo on the grounds again this season for the market. Antfarm's Mount Hood Farmers Market is excited to have them back. I am attaching the letter from Brent Leathers giving us permission to make this decision. Please let me know if there is anything else you will need from us or if you have any questions.

Thank you  
Jenny

Can you or someone send the planning peeps a messaging saying I have permission to have our stand there.

I appreciate your time and attention to this matter and look forward to working with you.
