Kelly, yes of course we can stay the 120 days.

Dan, Thank you so much for getting on this quickly. I am certain Tracy will help with anything you need. I will mostly be unavailable for 10 to 12 days as we are about to leave for a national conference.

Jennifer, and answer to THAT questions. Obviously, postponed until further notice, with an undeterminable time line.

for all, 2 things. First it is not even a basement, It is a crawlspace that i want to be able to stand up in and have thus requested 7 feet of head clearance. Second, hopefully we do not need to abandon the plan as i feel it is a good one, but right now up front IF this is an issue we can get off the Junker property completely and run that pipe down to Bruns.

Hi Dan and Jennifer, please see this email from the city regarding the Hillside issue and basement. I hope each of you can address these concerns.

Thanks
