

Comment Sheet for file number 23-031 DR/FSH:

Hi Kelly: I hope <sup>you</sup> allow Rick and Terri to build. I've lived across the street and have no problem with it. We have been neighbors for thirty plus years and they need a down stairs bedroom. They will probably have to move if they don't get it.  
Thanks, Dave

Also on the back pathway its been like that way for ever. And have a pathway so close to all those houses would be awful.

People have gone around for thirty years with no problem lets keep it that way. please dont do anything to there back yard. Terri works her tail off keeping it look great,  
thank Dave
