Sandy

INVOICE 12607
DATE 10/13/2020

DESCRIPTION	AMOUNT
Pump Septic	450.00

All sales are considered final with payment due at time of service rendered. All credit/debit card refunds will be charged a 5% fee of the total amount processed. 1/5% interest may be assessed after 10 days of final inspection. If the invoice is placed in the hands of an attorney for collection, customer agrees to pay Lil' Stinky's reasonable attorney fees and collection costs. Customer understands that construction activity for onsite sewage work may cause damage to property, including but not limited to; landscaping, sprinkler systems, driveways and other concrete structures, underground cables or utilities. While caution shall be exercised, contractor will not be held liable for damage caused by construction activities. Location of system components is limited to what can be reasonably observed and may be based on County records or information provided onsite. Any documentation related to system operation at time of service is not a guarantee of future system performance.
