

AGENDA

Budget Committee Meeting

6:00 PM - Thursday, May 11, 2023

Page

1. MEETING FORMAT NOTICE
This meeting will be conducted in a hybrid in-person / online format. The Committee will be present in-person in the Council Chambers and members of the public are welcome to attend in-person as well. Members of the public also have the choice to view and participate in the meeting online via Zoom.

To attend the meeting in-person
Come to Sandy City Hall (lower parking lot entrance).
39250 Pioneer Blvd., Sandy, OR 97055

To attend the meeting online via Zoom
Please use this link: <https://us02web.zoom.us/j/87372794516>
Or by phone: (253) 215-8782; Meeting ID: 87372794516
2. ROLL CALL
3. APPROVAL OF MINUTES
 - 3.1. May 4, 2023 3 - 6
[Budget Committee - 04 May 2023 - Minutes - Pdf](#)
4. SANDY URBAN RENEWAL AGENCY BIENNIUM 2023-2025 PROPOSED BUDGET
 - 4.1. (Reference Materials) Staff Report and Budget Document 7 - 15
[SURA Biennium 2023-2025 Proposed Budget - Pdf](#)
 - 4.2. Public Comment
 - If you are attending the meeting in-person: Please raise your hand to indicate you would like to speak.
 - If you are attending the meeting via Zoom: Please click the 'raise your hand' button, or dial *9 if you are using your telephone.
 - The Chair will call on each person when it is their turn to speak for up to three minutes.
 - 4.3. Approval of Budget
5. CITY OF SANDY BIENNIUM 2023-2025 PROPOSED BUDGET
 - 5.1. (Reference Materials) Staff Report and Budget Document 16 - 140
[City of Sandy Biennium 2023-2025 Proposed Budget - Pdf](#)
 - 5.2. Public Comment
 - If you are attending the meeting in-person: Please raise your hand to indicate you would like to speak.
 - If you are attending the meeting via Zoom: Please click the 'raise your hand' button, or dial *9 if you are using your telephone.

- The Chair will call on each person when it is their turn to speak for up to three minutes.

5.3. Allocation of One-Time General Fund Resources

5.4. Approval of Budget

5.5. Approval of Property Tax Rate

6. ADJOURN

MINUTES

Budget Committee Meeting

6:00 PM - Thursday, May 4, 2023

PRESENT: Councilor Chris Mayton, Council President Laurie Smallwood, Councilor Richard Sheldon, Councilor Kathleen Walker, Councilor Carl Exner, Councilor Don Hokanson, Mayor Stan Pulliam, Budget Committee Chair Linda Malone, Budget Committee Member Timothy Huber, Budget Committee Member Jan Lee, Budget Committee Member Jeremy Pietzold, Budget Committee Member Noah Myhrum, and Budget Committee Member Greg Becker

ABSENT: (none)

1. ROLL CALL

2. APPROVAL OF MINUTES

- 2.1. Approval of Minutes
April 27, 2023

Budget Committee Member Jan Lee made a motion Approve the minutes **Stan Pulliam seconded the motion. CARRIED. unanimously.**

Ayes: Chris Mayton, Laurie Smallwood, Richard Sheldon, Kathleen Walker, Carl Exner, Don Hokanson, Stan Pulliam, Linda Malone, Timothy Huber, Budget Committee Member Jan Lee, Budget Committee Member Jeremy Pietzold, Budget Committee Member Noah Myhrum, and Greg Becker

3. PUBLIC COMMENT

- 3.1. General Public Comments

(none)

- 3.2. Public Hearing on Utilization of State Shared Revenue

(no members of the public offered testimony)

Kathleen Walker made a motion Close the public hearing **Richard Sheldon seconded the motion. CARRIED. unanimously.**

Ayes: Chris Mayton, Laurie Smallwood, Richard Sheldon, Kathleen Walker, Carl Exner, Don Hokanson, Stan Pulliam, Linda Malone, Timothy Huber, Budget Committee Member Jan Lee, Budget Committee Member Jeremy Pietzold, Budget Committee Member Noah Myhrum, and Greg Becker

4. NEW BUSINESS

4.1. Biennium 2023-2025 Proposed Budget

Bullet points below reflect Budget Committee discussion pertaining to each listed fund.

Aquatic / Recreation

- Savings on insurance costs after demolition of derelict buildings occurs (approximately \$36,000 for the biennium)
- Insurance premium calculations based on square footage of buildings
- Possibilities for separating costs of bunker building insurance only, and dropping coverage for other buildings
- Suggestion to rename this fund for the next budget
- Discussion on payment for utilities by SandyNet
- Note that the Urban Renewal fund will pay for building demolition

It was the consensus of the Budget Committee to reduce allocations for insurance in this fund by \$36,000.

Parks Capital

- Distinctions between properties that could be acquired as natural open space and properties that could potentially be used for sport facilities in the future
- Discussion on the importance of developing sports fields
- Discussion on the importance of negotiating an agreement with the school district on public access to fields
- Discussion on system development charge revenue and impacts of the development moratorium
- Improvement and repair needs at Meinig Park; discussion of past volunteer efforts and fundraising for Fantasy Forest
- Discussion on the importance of sufficient funds for parks maintenance
- Electrification infrastructure needs at Meinig Park
- Funding needs for Community Campus Park project; Phase 1 funding is likely sufficient if OPRD grant is secured; discussion on finding split between this fund and the Urban Renewal fund
- Suggestion to focus on project delivery rather than land banking; however these funds are restricted
- Note that these funds cannot be used on the front portion of the Community Campus

Transit

- Discussion on electrification of the fleet
- Discussion on whether fees will need to increase for electrification (they will not)
- Needs to better advertise Dial a Ride services
- Saturday service of the Shopper Shuttle will begin soon
- Staff are working on options to connect residents with aquatic programming opportunities
- Marketing efforts will focus on: new design concept for wrapping of electric buses, signs on new route, and more advertising for Mt Hood Express in communities west of Sandy
- Discussions are underway with ODOT for a new park and ride location
- Suggestion to break this fund into separate divisions in future budgets
- Operations Center planning must accommodate needs of departments other than Transit

Telecommunications

- Discussion on source of Miscellaneous Revenue
- Details on remaining interfund loan payments
- Contractual Services for SandyNet Business Plan and other support costs
- Discussion on whether enough funding has been allocated for connecting unserved residents
- Discussion on how close the City is to being done laying fiber at our own expense (rather than at developer expense)
- Concern over possible overinvestment into fiber
- Discussion on the need for more fiber in the future, not less
- Suggestion to rename this officially as the SandyNet fund
- Recognition of the lack of General Revenue needed in this budget

Streets

- Discussion on prioritization of street maintenance projects through a regular 5-year analysis
- Plans to research opportunities for alternative revenue streams as gas tax revenue continues to decrease
- Opportunities for grant funding for pavement management assistance
- Needs for reimbursement mechanisms for investments the City has already made
- Discussion on the possibility of purchasing a street sweeping vehicle
- Explanations for decrease in allocations for sidewalk and bike paths, and major repairs and maintenance
- Note on the final estimated cost of the 362nd / Bell extension at \$12.3 million; discussion on finalization of right-of-way issues

Water

- Discussion on increased staffing needs to help manage the historic reinvestment projects currently underway
- Recognition that the rate increases proposed are conservative and do not account for possible grant awards
- Need for a big picture discussion on rates at the City Council level

Sewer

- Timing of project cash flow affecting beginning balances
- Discussion on disposition of treatment plant solid
- Additional discussion on increased staffing needs to help manage the historic reinvestment projects currently underway
- Urgency of finalizing update to wastewater facilities plans
- Discussion on increasing interest payments
- Discussion on space needs for additional employees at the Operations Center; discussion of utilization of the bunker building
- Need for a larger City-wide facilities discussion

Stormwater

- Discussion on whether enough funding is being allocated for stormwater needs
- References to the City Council's goal to increase fund balances in this fund, after which a stormwater master plan can be developed
- Importance of CCTV infrastructure investigations

Initial Budget Committee Deliberations

- Discussion on the importance of allocating excess General Fund resources to one-time expenses only
- Desire to complete the approval process for the city budget expeditiously
- Direction to staff to distribute a list of allocation suggestions thus far
- Discussion on allocation of funds to support Phase 2 of the Community Campus Park project
- Suggestion to retain some of the excess funds in savings
- Suggestions to allocate funding for Meinig Park electrification, zoning map updates, library outreach vehicle, and connecting residents with aquatic program opportunities

Staff committed to providing a list of excess resource allocation suggestions to the Budget Committee for their review by end of day on Monday May 8th.

5. ADJOURN

Staff Report

Meeting Date: May 11, 2023

From Tyler Deems, Deputy City Manager

SUBJECT: Biennium 2023-2025 Proposed Budget

BACKGROUND / CONTEXT:

The City of Sandy operates on a two year budget, as allowed by Oregon's Local Budget Law. The two year period is known as a biennium, and is made up of two fiscal years, running from July 1 through June 30. The City Manager is the budget officer and is responsible for the development and management of the overall budget, as well as presenting the budget message to the Budget Committee. At this first meeting, the Budget Committee will need to elect a Chair to preside over the meeting.

The attached budget is balanced, as required by ORS, meaning that revenues (resources) equal expenditures (requirements). The total budget for the City of Sandy is \$126,623,710. The total budget is broken down into six distinct categories:

- Personnel Services - \$22,558,200
- Materials & Services - \$19,467,599
- Capital Outlay - \$35,580,450
- Debt Service - \$7,183,855
- Transfers - \$16,209,752
- Contingency - \$25,623,854

Capital Outlay reflects the historic investment in our water and wastewater infrastructure, as well as significant investment in our parks system, transportation system, and transit vehicles. Particular attention should be paid to the Budget Message, which highlights goals, trends, and significant changes for the upcoming biennium.

KEY CONSIDERATIONS / ANALYSIS:

Sandy Urban Renewal Agency Budget

On May 11th, staff will present the Sandy Urban Renewal Agency budget; SURA board members will be present for the presentation of the Urban Renewal Fund. The proposed Urban Renewal budget is also attached to this staff report. The proposed budget totals \$11,380,898, which includes \$4.6 million in capital outlay to complete the park improvements at the Community Campus, as well as a small amount for an assessment and potential design work for improvements to City Hall. Additionally, the proposed budget has just over \$4 million in contingency for future projects related to the Urban Renewal Plan.

City of Sandy Budget

On May 11th, the Budget Committee will also consider how to allocate \$959,000 in available general revenue within the City of Sandy Budget. Previously on May 4th, the Budget Committee decided to reduce the allocation for insurance within the Aquatic/Recreation Center Fund by \$36,000.

Additional Actions

After reviewing the proposed budgets and making any changes, the Budget Committee will need to approve the budgets, as well as approve the City's property tax rate of \$4.1152 per \$1,000 of assessed value.

Thank you to the Budget Committee members who have volunteered their time to assist in this important process, and thank you to staff for their work on developing and presenting their budgets to the Committee.

Sandy Urban Renewal Agency Budget

Overview

The Sandy Urban Renewal Agency (SURA) was established by the City of Sandy in 1998. The Agency Board is comprised of the Sandy City Council and a representative of the Sandy Fire District and Sandy Chamber of Commerce. The Sandy Urban Renewal Plan was adopted by the City of Sandy in 1998.

The general objectives of the plan are to:

1. Improve the vitality of Sandy’s downtown core.
2. Make productive use of land in the urban renewal area.
3. Create opportunities for new development within the renewal area.
4. Enhance public safety in the renewal area.
5. Provide new public amenities and open spaces in the renewal area.
6. Make improvements to infrastructure in the renewal area.
7. Implement the goals and objectives of Sandy’s Comprehensive Plan.

The Sandy Urban Renewal Plan (Plan) has been amended five times since 1998. The amendments increased maximum indebtedness and added projects to the original plan.

Urban renewal projects and activities are funded by tax increment financing. When the Plan was adopted, the assessed value of the urban renewal area at the time of adoption became the “frozen base.” Whatever property tax revenue overlapping jurisdictions receive from the frozen base is the same amount they will receive annually until the urban renewal district is terminated. As property values increase above the frozen base in the district, the urban renewal district receives that increase as the tax increment. The increment is used to pay back the capital improvement costs, usually through bonds, to complete the projects in the plan. When the district expires and the bonds are fully paid off, the taxing districts benefit from the increased assessed values that the urban renewal district provided.

The plan identifies the limit on the total debt that will be incurred by the urban renewal agency to complete the projects. The maximum indebtedness established in 2015 for the Sandy Urban Renewal Plan is \$67,000,000. The maximum indebtedness is the total amount of funds that can be spent on projects, programs, and administration in the urban renewal area over the life of the urban renewal plan.

Urban Renewal Plan Activities and Projects

The plan includes projects and activities that address blight and deterioration in the Sandy Urban Renewal Area.

- A. Public Improvements
 - a. Traffic Signalization
 - b. Public Parking Facilities
 - c. Public Open Spaces
 - d. Street, Curb, and Sidewalk Improvements
 - e. Fire Protection Improvements
 - f. Streetscape and Civic Area Projects
 - g. Street Lighting
 - h. Placing Utilities Underground

Sandy Urban Renewal Agency Budget

- i. Pedestrian, Bike, and Transit Connectivity
- j. Aquatic/Recreation Center
- k. 362nd Extension North of Highway 26
- l. City Hall
- B. Preservation, Rehabilitation, Development and Redevelopment
- C. Property Acquisition and Disposition
- D. Design Plans
- E. Plan Administration

BN 2023-2025 Highlights

The urban renewal agency is estimating to receive \$3,900,000 in property taxes in the proposed biennium. This tax increment is used to fund the active projects and activities in the urban renewal plan through debt financing and tax increment excess.

The proposed projects in the next biennium include the Sandy Community Campus park project, demolition of the derelict buildings on the Sandy Community Campus site, and the façade and tenant improvement matching grant programs, and setting aside a small amount for streetscape and beautification projects in the urban renewal area.

Major Projects/Programs	BN 23-25 Proposed
Sandy Community Campus	3,000,000
Demolition of Derelict Buildings	1,500,000
Grant Programs	400,000

The budget also includes staff expenses for administering the plan and managing the projects.

Debt Service Summary

The Urban Renewal Fund transfers funds to the City of Sandy's Full Faith & Credit fund to pay debt service on bonds issued for urban renewal projects. The outstanding bonds include the 2017 bond issue for the purchase of the Cedar Ridge property, fire station improvements, and the community campus.

Annual Debt Service - Urban Renewal Agency

Schedule of Future Principal & Interest Payments Due

Fiscal Year Ended	Principal	Interest	Total
June 30, 2024	732,094	155,723	887,817

Total	6,382,084	720,450	7,102,534

Urban Renewal Fund

Fund Overview

The Urban Renewal Fund accounts for all business that is carried out by the Sandy Urban Renewal Agency (SURA). The Agency was created in 1998 and is in place to complete improvements in the downtown and commercial areas of the city. The SURA Board consists of all the members of the City Council, as well as a representative of the Sandy Area Chamber of Commerce and a representative of the Sandy Fire District.

2021-23 Accomplishments & Highlights

- Provided grant funding to numerous businesses to construct outdoor covered areas in response to the COVID-19 pandemic.
- Updated tax increment financing projections and the overall financial plan for the District.

Goals

- Develop the park at the Sandy Community Campus and demolish the derelict buildings along Pleasant Street at the Sandy Community Campus.
- Continue to provide economic support for businesses within the District via grant programs and incentives.
- Work with the SURA Board to develop a prioritized project plan.

Urban Renewal Fund

BN 23-25 Budget Notes

- Personnel Services reflects the allocation of City of Sandy FTE who aide in the execution of the SURA plan.
- Materials & Services now includes the various grant program expenditures that were previously recorded under capital outlay.
- Capital Outlay includes the Community Campus Park Improvement Project, building removal and site preparation at the Community Campus property, and an amount for future capital improvements at City Hall.
- Transfers account for all debt service payments which are paid via the Full Faith & Credit Fund.

Staff Report

Meeting Date: May 11, 2023

From Tyler Deems, Deputy City Manager

SUBJECT: Biennium 2023-2025 Proposed Budget

BACKGROUND / CONTEXT:

The City of Sandy operates on a two year budget, as allowed by Oregon's Local Budget Law. The two year period is known as a biennium, and is made up of two fiscal years, running from July 1 through June 30. The City Manager is the budget officer and is responsible for the development and management of the overall budget, as well as presenting the budget message to the Budget Committee. At this first meeting, the Budget Committee will need to elect a Chair to preside over the meeting.

The attached budget is balanced, as required by ORS, meaning that revenues (resources) equal expenditures (requirements). The total budget for the City of Sandy is \$126,623,710. The total budget is broken down into six distinct categories:

- Personnel Services - \$22,558,200
- Materials & Services - \$19,467,599
- Capital Outlay - \$35,580,450
- Debt Service - \$7,183,855
- Transfers - \$16,209,752
- Contingency - \$25,623,854

Capital Outlay reflects the historic investment in our water and wastewater infrastructure, as well as significant investment in our parks system, transportation system, and transit vehicles. Particular attention should be paid to the Budget Message, which highlights goals, trends, and significant changes for the upcoming biennium.

KEY CONSIDERATIONS / ANALYSIS:

Sandy Urban Renewal Agency Budget

On May 11th, staff will present the Sandy Urban Renewal Agency budget; SURA board members will be present for the presentation of the Urban Renewal Fund. The proposed Urban Renewal budget is also attached to this staff report. The proposed budget totals \$11,380,898, which includes \$4.6 million in capital outlay to complete the park improvements at the Community Campus, as well as a small amount for an assessment and potential design work for improvements to City Hall. Additionally, the proposed budget has just over \$4 million in contingency for future projects related to the Urban Renewal Plan.

City of Sandy Budget

On May 11th, the Budget Committee will also consider how to allocate \$959,000 in available general revenue within the City of Sandy Budget. Previously on May 4th, the Budget Committee decided to reduce the allocation for insurance within the Aquatic/Recreation Center Fund by \$36,000.

Additional Actions

After reviewing the proposed budgets and making any changes, the Budget Committee will need to approve the budgets, as well as approve the City's property tax rate of \$4.1152 per \$1,000 of assessed value.

Thank you to the Budget Committee members who have volunteered their time to assist in this important process, and thank you to staff for their work on developing and presenting their budgets to the Committee.

Distinguished Budget Presentation Award

The Government Finance Officers Association of the United State and Canada (GFOA) presented an award of Distinguished Budget Presentation Award to the City of Sandy for its 2021-2023 biennial budget.

This award is the highest form of recognition in governmental budgeting. It reflects the commitment of the governing body and staff to meeting the highest principles of governmental budgeting. In order to receive the budget award, the entity had to satisfy nationally recognized guidelines for effective budget presentation. These guidelines are designed to assess how well an entity's budget serves as:

- a policy document,
- a financial plan,
- an operations guide, and
- a communications device.

Budget documents must be rated "proficient" in all four categories, and in the fourteen mandatory criteria within those categories, to receive the award. A

This award is valid for a period of two years only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award. In addition to the budget award, City of Sandy receives awards for its Annual Comprehensive Financial Reports (ACFR) and Popular Annual Financial Report (PAFR), making it one of only a handful of agencies in Oregon to receive the "Triple Crown" designation.

Inquiries regarding the 2023-2025 Biennial Budget for the City of Sandy, or requests for mailing, should be directed to:

BN 2023-25 Budget Message

April 20, 2023

Mayor Pulliam, Sandy City Council, and Members of the Budget Committee:

I am pleased to deliver the City of Sandy's 2023-25 Proposed Biennial Budget. The budget is balanced and represents a total spending plan of \$126,623,710. The budget incorporates the City Council goals and reflects our continued historic investments in our wastewater and water infrastructure and projects that enhance the quality of life for our community.

A city's budget is inherently a policy document that reflects the vision, values, and goals of the community. It is the document that relates what the community wants from their city government with the financial plan for how we fund those public programs, projects, and services. The budget is also informed by the thoughtful work and community input into our city's master plans that prioritize our capital infrastructure investments and future service needs. As a rapidly growing community, the City is nearly finished with a much-needed cycle of long-term planning that will help guide us for years to come. This planning cycle will culminate with the completion of the Comprehensive Plan update, Envision Sandy 2050, in this next biennium.

As part of the Comprehensive Plan update, the Council and community developed vision statements to help guide the growth and development policies of the City for the next 25 years: In 2050, Sandy: retains its small-town feel through a celebration of community and place; is proactive in managing and planning for growth; is resilient in the face of natural hazards; is home to desirable neighborhoods and a strong workforce; boasts modern and reliable public facilities and services that support carefully planned growth, and; has a natural and scenic landscape is an extension of the community.

It is that visioning and the City Council's adopted goals that guide the development of a city budget that endeavors to keep Sandy a safe, livable, and vibrant community for years to come.

Proposed Budget Highlights and Changes

In advance of the budget development, the City Council meets with department leadership and as a body to discuss and set goals for the upcoming biennium. For 2023-25, the Council adopted 15 goals and 29 actions within 8 categories organized by service or theme area. The following goals and their relation to the budget are highlighted but the entire list of goals can be found in this budget document.

- **Enhance public safety and community livability through enforcement of the municipal code.** The Planning Department's budget reflects the addition of a code enforcement officer that will enhance the City's approach and response to municipal code violations and compliance at a cost of \$228,000 for the biennium. The budget will maintain the current code enforcement position in the Police Department as a community services position.
- **Continue to invest in sustainable infrastructure for the City's critical public utilities, in pursuit of system resilience, expanded capacity, and environmental protection.** Sandy Clean Waters and the Water System Re-investment Project are generational investments in our essential services that will position the city well for many years to come. They require significant funding and capital

BN 2023-25 Budget Message

expenditures, customer rate and SDC revenues, and debt. These projects will take several more years to complete but already the wastewater and water funds account for over 43% of the City's total budget. Combined, \$22 million is planned in capital expenditures for the next biennium with much more spending anticipated in the next two biennia.

- **Maintain the financial strength of the City's utility funds. A) Increase the balance in the Stormwater Fund to prepare for a future Stormwater Master Plan. B) Replenish the Street Fund to support future maintenance activities. C) Continue to seek grants and alternative funding sources for the City's major capital infrastructure projects.** The water and wastewater projects require the City to continuously update our utility rate models and implement rate increases as necessary. The budget assumes increases of 36 percent (years one and two) in water, 16 percent (years one and two) in wastewater, and \$3.00 per month (year one) and \$2.00 per month (year two) for stormwater. Thus far, the City has been able to avoid Revenue Bonds for the projects through obtaining grants and low interest loans through the State Revolving Loan Fund, Water Infrastructure Finance and Innovation Act, and Business Oregon. Beyond those utilities, we are also gradually increasing rates to fund a stormwater master plan in the future to identify, prioritize, and support the City's stormwater infrastructure. This budget proposes to transfer \$600,000 from the General Fund to the Street Fund to replenish funding for pavement preservation.
- **Increase pedestrian safety, trail and local road connectivity, and traffic efficiency through high priority projects in the City's Transportation System Plan.** The Street Fund includes the completion of the 362nd and Bell Street Extension, as well as \$850,000 for the Gunderson Road/Highway 211 intersection improvements and \$150,000 towards the Dubarko Road/Highway 211 intersection improvements.
- **Manage responsible growth through engaging the public in community visioning and long range planning, and implementing code updates.** The Planning Department's budget reflects the completion of the Comprehensive Plan update (\$88,000), the Clean and Objective code audit (\$15,000), and the Housing Production Strategy (\$70,000).
- **Invest in our park system for current and future residents of Sandy and continue expansion of recreational opportunities for the community.** Our reborn Parks & Recreation Department is moving ahead on several Council goals and expanding recreational programming and popular events such as the successful Holiday Lights at Meinig. With the recently adopted Parks & Trails Master Plan and subsequent updates to the Parks SDCs and fee in lieu of parkland donation, there are several projects included in the Parks Capital Fund. The soon to be renamed Community Campus Park improvement project is funded in this budget through system development charges as well as urban renewal. Funding is also budgeted for Deer Point Park (\$1.8 million) and improvements to Meinig Park (\$200,000). The Fund also includes an appropriation (\$1.5 million) for land acquisition per the City Council's goal for seeking land for future active park facilities.
- **Complete a long-term sustainable utility plan for SandyNet that includes a rate study, staffing needs analysis, and permanent facility plan.** The Telecommunications Fund includes \$30,000 to assist SandyNet staff with the development of a new master plan for the utility.
- **Promote SAM as a safe and efficient transportation option, and increase system ridership.** The Transit Department continues its work in implementing the Transit Master Plan. With the success of obtaining several grants for capital and operations, the Transit Fund reflects the purchase of three new electric buses and the implementation of a new route to Clackamas Town Center.

BN 2023-25 Budget Message

Other highlights include:

- Facilities Maintenance. Several of the City's buildings that were built in the last 10-15 years now require some maintenance and upkeep. We have budgeted \$100,000 for painting, repairs, and maintenance on the Operations Center and \$300,000 for new roofs on the Police Department and Community/Senior Center as well as HVAC upgrades. These costs are budgeted in the Operations Center and Facilities Maintenance Internal Service Funds which are funded through transfers from a variety of departments and funds.
- City Reserves and Fund Balances. The City's General Fund contingency remains at 5% of operations not including the department contingencies. In total, the City's reserves are \$25.6 million with \$20.8 million of that residing in the Water and Wastewater Funds. Those fund balances indicate the building up of resources for the large future capital expenses and reserves needed for debt coverage that are required by our loan agreements.
- Police Department Budget and Public Safety Fee. The combination of vacancies, new hires, the new School Resource Officers program contract, and the Public Safety Fee has put the Police Department's Budget in its best position in many years. The Proposed Budget keeps the Public Safety Fee at its current rate, although we would welcome a discussion on whether to plan for a small increase to the fee to keep the revenue at pace with its purpose to fully fund the two positions that we added to the department in 2019. The Budget also includes \$280,000 in capital for 4 new police vehicles.
- FTEs. The total full-time equivalents for the City are proposed to increase 3.82 FTE to a total of 83.69. New positions include the addition of a Code Enforcement Specialist, increasing SandyNet staff by .50 FTE, and adding 3 additional staff in Public Works which reflects both the City's growth and the amount of effort required to manage the City's major capital improvement projects.

Finally, organizationally, the budget document has been updated with a few new departments and divisions. In 2021 we reorganized the Community Services Department as a Parks and Recreation Department with Recreation, Seniors, and Parks, Buildings, and Grounds as divisions. Secondly, we have separated out the Hoodland Library as a separate division to better account and track the activities of the two libraries. Third, Human Resources has been removed from the Finance division for additional transparency. And lastly, you will see the addition of key performance indicators within the department budgets as one of our efforts to help quantify the City's programs and services and drive better decision making through data.

Financial Trends and Assumptions

Despite a turbulent and uncertain post-pandemic economy, the City's finances remain strong. This can be credited to the Council's strategic decisions and fiscal discipline, thoughtful planning, federal and state funding assistance, and steady growth. However, the factors of persistent higher inflation, construction cost escalation, slower development activity and the temporary moratorium, and a tight employment market influenced a more conservative approach to developing this year's budget.

- **Inflation and Cost Inflat**ors. In January 2023, the consumer price index (CPI) for cities in the region was still showing a 6% year over year increase. In comparison, two years ago the CPI was 1.6%.

BN 2023-25 Budget Message

This indicator drives increases in cost-of-living adjustments, materials, and anticipated contractual increases. On the capital budget side, the construction cost index (CCI) is an indicator that we closely monitor as it can have a large effect on our planning-level estimates and eventual bids for our major capital improvements. A third factor for our budget planning are interest rates. Increasing interest rates result in higher borrowing costs and total debt service that can influence our financing plans and must be accounted for in our rate modeling.

- **Property Values and Property Tax Revenue.** As demonstrated by the 2020 census, Sandy continues to be one of the fastest growing communities in Oregon. As a result, over the last five years, assessed values have averaged an annual increase of nearly 6%. This has translated into a healthy growth of property tax revenue, with nearly \$1 million more budgeted over the last biennium. However, despite having several projects in the pipeline with land use approval, we have conservatively budgeted a 4.5% (year 1) and 3.5% (year 2) assessed value growth. It is prudent to taper our historic growth rate given the uncertainty of the moratorium and its tempering effect on future development activity.
- **Development Activity.** With the temporary development moratorium and uncertainty around the wastewater treatment plant's capacity rating, we are anticipating reduced applications and revenue for the Planning division. This year will also mark the completion of several long-range planning efforts. As a result, we have reduced the Planning staff by 1 FTE. Even with the anticipated slowdown, the Council's policies on cost recovery and development impact fees will generate increased resources for capital from the vested private projects still in the pipeline.
- **Other Revenues.** Household growth and rate adjustments from electric, gas, and garbage providers means Franchise Fee revenues are projected to increase this biennium. Overall, General revenues are budgeted to increase 13.3% over the last biennium. As another demonstration of the magnitude of our capital improvement plans and the resources needed to fund these projects, water rate revenue will more than double from the previous biennium, and revenue from wastewater charges will increase by another 68%.
- **Personnel Services.** The City's largest operating expenses are salaries and benefits for employees. At \$22.5 million, personnel expenses are increasing by 21.5% over the last biennium. Major drivers to the increase include cost of living increases tied the consumer price index and Police labor agreement, health insurance premiums, and the 3.82 new FTEs previously noted. The Proposed Budget also includes the Paid Leave Oregon Act requirement which is an additional payroll tax that is split between the employee (.04) and employer (.06).
- **Debt Service.** As expected with the funding plans for the water and sewer projects, total city debt is increasing. Total debt is now \$40 million with an annual debt service of \$7.1 million. While Debt Service is less than the last biennium due to the final payment on a USDA Sewer Loan, debt service will begin to increase substantially in future biennia.
- **SandyNet.** The Telecommunications Fund accounts for the revenue and expenses for the City's municipal fiber internet service. Since its construction in 2014, SandyNet has steadily increased its customer base – now 80% of residences – and its financial sustainability. While debt service continues to escalate until the construction bonds are paid off in 2035, revenue growth through new customers, intergovernmental agreements to expand ISP services, and gradual rate increases have allowed the utility to stay financially sustainable and affordable. The planned update of the SandyNet Master Plan will create a roadmap for the utility to maintain its affordability and customer service focused brand.

BN 2023-25 Budget Message

Budget Committee and City Council Input

The City is fortunate to be in a position to have a surplus of General Fund resources due to greater than projected general revenues collected in the current biennium and the receipt of American Rescue Plan Act (ARPA) funds to compensate for the loss of revenue during the pandemic. Per the ARPA rules, cities are permitted to designate up to \$10 million of received funds as revenue loss replacement for general government services. This allows the greatest flexibility for using these funds for not only responding to the effects of the pandemic but also delivering essential services to our public.

The total amount available in the general fund over and above our reserve policy minimum is **\$959,000**, which is included in the General Fund's Non-Departmental contingency line. This amount represents the remainder of the second tranche of ARPA funds \$775,000 (after \$600,000 that is proposed in this budget to be transferred to the Street Fund), and the remaining general revenue surplus, \$184,000. Given the source of these funds, we recommend the Budget Committee views it as one-time resource for non-ongoing operational uses.

We welcome the Council and Budget Committee's input on priorities and staff offers some suggestions for discussion.

- Increase General Fund Reserves. The City's current policy for General Fund Contingency is 5% of operations with a goal to increase the policy to 10% of operations. Increasing the contingency would grow the City's general fund reserves to further improve the city's position during emergencies, changes in economic activity, cash flow, and other unforeseen expenses.
- Payoff Interfund Loan Balances. Another option would be the early payoff and elimination of the interfund loans between the Transit Fund and the Police Department and Telecommunications Fund. An additional \$151,000 to the Police Department and \$160,000 transferred to the Telecommunications Fund would pay off the loans 4 and 3 years early, respectively. Wiping this debt early would better position these departments to add future staff to keep up with our level of service as our population and customer base grows.
- Additional Street Capital and Pavement Preservation. The Proposed Budget includes a transfer of \$600,000 from the General Fund to the Street Fund. This existing transfer will help replenish the street maintenance program; however, we know that more funding for our pavement preservation program is needed to keep the City's overall street network in good condition.
- Stormwater Fund. Annual principal and interest payments for an interfund loan from the Wastewater Fund to the Stormwater Fund is included in the Proposed Budget to pay for the unplanned emergency projects on Strawbridge Parkway and Tupper Road in the current biennium. Eliminating the interfund loan balance of \$400,000 would assist in keeping the fund stable and potentially mitigate future rate increases while working towards funding for a new stormwater master plan.

Conclusion

I want to sincerely thank our staff for their work in putting together their budgets, especially Tyler Deems who does the heavy lifting as well as the detail work to bring it all together. The City of Sandy is a unique

BN 2023-25 Budget Message

organization with a breadth of services that are not commonly found together in most Oregon municipalities. It takes a dedicated, keen, and passionate City Council, staff team, and community volunteers to effectively plan, guide, and manage such a range of services and programs.

I also want to acknowledge the Council's focus and actions that keep the City in strong financial position, especially in the face of seemingly insurmountable infrastructure challenges. Thank you for all your work and commitment to the current and future generations of community members that call Sandy home.

Respectfully submitted,

Jordan Wheeler

Sandy, Oregon

City Overview

The City of Sandy is the most eastern city in Clackamas County, beautifully situated as the gateway to Mt. Hood. Sandy has a thriving economic base, including many businesses serving visitors to the Mt. Hood Recreation Area. In the foothills of the Cascades, Sandy's elevation varies from 750 to over 1,000 feet. Mount Hood shelters the city from the storms experienced in the Columbia River gorge.

The climate is mild, but as with the rest of Oregon west of the Cascades, rain occurs frequently in the winter. This rain falls as snow on Mount Hood, and Sandy residents enjoy the convenient access to nearby opportunities for skiing, snowboarding, and snowshoeing. In other seasons, the beautiful and scenic pacific northwest outdoors provide nearby opportunities for hiking, camping, backpacking, and mountain biking adventures.

As one of the fastest growing cities in Oregon, Sandy offers the warmth of a small town with the services of a big city. The city operates its own fiber internet service and transit system, and provides police, parks and recreation, library, public works and utilities, and general government functions such as planning and building.

City Council

The City of Sandy is governed by a seven-member City Council comprised of the Mayor and six City Council members. The Mayor serves a two-year term, and the Council members serve four-year terms. All members are elected at-large. Like most cities in Oregon, Sandy is a council-manager form of government. The City Council members are responsible for city policies, legislation, and adopting the city budget. The Council appoints a city manager who is then responsible for the day-to-day operation of the city consistent with the policy direction set by the Council.

Council Goals

Council Goals

Each year the City Council sets goals for the community and city government. These goals help direct the budget and work program for city staff. The Council adopted the following goals for the 2023-25 biennium:

1. Public Safety and Community Livability

- Enhance public safety and community livability through enforcement of the municipal code.
 - Develop a budget proposal for adding a code enforcement position.
 - Develop a traffic safety and speed enforcement program that includes a filled traffic officer position and deployment of speed enforcement technology such as radar speed signs and speed trailers.
 - See grant funding to support traffic safety and speed enforcement, and other programs within the Police Department.
- Continue addressing homelessness through partnerships with local and regional partners.
 - Explore partnerships and shared costs for staffing related to behavioral health needs.

2. Public Works

- Continue to invest in sustainable infrastructure for the City's critical public utilities, in pursuit of system resilience, expanded capacity, and environmental protection.
- Maintain the financial strength of the City's utility funds.
 - Increase the balance in the Stormwater Fund to prepare for a future Stormwater Master Plan.
 - Replenish the Street Fund to support future maintenance activities.
 - Continue to seek grants and alternative funding sources for the city's major capital infrastructure projects.
- Increase pedestrian safety, trail and local road connectivity, and traffic efficiency through high priority projects in the City's Transportation System Plan.
 - Adopt the updated Transportation System Plan.
 - Complete speed limit studies for Bluff Road and Highway 211.
 - Study intersection and pedestrian safety improvements to the Dubarko Road/Highway 211 intersection.

3. Community Planning and Economic Development

- Foster community and economic development and tourism opportunities through events and projects that promote and leverage the City's storied history and natural beauty.
 - Expand on the Holidays Lights at Meinig Park to create a Winterfest event throughout the holiday season.
- Adopt and implement the Economic Development Strategic Plan; recruit businesses to Sandy in alignment with the goals and strategies identified in the plan.
- Manage responsible growth through engaging the public in community visioning and long-range planning and implementing code updates.
 - Complete Envision Sandy 2050 and adopt the Comprehensive Plan update.
 - Implement policy changes and new and emerging state regulations through code amendments that are responsible and reflect the community values.
 - Pursue code options to retain local control of decision making over shelters and transitional housing.

Council Goals

- Continue to update the planning and building development fees to increase cost recovery.

4. Parks & Recreation

- Invest in our park system for current and future residents of Sandy and continue expansion of recreational opportunities for the community.
 - Design and construct the Community Campus Park improvements.
 - Complete design and construct park improvements at Deer Point Park.
 - Research and act on the purchase of park land for future park facilities and/or natural area and open space preservation.
 - Work with the Oregon Trail School District for developing a new facility use agreement.
 - Explore ways to connect Sandy residents with aquatic opportunities, including swim lessons and water safety programs.
 - Reestablish a volunteer program and expand volunteer opportunities.

5. SandyNet

- Complete a long-term sustainable utility plan for SandyNet that includes a rate study, staffing needs analysis, and permanent facility plan.

6. Library

- Advocate for the financial sustainability for the Sandy and Hoodland Libraries and expand access to materials and enrichment programs.
 - Seek funding for a community outreach and engagement vehicle.
 - Work with the County on the long-term plans for the Hoodland Library.

7. Transit

- Promote SAM as a safe, and efficient transportation option and increase system ridership.
 - Increase community awareness and utilization of convenient routes within city limits, particularly the Shopper Shuttle.
 - Ensure the proposed Clackamas County Town Center route is appropriately planned, safe, and efficient.
 - Continue modernization of the fleet and operations.

8. Good Governance & City Operations

- Enhance Council effectiveness through updating the City Council Rules.
- Maintain financial sustainability of city programs, events, and services through adequate cost recovery policies and practices.
- Develop a Sustainable Staffing Plan for the City of Sandy.
 - Continue investing in the city's workforce to retain talented and community-oriented employees through competitive compensation and recognition.
 - Forecast current and future staffing needs to maintain service levels, mitigate operational risks, and adequately manage key projects and priorities.
 - Develop an achievable plan for accommodating current and future space needs for city staff and operations.

Budget Process

Oregon Budget Law & Budgeting in the City of Sandy

The City of Sandy prepares and adopts a budget in accordance with its City Charter and ORS 249.305 through 294.565, the State’s local budget law. These statutes provide the legal standards for preparing, presenting, adopting, implementing, monitoring, and amending the budget. Amending the budget by less than 10% is accomplished via resolution, while changes greater than 10% require advance notice and a public hearing prior to the adoption of the budget amendment. Additionally, the city uses the modified accrual basis of accounting in both the budget and the annual financial report.

As the local budget officer, the city manager is responsible for the management of the overall city budget and maintaining budgetary controls at the approved appropriation level. Ongoing review and monitoring of revenues and expenditures is performed by Finance and the respective operating department directors.

Budget Committee

As mandated by Oregon Budget law (ORS 294.336), Sandy has a budget committee consisting of the governing body (City Council) and an equal number of registered voters (citizen members) appointed by the City Council. Appointed members serve four-year terms. The budget committee reviews the City Manager’s proposed budget, receives public input, sets the tax rate, and approves a budget.

City of Sandy Budget Approach and Philosophy

The City of Sandy’s budget management approach is “expenditure control budgeting,” which allows general fund departments the same budget authority and responsibility as the directors of enterprise funds. The chief features of this approach are that the general fund departments are allocated general revenues (property taxes, franchise fees, state shared revenues, etc.) and the departments can carry over budget savings from one biennium to the next. Allocating revenue and allowing departments to keep what they do not spend helps eliminate the “spend it or lose it” incentive and similar budget games apparent in other budget management approaches. Like the enterprise funds, general fund departments have more flexibility and ownership in the preparation of their budgets and in planning for one-time expenses (equipment and capital). Of course, any carryover balances also must be used in ways that are consistent with Council’s priorities and should not be used for ongoing commitments such as staff costs.

Unlike most local government budgets, Sandy’s budget explicitly shows the amount of general revenues that are allocated to departments within the General Fund. These revenue allocations are ultimately set by the City Council through the budget process. Direct Service Departments in the General Fund develop their budgets, estimate department revenues, and provide supporting documentation to justify general revenue allocations.

The general fund departments also show internal fees for service which reflect the costs for administrative and overhead expenses such as payroll, finance, legal, technology, and other internal support functions. Usually, such costs are hidden from sight in a city’s general fund budget, but to increase transparency and reflect the true cost of providing services, these internal charges are shown in the General Fund’s direct service departments. The administrative service departments then receive the charges as revenue in their budgets.

Budget Process

Funds/Fund Structure

The City's budget is organized on the basis of self-balancing funds. These funds are classified as follows:

Governmental Funds

- General Fund
 - 18 departments
- Street Fund
- Transit Fund
- Aquatic/Recreation Center Fund
- City FF&C Debt Service Fund
- Parks Capital Projects Fund

Proprietary Funds

- Water Fund
- Sewer Fund
- Stormwater Fund
- Telecommunications Fund
- Operations Internal Service Fund
- Facilities Maintenance Internal Service Fund

Budget Calendar

January 2023

- Council goal setting workshop
- Interview and appoint budget committee members

February 2023

- Department directors prepare their individual budgets

March 2023

- City Manager prepares proposed budget

April 2023

- Publish notice of budget committee meetings
- First budget committee meeting (April 20th)
 - Receive the budget message
 - Review the proposed budget
 - Receive public comment
- Second budget committee meeting (April 27th)

May 2023

- Third budget committee meeting (May 4th)
- Budget committee approves budget
- Publish budget summary and notice of budget hearing

June 2023

- Hold budget hearing (June 5th)
- Council meeting to enact resolutions to adopt budget, make appropriations, and impose taxes
- Submit tax certification documents to County Assessor

July 2023

- Submit copy of complete budget document to County Clerk

Financial Trends

Resources

The city's largest source of revenue are fines, fees, and assessments which includes utility fees and system development charges for sewer, water, stormwater, Sandynet, transit and gas taxes. The utility rates and SandyNet fees are set and approved by City Council resolution based on costs to provide services and invest in infrastructure. Revenue projections for fines, fees, and assessments are based on trend analysis, which property tax projections are calculated based on taxable value, which is provided by Clackamas County.

Beginning balances include reserves for future capital expenditures and paying down bonds, department carryovers, and fund contingencies.

Intergovernmental revenues include state shared revenues (liquor and cigarette taxes), state gas taxes, and the county library district funds.

Grants include county, state, and federal grants for transit, police, and community services. Loan proceeds reflect a variety of new debt, largely in the Water and Wastewater Funds to complete work on both utilities' infrastructure projects. Additional information on specific projects can be found within the narrative for each fund.

Financial Trends

Property Taxes

Property taxes are the largest source of revenue for the General Fund. The City's permanent tax rate is \$4.1152 per \$1,000 of assessed value. Taxes are calculated based on a property's assessed value. Assessed values can only increase for two reasons: an annual 3% increase if the assessed value is lower than its market value, or if improvements are made to the property that increases its value. Sandy's total taxable assessed value of \$1.086 billion is about 47% of the total market value.

The City receives about 32% of a property's total tax bill. For a home with the average assessed value of \$227,000, the city receives about \$1,254.

Taxable Assessed vs. Market Value

In comparison to other cities within Clackamas County, Sandy's permanent tax rate is around average. The city does not currently have a local option levy for operations, or any outstanding voter approved general obligation bonded debt.

Cities in Clackamas County Tax Rate Comparison

Financial Trends

Requirements

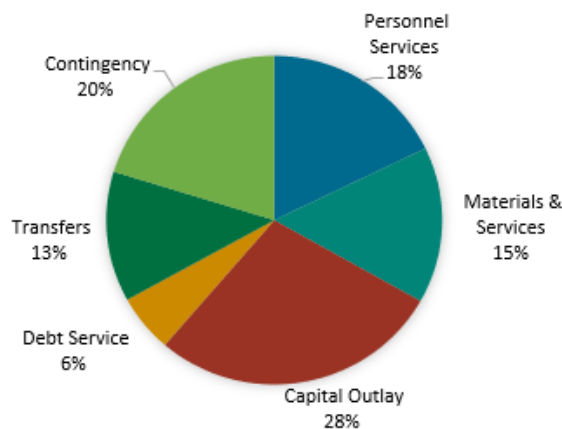

The total requirements citywide for the 2023-25 Biennium is \$126,623,710. The city's largest fund is the General Fund which includes general government services such as Police, Community Services, Planning, Library, and administrative services.

Requirements by Fund

The largest expenses for the city are personnel services and capital outlay. Personnel services include salaries and benefits for city employees. Materials and Services include contracted and professional services, supplies and equipment, repairs, and utility expenses. Transfers reflect charges for service between departments and funds.

Requirements by Category

Financial Trends

Operating Budget

The operating budget reflects the ongoing costs to fund city services. These costs include personnel services, materials and services, transfers, and debt service. It is important to note that the transfers include the allocation of general revenue and internal charges for services.

Debt Summary

Citywide Debt Service

The city's total annual debt service (principal and interest payments) is over \$6.66 million for the 2023-2025 biennium. Debt limitations for general obligation bonds are calculated at a rate of 3% of the real market value of property within city limits. The city currently has no general obligation bonds. The current bond rating is AA-, as confirmed by S&P Global in April 2021. The chart below reflects *existing* and *anticipated* debt service by fund as of July 1, 2023.

Annual Debt Service by Fund

Debt Summary

Interfund Loans

The Transit Fund has provided loans to the General Fund (for the Police Department) and Telecommunications Fund (for SandyNet capital construction). The Wastewater Fund has provided a loan to the Stormwater Fund (for capital construction costs).

Budget Summaries

General Fund Summary

The General Fund is the city's general operating fund of the City and is used to account for financial activity not accounted for in other more specialized funds. The General Fund includes the general government services and the revenue and expenses for Police, Library, Community Services, Planning & Building, Municipal Court, Parks, and administrative services.

Since general revenues are accounted for twice in the budget (as general revenues into the General Fund – property taxes, franchise fees, etc., and then as resources into the direct service departments), the total budget number is inflated.

General Fund	BN 17-19 Actual	BN 19-21 Actual	BN 21-23 Budget	BN 23-25 Proposed

BN 2023-25 Budget Notes

- General Revenue category reflects more revenue estimated to be received into the general fund than budgeted in the BN 21-23.
- The Non-Department contingency is the General Fund's reserves which is budgeted at 5% of the fund's operations, plus \$959,223 in unassigned funds.
- The decrease in utility fund balances reflect spending on capital projects.

General Revenue

Overview

The General Fund receives several ongoing, unrestricted resources that are allocated to the general fund direct service departments. These sources of revenue include:

- Property Taxes
- Franchise Fees
- Business and Liquor License Fees
- State Shared Revenue (Liquor Tax, Cigarette Tax)
- Other miscellaneous revenue

The allocation of general revenues is shown explicitly as transfers to specific direct service departments (City Council, Municipal Court, Library, Police, Recreation, Seniors, Parks, Buildings, & Grounds, Planning, Economic Development, and Non-Departmental).

Mayor & Council

Department Overview

The Mayor & Council Department accounts for expenditures related to City Council business. All Council members are volunteers, elected by the citizens of Sandy; the Mayor serves a term of two years, while all Councilors serve four-year terms. The Council sets policies and direction for the city, which is then implemented and carried out by city staff.

2021-23 Accomplishments and Highlights

- Implemented hybrid in-person / virtual public meeting capabilities.

Goals

- See Council Goals listed earlier in this document.

Administration

Department Overview

The Administration Department includes the City Manager, Director of Policy and Community Relations, and portions of various support staff. In the Council-Manager form of government, the City Manager is appointed by the City Council to implement council policies and manage the day-to-day operations of the city. This work includes overseeing all city departments and employees, managing the city budget as approved by the Council, working with elected officials and members of the community, and keeping the Council informed of city business.

2021-23 Accomplishments and Highlights

- Grew communications audience substantially; 33% increase in newsletter readership, website visits up 40%, relaunched dormant Instagram account.
- Launched new initiative to leverage video and other media tools to increase public engagement.
- Implemented enhanced staff report development / agenda preparation process.
- Coordinated intergovernmental relations efforts to secure funding for infrastructure projects.

Goals

- Implement City Council Goals.
- Identify and implement ways to continue to facilitate more public engagement in decision making processes.
- Deploy new public meeting management platform.
- Work with departments to continue to increase communications quantity and quality.

Legal

Department Overview

The Legal Department accounts for the legal representation and services for the City Council, Sandy Urban Renewal Agency, City Manager and all City departments/funds. The revenue source is a transfer from departments and funds that utilize legal services.

The City has a professional services agreement with Beery Elsner & Hammond, LLP to provide general and specialized municipal legal services. The base contract calls for attendance at Council and Planning Commission meetings. Additional time is billed on an hourly basis.

Legal services include developing City ordinances and resolutions, enforcement of City codes, defense against lawsuits, and legal advice to the City Council and staff.

Budget Summary & Detail

	BN 17-19 Actual	BN 19-21 Actual	BN 21-23 Budget	BN 23-25 Proposed
Beginning Balance	62,088	(4,304)	-	12,000

Municipal Court

Department Overview

The Municipal Court Department is the judicial branch of Sandy's government. The Municipal Court Judge is appointed by the Council. The court is committed to resolving cases in a manner that is fair and impartial, and to treating all defendants, officers, and witnesses with respect as we provide services that are efficient, timely, and accurate. The Judge determines the judicial philosophy for the court and creates rules to ensure consistent service is provided to all defendants involved in Sandy's judicial system.

2021-23 Accomplishments and Highlights

- Continued to improve processes and become more efficient while also reducing the amount of paper documents.
- Returned to in-person court proceedings after having limited exposure to the public during the COVID-19 pandemic.

Goals

- Implement show-cause hearings to allow the Court to act on old cases where the defendant has not complied with the judgement of the Court.

Finance

Department Overview

The Finance Department serves the public and internal customers in a variety of ways, including receipting and disbursing financial resources, accurate and timely recording of all financial activity, accounting for fixed assets, monitoring financial compliance with various requirements, and providing support in financial management. General responsibilities of the department include utility billing, accounts receivable and payable, payroll, budgeting, auditing, financial reporting, and risk management.

2021-23 Accomplishments & Highlights

- Submitted and received the Distinguished Budget Presentation, Popular Annual Financial Report, and the Annual Comprehensive Financial Report awards through the Government Finance Officers Association (GFOA).

Goals

- Continue to find creative ways to increase transparency and understanding of the City's finances.
- Continue to work with departments to increase the overall financial stability of the City.
- Review insurance claims in greater detail and determine reasonable actions to reduce the number of claims filed each year.

Human Resources moved to own department in BN 23-25

Finance

BN 23-25 Budget Notes

- Staffing and related personnel costs decreased because of moving the Human Resources Director and 20% of the Accounting Specialist position out of Finance and into a dedicated department for Human Resources. In addition, a larger position of the Deputy City Manager’s time is allocated to Administration for work not directly related to finance.
- 78% of Materials & Services is directly related to cost of conducting the annual audit.
- Reduced contingency to approximately 2% of the department’s operating budget.

Sandy Library

Department Overview

The Sandy Library was founded in 1934 by the Sandy Woman's Club. Since 1977, when the first county-wide funding levy was approved by voters, Sandy has been one of the 12 public libraries in Clackamas County that have cooperated in an informal resource and revenue sharing network, named LINCC, which stands for "Libraries in Clackamas County". Over the past 36 years, LINCC libraries have shared in the proceeds of a variety of county-wide funding mechanisms, which have culminated in the passage in November 2008 of a county-wide Library Service District with a permanent tax rate of \$0.3974 per thousand of assessed value. The Sandy Service Area extends from Boring to Wildcat Creek Road (Near Windells Ski Camp) and currently houses over 28,000 (city and unincorporated) residents. The Sandy Library resides in a city-owned facility of 11,620 square feet and will be open this coming year 56 hours per week.

The library supports the community in its endeavor to create lifelong readers. Support is provided to help residents learn to read and write, develop the ability to find accurate information, and connect to the online world. The department delivers on its mission by offering traditional library services including reference assistance and materials for entertainment and study, as well as high speed internet access, downloadable e-books and e-audiobooks, databases, the ability to receive and send information online (such as tax forms, job applications, and photos), and staff to assist customers in using technology. Community members enjoy library space to sit quietly and read or study. The library offers a seed library, library of things collection, and space for programs such as English language and reading tutoring, book clubs, story times, classes, musical performers, and community meetings. In addition to in-person programs, the library offers asynchronous story times, 'take & make' crafts for all ages, and virtual book groups.

2021-23 Accomplishments & Highlights

- Rebounded programing to 53% of pre-pandemic level, with participation rebounding to 57%.
- In 2022, over 209,000 items were physically checked out with nearly 12,000 attendees at various programs.
- Analyzed collections for diversity, equity, and inclusion.
- Started reading tutoring again in July 2022. From July 2022 - March 2023 we have held 121 one-hour sessions with one student and one tutor.
- Started ESOL classes and tutoring again in September 2022 and October 2022. From September 2022 - March 2023, 56 people have attended English language classes. From October 2022 - March 2023, we have held 46 one-hour sessions with one student and one tutor.
- November 2022 - January 2023 we held a Civics Challenge. 28 people joined in the fun.

Goals

- Continue to regrow programs and attendance in a post-COVID-19 environment.
- Encourage LINCC Directors to push forward the taskforce.
- Secure a funding source for an outreach/technology pop-up vehicle.
- Enhance library marketing with teen videos.
- Make progress towards the goal of every child in the Oregon Trail School District obtaining a library card.

Hoodland Public Library moved to own department in BN 23-25

BN 23-25 Budget Notes

- Revenue and expenses for the Hoodland Library is now accounted for in its own Department.
- Intergovernmental accounts for revenue from the Clackamas County Library District for the Sandy service area.
- Debt Service reflects the principal and interest payments on the library construction loan.

Police

Department Overview

The Sandy Police Department's mission is to fulfill the law enforcement needs of the people with the highest degree of fairness, professionalism, and integrity, and to protect the inherent rights of the people to live in freedom and safety. The department is committed to protecting the lives of our community members, ensuring a safe community, and reducing crime and the fear of crime. The department strives to ensure that our community members feel safe to walk our streets and to picnic in our parks with their families. The department conducts police activities that help to achieve the mission, while ensuring that all people are treated with dignity and respect, without regard for a person's gender, ethnicity, race, religion, color, or sexual orientation.

2021-23 Accomplishments & Highlights

- Funded and piloted the implementation of the in-car video system and body camera program.
- Renegotiated the contract with Oregon Trail School District for the School Resource Officer Program.
- Replaced three aging vehicles to continue to make progress on maintaining and/or replacing outdated assets.

Goals

- Continue to carry out the mission of the department with the utmost professionalism.
- Continue to expand health and wellness programs for staff.
- Continue to replace aging vehicles to ensure the safety and functionality of the fleet.

Human Resources

Department Overview

The Human Resources Department is dedicated to serving all departments of the City of Sandy in recruitment, development, and retention of a high-quality workforce that is committed to excellence in public service. The department is responsible for comprehensive human resources services and programs, including job description development, recruitment and selection, employee orientation, benefit administration, labor relations, training, personnel policy development and administration, personnel record management, workers' compensation claim management, and employee recognition.

2021-23 Accomplishments & Highlights

- Comprehensive update to the personnel policy manual for the first time in over five years.
- Review of all positions and their placement on the salary schedule in relation to Oregon's Pay Equity law.

Goals

- Provide employee training programs to help all employees improve skills, and acquire new knowledge and confidence related to career development.
- Forecast current and future staffing needs to assist Finance in maintaining service levels, mitigate risks, and manage key projects and programs.

Human Resources

BN 23-25 Budget Notes

- 92% of the overall budget is directly related to the cost of staff to perform the required human resources functions.
- Staffing and related personnel costs reflect the Human Resources Director and 20% of the Accounting Specialist positions, which were previously in the Finance budget.
- Contingency set to approximately 2% of the department's operating budget.

Recreation

Department Overview

The Recreation Department provides comprehensive recreation programs and special events designed to enhance quality of life, boost physical and mental health, and provide important social connections. The department works to keep programs affordable so all community members can access opportunities regardless of their socioeconomic status.

Diverse program opportunities are displayed throughout the year in the Recreation Guide, and are marketed through electronic newsletters, social media, traditional media, and signage. Staff work with recreation providers throughout the area to provide programming and share resources, and partner with organizations and businesses on projects that can enhance community opportunities. For example, Mountain Storm Youth Basketball and the Adult co-ed softball league are made possible by utilizing the Oregon Trail School District facilities.

Special Events prove popular with locals and draw many visitors from out of town with events including Run with Pride, Noah's Quest, Silent Disco, and Winter Lights at Meinig. Events such as Sandy Summer Sounds & Starlight Cinema, Solv-it, Longest Day Parkway, Teen Flashlight Egg Hunt, and Mountain Festival Kids Parade ensure that all families, regardless of income, enjoy recreation and entertainment opportunities in a unique setting.

2021-23 Accomplishments & Highlights

- Since re-establishing programs and events in May 2022, an estimated 4,000 community members have participated.
- Received nearly \$38,000 in fundraising and sponsorship for community events.
- Diversified revenue sources, analyzed new revenue streams, and hired a consultant to assist in developing a cost recovery policy where appropriate.
- Explored Council and community recreation services needs and determined how the department can support these by adding new events, programs, classes, and social services.

Goals

- Create a recruitment, onboarding, and training process for volunteers in various areas of Parks and Recreation Services.
- Work with Oregon Trail School District to develop a new facility use agreement.
- Explore ways to connect Sandy residents with aquatic opportunities for water safety purposes.
- Continue to innovatively and strategically grow special events, programs, and services while meeting cost recovery goals.
- Build upon the newly created Holiday Lights at Meinig Park to become a regionally recognized "Winter Fest" community event that involves community partnerships and participation.

Senior Services

Department Overview

The Senior Services Department is the centralized location for providing information, resources, nutrition, transportation, social services, and recreation opportunities for adults 60 years and better residing within the Oregon Trail School District (exclusive of the Hoodland area).

Increased issues surrounding the isolation of seniors in rural areas, nutritional risk, access to online resources, socialization and the need for mental health services are a priority. Many clients request aid for personal issues, and assistance for adult children is needed to navigate the complex system of care for their aging parents.

The Center reopened to the public in May 2022 after having been closed due to the COVID-19 pandemic and staffing constraints for over two years. During normal operations various community groups use the facility on an ongoing basis, including AA, VFW, scout groups, sports teams/groups, and fundraising committees. The building is often rented after regular hours of operations and weekends to private individuals for birthday parties, weddings, baptisms, showers, and funeral gatherings.

2021-23 Accomplishments & Highlights

- Since reopening in May 2022, nearly 2,500 participants have enjoyed senior trips, classes, and other services.
- Diversified revenue sources, analyzed new revenue streams, and hired a consultant to assist in developing a cost recovery policy where appropriate.

Goals

- Create a recruitment, onboarding, and training process for volunteers in various areas of Parks and Recreation Services.
- Integrate increased program/service collaboration with community business partners and various organizations to expand programs and services and fill identified gaps.

Parks, Buildings, & Grounds

Department Overview

The Parks, Buildings, & Grounds Department maintains and makes minor improvements to the City’s parks, open spaces, public spaces, and public buildings. These activities are funded primarily out of the General Fund. Three full time employees and a seasonal worker are responsible for nine city buildings and one rental dwelling; nineteen developed parks and public spaces totaling approximately 55.25 acres; 224.64 acres of natural and open space; 9.58 miles of trails including the popular Tickle Creek Trail; as well as various pedestrian paths, stairways, walkways, and trails. This program also utilizes local landscape contractors to perform regular maintenance at certain city facilities and public areas.

2021-23 Accomplishments & Highlights

- Incorporated biodiversity into our parks and green spaces.
- Created and implemented an integrated pest management policy.
- Completed projects at Meinig Park, including electrical upgrades and restoring pervious asphalt parking lot to address stormwater flooding issues.
- Completed repairs and upgrades to the Community Garden at Bornstedt Park.

Goals

- Continue the department’s efforts that support Bee City and biodiversity in our parks system and natural spaces.
- Complete upgrades to Sandy Bluff Park.
- Complete construction of the Community Campus Park Project, including conducting a naming process.
- Emphasize staff training such as acquiring a pesticide applicators license or apprenticeship.

BN 23-25 Budget Notes

- General Revenue allocation has increased to cover reallocated personnel costs, increased utility expenses for irrigation, splash pad, and the new community campus park, and equipment.
- Fines, Fees, & Assessments includes revenue from both the rental property in Bornstedt Park and fees to reserve the various facilities within the parks.
- Capital Outlay includes \$100,000 to add cameras in Meinig Park.

Planning

Department Overview

The Planning Department is responsible for reviewing development proposals and completing long-range planning projects such as municipal code updates and relevant long-range studies identified by Council such as the Comprehensive Plan. The department is committed to serving existing and future residents with wide-ranging planning services in the belief that a growing community can remain livable and meet the needs of all community members through thoughtful and inclusive community involved planning.

2021-23 Accomplishments & Highlights

- Increased fees to align more closely with cost recovery efforts for the Planning Department.
- Awarded a \$50,000 grant from the Department of Land Conservation and Development (DLCD) for the Comprehensive Plan.
- Completed the visioning portion of the Comprehensive Plan.
- Integrated House Bill 2001 and Senate Bill 458 into the Sandy Development Code.
- Removed Planned Developments (PDs) from the Sandy Development Code, completed code edits to the parkland development standards and industrial design standards, and started the clear and objective audit.
- Completed the Downtown Walkability Plan and Transportation System Plan.
- Worked with developers and Public Works to plat three subdivisions.
- Processed several development projects, including but not limited to Next Adventure Phase II, The Riffle food cart facility, Barlow Trail Veterinary Clinic, the Johnson RV expansion on 362nd Drive, Cedar Creek Heights Subdivision, Bull Run Terrace Subdivision, Ten Eyck Rim Subdivision, The Bornstedt Views Subdivision, Sandy Woods II Subdivision, and the State Street Homes mixed-use facility.

Goals

- Complete Envision Sandy 2050 and adopt the Comprehensive Plan update.
- Complete the clear and objective audit of the Sandy Development Code.
- Support the City Council in their goal to implement policy changes for new and emerging state regulations through code amendments that are responsible and reflect the community values.
- Work with the Economic Development Department to complete the Pleasant Street Master Plan.
- Adopt a revised violation schedule for the Sandy Municipal Code.
- Adopt a revised sign code and revised dark sky ordinance in Title 15 of the Sandy Municipal Code.
- Implement the Housing Production Strategy in accordance with House Bill 2003.
- Apply for a Safe Routes to School Grant with the Oregon Department of Transportation.
- Work with developers to plat subdivisions, construct apartments, and successfully open new commercial facilities while navigating the constraints of the moratorium.

BN 23-25 Budget Notes

- Anticipated one-time grant from the Department of Land Conservation and Development for \$40,000 to assist in expenses associated with the state mandated Housing Production Strategy that is due in 2025.
- General revenue increased to offset the decline in projected planning fee revenue and account for the continued expenses for long range planning efforts.
- Anticipated grant award of \$23,000 for the remaining portion of an already awarded grant for the Comprehensive Plan.
- Personnel Services includes the addition of a code enforcement specialist, reduction of one planner position, and the reallocation of FTE.
- Materials & Services reflect \$193,000 in expenses related to contractual services for updating the Comprehensive Plan, Clear and Objective Audit, and the Housing Production Strategy.

Building

Department Overview

The Building Department is committed to serving existing and future community members with comprehensive administration of building, plumbing, mechanical, and fire/life/safety codes as required by the State of Oregon. This division ensures that commercial and industrial buildings, residential dwellings, and public buildings such as schools are constructed in conformance with all regulatory codes to ensure continued safety and well-being for all people. Administrative staff also manage the business licensing program and other miscellaneous duties.

2021-23 Accomplishments & Highlights

- Increased fees to increase cost recovery for the Building Division.
- Adopted new code provisions in Chapter 15.04 of the Sandy Municipal Code.
- Inspected and approved occupancy for development projects, including but not limited to the Sandy Behavioral Health Center, Hood Street Daycare, FreeUp Storage, Mt. Hood Senior Living, Space Age Gas Station, Foothills Apartments, numerous covered structures, and over 110 single family homes.
- Launched the first online business license program in the City’s history.

Goals

- Continue to increase fees and look for opportunities to increase cost recovery for the Building Division.
- Implement electronic plan review by January 1, 2025, in accordance with House Bill 2415.
- Increase accessibility of regulations by creating a more robust FAQ on the City website and through the creation of more accessible punch lists for business owners and residents.

Economic Development

Department Overview

The Economic Development Department acts as a liaison between the business community and City Hall. The overall goal of this division is to facilitate growth and development of the local business community through business recruitment and retention, site acquisition, assistance with business financing, tourism development, development and management of grant programs targeting specific types of businesses, and the overall improvement/development of the downtown commercial area to attract and retain businesses.

2021-23 Accomplishments & Highlights

- Managed 27 urban renewal-funded business incentive grants, totaling nearly \$700,000.
- Worked with the Economic Development Advisory Board to develop the City’s first Economic Development Strategic Plan.
- Managed the downtown maintenance program to address encampments and public right-of-way maintenance.
- Represented the City in regional forums including the Highway 26 Steering Committee and Mount Hood Economic Alliance.

Goals

- Begin implementation of Economic Development Strategic Plan; recruit businesses to Sandy in alignment with the goals and strategies identified in the plan.
- Work with Council toward adoption and implementation of the Pleasant Street Master Plan.
- Facilitate business recruitment in new 362nd Avenue / Bell Street area.
- Continue downtown beautification and address vacant buildings.

Non-Departmental

Department Overview

The Non-Departmental Department includes expenditures that do not apply to a single department, and miscellaneous expenses that are not associated with any of the operating departments. Additionally, this department is responsible for expenses related to the City such as memberships and association fees. The department includes the General Fund (i.e., not allocated to specific programs) contingency account.

2021-23 Accomplishments & Highlights

- Funded two business grants to construct structures for outdoor dining at local restaurants.

Goals

- Continue to increase the overall contingency for the City to use as a rainy-day fund for unexpected expenditures.

BN 23-25 Budget Notes

- The Non-Departmental budget includes the receipt of American Rescue Plan Act (ARPA) funds for general revenue loss that have been allocated to Council priorities in the BN 21-23 biennium and available as a resource for general government purposes in the BN 23-25.
- Transfers include a proposed transfer to the Street Fund of \$600,000.
- Contingency maintained at 5% of general fund operating costs (\$1,150,000), as well as \$959,223 in unassigned funds.

Information Technology

Department Overview

The Information Technology (IT) department is responsible for supporting all City departments with the implementation and maintenance of technology needs. Infrastructure supported includes computer systems, Voice over IP (VOIP) phone system, and IP networks at each City facility, optically connecting all City facilities.

2021-23 Accomplishments & Highlights

- Implement two-factor authentication for all City devices.
- Made progress in securing systems and information and overall cyber security.

Goals

- Replace aging technology equipment to meet the overall needs of each department within the organization.
- Continue to focus on securing systems and information to prevent security breaches.

BN 23-25 Budget Notes

- Capital Outlay increased significantly to account for investment in critical infrastructure for the IT needs of the city which includes phones, switches, virtual server, firewall, and a backup system.
- Contingency is approximately 5% of the operating budget for the department.

Hoodland Library

Department Overview

The Hoodland Library became a branch of the Sandy Library after the passage in November 2008 of the county-wide Library Service District. The Hoodland Service Area extends from Wildcat Creek Road to the County boundary near Government Camp and houses over 5,700 unincorporated Clackamas County residents. The Hoodland Library resides in a rented space of 1,909 square feet and will be open this coming year 38 hours per week.

Like the Sandy Library, the Hoodland Library supports the community in its endeavors to create lifelong readers. Support is provided to help residents learn to read and write, develop the ability to find accurate information, and connect to the online world. The department delivers on its mission by offering traditional library services including reference assistance and materials for entertainment and study, as well as high speed internet access, downloadable e-books and e-audiobooks, databases, the ability to receive and send information online (such as tax forms, job applications, and photos), and staff to assist customers in using technology. Community members enjoy library space to sit quietly and read or study.

2021-23 Accomplishments & Highlights

- In 2022, nearly 1,000 attendees at just under 100 programs.
- Over 46,000 items were physically checked out in the prior year.

Goals

- Continue to regrow programs and attendance in a post-COVID-19 environment.
- Analyze collections for diversity, equity, and inclusion.
- Make progress towards the goal of every child in the Oregon Trail School District obtaining a library card.

Street Fund

Fund Overview

The Street Fund accounts for all things related to streets and transportation within the city limits. The fund is split into two departments: operations and capital improvements.

Operations

The Street Fund repairs and maintains more than 44.7 centerline miles of streets within the city limits. Street operating costs include power costs for street lighting and traffic signals (although ODOT is responsible for managing and maintain traffic signals). Major maintenance activities in Street Operations include traffic line painting (by contract) and parking lot stall striping, traffic control sign repair and installation, weed control in rights-of-way, snow and ice control, pothole patching, and street sweeping (by contract). In addition, Street Operations manages the City's traffic calming program, provides transportation-related comments on land use applications, and reviews street improvement plans for new development. Funding comes primarily from federal, state, and local fuel taxes.

The City uses Pavement Management System software to prioritize street maintenance projects based on a condition survey performed every five years. Using Local Option Fuel Tax revenue, the City strives to complete approximately \$250,000 to \$300,000 worth of street maintenance (asphalt overlays and surface treatments) projects annually. The annual amount of pavement maintenance work, (in miles or square feet for example) is difficult to quantify because some years may involve more costly maintenance over a smaller number of street sections, while other years may include relatively inexpensive treatments covering many streets. The goal of the program is to keep the Pavement Condition Index (PCI) at 80 or better.

Capital Improvements

New streets, street widening, intersection improvements, and other street capital projects are funded through system development charges (SDCs) from new development, cash contributions from developers, state and federal fuel taxes, loans, and grants. The Transportation System Plan (TSP), adopted in the 2011-13 biennium, identifies the long-term project needs for motor vehicles, bicycles, and pedestrians. An update to the current TSP is being managed by the Planning Department and will be completed in late 2023.

2021-23 Accomplishments & Accomplishments

- Completed construction of Ten Eyck / Vista Loop pedestrian improvement project.
- Completed design, right-of-way acquisition, permitting, and land use review of 362nd / Bell Street Extension project. Project started construction in Summer 2022 and is slated for complete in August 2023.
- Supported the TSP project and completed two traffic calming studies.

Goals

- Complete 9,345 feet of street surface treatment, rehabilitation, and overlays in summer 2023.

Transit Fund

Fund Overview

The Transit Fund accounts for all things related to Sandy Area Metro (SAM) transit services. This includes 3 fixed route services, in-town dial-a-ride service, out-of-town medical rides service, and a future intercity service to Clackamas Town Center.

Operations

The Transit Fund provides safe, reliable, and convenient transportation options for Sandy residents through the deployment of several types of service. For improved connectivity, SAM provides a critical link between Sandy and Gresham, as well as Sandy and Estacada with fixed route service. Each SAM route provides a quick and easy transfer with timed connections to TriMet in Gresham and Estacada and timed connections to Mt. Hood Express at the Sandy Transit Center. For in-town travel, SAM offers a fixed route on Highway 26 and a deviated route known as the Shopper Shuttle. The Transit Department also operates a dial-a-ride service, known as *SAMrides*. The dial-a-ride is an origin-to-destination service that is available everywhere in Sandy, as well as for trips that originate and terminate within a 3-mile radius of the center of town. *SAMrides* also provides complementary ADA service for qualified individuals who cannot access the fixed route. Additionally, Transit operates a non-emergency medical ride program for Sandy's frail and/or elderly community members, providing transportation for Sandy residents to out of town medical services that are not available within city limits. In the interest of collaboration and efficiency, this program also provides rides for frail and elderly community members who qualify through the Sandy Senior Center's transportation programs. SAM also has an administrative role in Mt. Hood Express and Villages Shuttle transportation services. These services connect to SAM at the Sandy Transit Center, providing transportation to the mountain communities as far as Timberline Lodge.

Capital Improvements

The Transit Department will lead a planning project for future improvements to the Sandy Operations Center, in collaboration with other City departments. These improvements include an architectural and engineering plan for a second administrative building and a maintenance bay as outlined in the Operations Center Master Plan. Transit will also upgrade the Sandy Operations Center to accommodate electric vehicles. This includes the ability to charge and maintain electric vehicles.

2021-23 Accomplishments & Highlights

- Procured new software to improve capability and customer experience of dial-a-ride services.
- Procured new transit intelligence services for the entire fleet, improving capabilities of the dial-a-ride service in partnership with Mt. Hood Express and other transit providers within Clackamas County. All SAM, MHX and other Clackamas County providers were included in the transition, making usage of "find your bus" apps the same for every passenger in Clackamas County.
- Developed a Capacity Plan for expansion and improvements of the Operations Center and a modernized fleet. Identified and secured funding for planning.
- Procured three new vans to replace aging vehicles in the current fleet.
- Collaborated with Clackamas County providers to identify an e-fares and/or fare sharing implementation plan and the development of an integrated webpage for planning cross-county travel. The planning stage is complete; the webpage is currently under construction and funding is secured for the implementation of mobile payments.

Transit Fund

- Identified and implemented route improvements as identified in the Transit Master Plan through the securement of funds for the new route to Clackamas Town Center and Saturday Shopper Shuttle (HB 2017 24-25 STIF Plan).
- Secured funding for 3 new all electric 35' Heavy Duty Transit Vehicles and necessary charging equipment and workforce development funds through a very competitive Federal Low or No Emission Grant Program.

Goals

- Increase ridership and community awareness of the Shopper Shuttle through marketing and the addition of Saturday service.
- Plan and implement a safe and efficient route to Clackamas Town Center.
- In collaboration with other City departments, develop an expansion plan for the Sandy Operations Center including architectural and engineering design for a shovel ready expansion project that can accommodate current and future space needs.
- Maintain and modernize facility infrastructure through maintenance and upgrades to the Sandy Operations Center. Upgrades will include structural repair and paint for exterior buildings and upgraded electrical capacity to accommodate electric vehicles.
- Modernize the Sandy fleet through procurement of three 35' electric heavy duty transit vehicles.
- Improve the Sandy Estacada route through expansion and interlined service.
- Implement mobile ticketing on Sandy's fleet in partnership with County providers for improved fare recovery and customer service across the County.
- Identify cost recovery and contract management strategies for the Department and conduct a Request for Proposals process for operations.

Aquatic/Recreation Center Fund

Fund Overview

The Aquatic/Recreation Center located on the Sandy Community Campus, is the site of the old Cedar Ridge Middle School, previously owned by the Oregon Trail School District. The City purchased the property from the District in March 2017 for \$3 million. Urban renewal funds were used to purchase the property. The Olin Bignal Aquatic Center began renovations in March 2018, and the pool opened under City management on July 7, 2018. The pool closed on May 31, 2019 pending further planning for the Community Campus. This Fund also accounts for the utility and building maintenance expenses related to the other buildings on the property.

2021-23 Accomplishments & Highlights

- The Pool Exploratory Task Force was formed and completed an evaluation of the aquatic center and provided recommendations on the future community aquatic needs.
- Recognizing the deterioration of the systems and structural integrity issues, and the substantial costs to fix and upgrade the pool, the pool was drained to reduce the costs associated with heating and maintaining the body of water.

Goals

- Develop and execute a path forward with the derelict buildings on the site.

Parks Capital Projects Fund

Fund Overview

The Parks Capital Projects Fund accounts for all capital projects related to parks within the City. The fund receives money from developers via payments in lieu of land dedication or parks systems development charges (SDCs). The fund is split into three departments: land, operations, and SDCs. The volunteer Parks and Trails Advisory Board meets monthly to discuss current park issues and to provide input to Council and staff on plans for future park improvements.

Land

Residential developers are required to either dedicate land for parks or pay a fee in lieu of land dedication. The City decides whether to require land dedication or fee payment based on the proximity of existing parks to the development site or the size or quality of land available on the development site. The land area requirement is based on a formula and national standards for park land area per capita. The fee amount is based on the value of residential land in Sandy. These components are reviewed periodically.

Operations

This department was created in BN 17-19 to account for expenses incurred by staffing and supporting the Parks Advisory Board. During that biennium there was a small transfer to this department from the General Fund to cover the costs of an associate planner to assist with parks planning.

System Development Charges (SDC)

SDCs are fees that are collected when new development occurs in the city and used to fund new or expansion of parks, which includes trail expansion and park facilities. In addition, the City actively seeks grant money to fund parks projects.

2021-23 Accomplishments & Highlights

- Completed the update to the Parks and Trails Master Plan.
- Updated and implemented the Parks System Development Charge and Fee-in-Lieu methodology.
- Continued efforts for visioning of the Community Campus Park and developed a plan for development of a 10.5-acre park at the site to include a pump track, skate park, playground, parking lot, and walking path.

Goals

- Continue to engage the Community Campus Visioning Subcommittee to further the conversation regarding the future of the front half of the Community Campus property.
- Complete the connector trail from the Community Campus Park down to Sandy River Park.
- Develop the community park at the Community Campus.
- Prioritize the planning and development of Deer Point Park if funding is available.
- Research and act of the purchase of parkland for future park facilities and/or natural area and open space preservation.

BN 23-25 Budget Notes

- Capital Outlay in the Land division is for the possible purchase of future athletic fields or natural areas and open space preservation per the City Council's goal.
- Capital Outlay in the SDC department is for the construction of various parks, including \$1.8 million for the Community Campus, \$1.5 million for Deer Point, and \$200,000 for Meinig Park and trail development.

Sewer Bond Reserve Fund

Fund Overview

The Sewer Bond Reserve Fund is a debt service reserve fund. The fund was created to retire the debt from the existing wastewater treatment plant which was financed with a 40-year USDA Rural Development loan. The USDA debt was retired in August 2021.

Budget Summary & Detail

	BN 17-19 Actual	BN 19-21 Actual	BN 21-23 Budget	BN 23-25 Proposed

Full Faith & Credit Fund

Fund Overview

The Full Faith & Credit Fund is a debt service fund. The fund was created to account for all debt service related to long-term debt issued to the Sandy Urban Renewal Agency (SURA). Funds are transferred in from the Urban Renewal Agency Fund.

Water Fund

Fund Overview

The Water Fund accounts for all activities related to supplying residents with clean and safe water for domestic use and fire protection. The fund is split into two departments: operations and capital.

Operations

The Water Fund operates, maintains, and improves the water treatment, transmission, and distribution systems. These functions include everything from water treatment to meter reading and billing. The treatment system consists of a 2.6 million gallons per day (MGD) rapid sand filtration plant at Alder Creek, and a spring source rated at 0.5 MGD. In addition to these sources, the City purchases 500,000 gallons of water per day from the Portland Water Bureau (with capacity to deliver up to 3 MGD from this source). The City contracts for operations, maintenance, and management of the treatment plant, springs source, and pump stations with Veolia Water.

The transmission and storage system consists of three finished water pumping stations, five reservoirs (totaling 4.75 million gallons of storage) and twelve miles of 16" through 24" pipe. The distribution system contains more than 67 miles of 4" through 12" pipe, more than 4,170 customer meters, twelve pressure regulating stations, and over 420 fire hydrants. The utility also serves over 105 residences and businesses outside the City and three wholesale customers located along the transmission lines.

Capital Improvements

Capital Improvement projects planned for the water system during this biennium include the Sandy to Portland Filtration Plant Water Transmission System design and immediate need improvements, and condition assessment of the Alder Creek Water Treatment Plant. In addition, the City will begin Program Management of the Drinking Water Reinvestment Program. The City will also complete the lead service line inventory and mapping that is required by the federal government to be complete by October 2024.

2021-23 Accomplishments & Highlights

- 446,000,000 gallons of water were produced and delivered to over 4,171 residential, commercial, and industrial accounts and three wholesale customers in 2022.
- Completed and adopted updated Water Master Plan.
- Applied for Drinking Water State Revolving Fund, Special Public Works Fund, and state grants to fund the Drinking Water Reinvestment Program.
- Negotiated new 30-year wholesale water rates with Portland Water Bureau.
- Designed and Constructed Repairs to Sandercock Reservoir.
- Completed Rehabilitation and Repair of Alder Creek Filters 1 and 2.
- Project Poseidon district metering/pressure regulating and leak detection.
- Selected Stantec as Drinking Water Reinvestment Program Manager and began program management activities.
- Tracked 1,258 backflow assemblies.
- Completed Lead and Copper Sampling.
- Cleaned two reservoirs.
- Completed one emergency curtailment exercise.
- Completed emergency ICS level 300 training for four City Staff.

Water Fund

Goals

- Complete database of lead inventory of private supply lines and publish system wide map.
- Complete negotiation and adoption of the new 30-year Wholesale Water Agreement with Portland Water Bureau.
- Complete design of Sandy to Portland Water Transmission System to connect to the new Bull Run Filtration Plant and the Columbia Wellfield.
- Complete immediate needs improvements at Alder Creek Water Treatment Plant and Condition Assessment.
- Complete Drinking Water Reinvestment Program Management Plan.
- Advertise RFP for Operations and Maintenance services for Sandy Drinking Water Treatment System and execute new five-year contract.

BN 23-25 Budget Notes

- Fines, Fees, & Assessments includes an 36% rate increase in both years.
- Personnel Services reflects the addition of the new FTEs apportioned to the Water Fund.
- Materials & Services includes expense associated with contracting for treatment plant services from Veolia Water.
- Capital Outlay is for the Water System Reinvestment project which includes the new pipeline to the Portland Filtration Plant and investments in the City's Alder Creek Treatment Plant.

Wastewater Fund

Department Overview

The Wastewater Fund accounts for all activities related to wastewater collection, conveyance, and treatment. The fund is split into two departments: operations and capital.

Operations

The Wastewater Fund operates, maintains, and improves the wastewater collection, conveyance, and pumping and treatment systems. The treatment system consists of a 1.25 million gallons per day (MGD) advanced tertiary treatment plant. The City contracts with Veolia Water for operation and maintenance services at the treatment plant. Ultraviolet disinfection is used on the treated effluent to eliminate any risk of chlorinated discharges to Tickle Creek. The City runs an innovative and award-winning Class B recycled water program partnering with a local nursery during May through October, eliminating the need to discharge to Tickle creek during low flow months.

The collection system is comprised of over 48.3 miles of 4” through 21” pipe and six pump stations. Prior to improvements in recent years, Sandy’s collection system had significantly deteriorated over, allowing rainfall and groundwater to enter the system and periodically overwhelm the treatment plant’s capacity. To mitigate these and other issues, the Sandy Clean Waters Program targeted rehabilitation of the four oldest and leakiest collection system basins. These efforts have achieved marked reduction in rainfall-derived infiltration and inflow (RDII) into the system.

Capital Improvements

Historic reinvestment is occurring with regard to capital improvement projects for the existing wastewater treatment plant and collection system. These projects, collectively referred to as Phase 1A of the Sandy Clean Waters Program, will conclude in the current biennium. Additional capital expenditures include work on subsequent phases of the wastewater system improvement program, including permitting and design work for the treatment plant expansion and proposed Sandy River outfall.

2021-23 Accomplishments & Highlights

- Completed collection system design and construction, and private lateral rehabilitation, for Basins 2, 6, 7, and 8.
- Completed design and construction of Phase 1A Immediate Needs Improvement Project at the Wastewater Treatment Plant.
- Completed \$200,000 in RRM small improvements at the Wastewater Treatment Plant.
- Completed Sampling and Stress Testing of Wastewater Treatment Plant.
- Completed flow monitoring and validation testing of RDII reduction, achieved through collection system rehabilitation projects.
- Launched Manhole Grouting Program.
- Submitted NPDES permit application form 2A for Sandy River Outfall.
- Advertised and selected consultant for Facility Plan Amendment; Began work on Amendment.
- Advertised and selected Program Management Consultant for Phase 1B of Sandy Clean Waters.
- Awarded \$14.7M ARPA grant; began work related to this grant.
- Completed and executed second \$46 Million Clean Water State Revolving Fund loan application.
- Submitted WIFIA \$49.9 million loan application.
- Cleaned 8 miles of collection system piping.
- Connected SandyNet Fiber to the Wastewater Treatment Plant.

Wastewater Fund

Goals

- Complete Stress Testing and Comprehensive Capacity Evaluation to re-rate existing wastewater treatment plant.
- Complete Wastewater Facilities Plan Amendment.
- Continue to progress the Sandy River Outfall NPDES permit application process.
- Complete smoke testing and CCTV investigation of remaining six basins (Basins 1, 3, 4, 5, 9, and 10) and identify Category 4 and 5 defects.
- Close on WIFIA loan.
- Launch CMOM program.
- Begin design of Phase 1B upgrades.
- Identify and progress RRM improvements at wastewater treatment plant.
- Advertise RFP for operations and maintenance services for the wastewater treatment plant and execute a new five-year agreement.
- Connect final two remote pump stations to City fiber network.
- Clean 10,000 lineal feet of collection system piping annually.

BN 23-25 Budget Notes

- Fines, Fees, & Assessments includes a 16% rate increase in years one and two.
- Personnel Services reflects the addition of the new FTEs apportioned to the Wastewater Fund.
- Loan proceeds includes a portion from two financings: a \$46 million Clean Water State Revolving Fund Loan and \$49.9 million Water Infrastructure Finance and Innovation Act (WIFIA) loan.
- Materials & Services includes expenses associated with contracting for treatment plant services from Veolia Water.
- Fund Balances reflect the building up of funds for future capital and maintaining minimum debt coverage ratios.

Stormwater Fund

Fund Overview

The Stormwater Fund accounts for expenses related to operations and maintenance of the City's stormwater system. The fund is split into two departments: operations and capital. In order to balance the stormwater budget for the upcoming biennium a \$3.00 per month increase in the stormwater rate per ERU is assumed. The monthly charge per Equivalent Residential Unit (2,750 sq. ft. of impervious surface roughly equal to the impervious surface on a typical single-family dwelling site) would increase from \$5.00 per month to \$8.00 per month. This is necessary to pay off new debt service required for the Strawbridge Parkway emergency repair that occurred in June 2022, and to structurally stabilize the fund.

Operations

The Stormwater Fund operates and maintains the stormwater system which consists of catch basins, manholes, pipes, culverts, ponds, swales, and open channels. As 'soft path' stormwater management techniques become more common, stormwater facility maintenance becomes more labor-intensive. Swales, detention ponds and basins are now elaborately landscaped - for aesthetics and for stormwater treatment. Regular site visits and semi-annual pruning and weeding of these facilities are required.

Capital Improvements

The City does not have a System Development Charge (SDC) for Stormwater. Since all new development must detain and treat any runoff greater than the pre-development condition, nearly all stormwater improvements are intended to deal with runoff from property developed prior to detention and treatment requirements. SDCs may not be used for repairs to existing facilities or to address issues related to existing development. The City intends to draft a Stormwater Master Plan that would identify deficiencies, needs, and a capital improvement plan.

2021-23 Accomplishments & Highlights

- Emergency fix to the Strawbridge Parkway stormwater line and additional liner repair on Tupper Road.
- Completed City of Sandy Mercury Update for Sandy River and Willamette River Total Maximum Daily Load Implementation Plan.
- Removed overgrown and invasive vegetation from nine stormwater detention basins.
- Cleaned over 750 catch basins and over 50,000 lineal feet of storm line each year.

Goals

- Complete Five-Year Update of Sandy River and Willamette River Total Maximum Daily Load Implementation Plan.
- Replace 25% of Contech filters each year.
- Continue to clean all catch basins, filters, and treatment structures every two years.
- Manage vegetation (using hand trimming, pruning and removal) in stormwater treatment facilities. for enhanced flow and aesthetics.
- Begin Stormwater Master Plan.
- Complete rate study to put the fund on a cost recovery plan.

BN 23-25 Budget Notes

- Fines, Fees, & Assessments reflects a \$3.00 per month increase in utility rates in year one, and an additional \$2.00 per month increase in year two.
- Debt service includes the annual payments to the Wastewater Fund for a \$400,000 interfund loan issued in fiscal year 2023 for the Tupper Park and Strawbridge Parkway emergency repairs.

Telecommunications Fund

Fund Overview

The Telecommunications Fund accounts for the operating and maintaining of the City’s SandyNet utility, which includes the fiber-to-the-home network. The fund is split into two departments: operations and capital.

Operations

SandyNet is the City’s municipal internet service utility. The purpose of SandyNet is to provide fast, reliable, and affordable internet connectivity to community members and businesses in the Sandy area. This is accomplished by using a variety of technologies including wireless, fiber optic, and copper networks.

Capital

Capital improvements planned in this budget include the expansion of the SandyNet Fiber network into new developments, as well as replacing datacenter and in-home electronics to support today’s higher demands. Network infrastructure upgrades are also forecasted.

2021-23 Accomplishments & Highlights

- Enrolled in FCC’s Affordable Connectivity Program to offer rate assistance to qualifying households.
- Upgraded core network to support future bandwidth demands.
- Entered into two intergovernmental agreements with Clackamas Broadband eXchange (CBX) to:
 - offer business level service around Clackamas County, and
 - offer rural broadband to specific underserved areas in the Sandy area.
- Began to phase in XGS-PON for future speed tiers.
- Implemented IPv6 to core network.

Goals

- Keep up with service demand as new developments are constructed.
- Work with rental companies and deploy PON technologies to multiple-dwelling-units.
- Work with other entities to help eliminate the “digital divide” in and around Sandy.
- Begin to phase out old fiber network technologies.
- Continue to replace aging modems in customer homes.
- Complete SandyNet Master/Business Plan.

Performance Measures

	2017	2018	2019	2020	2021	2022

Operations Center Internal Service Fund

Fund Overview

The Operations Center Internal Service Fund accounts for all resources and requirements related to the Operations Center building, which houses the Transit, Public Works, and Parks departments. Each fund pays into the internal service fund based of the number of square feet that is occupied by its various users.

Facilities Maintenance Internal Service Fund

Fund Overview

The Facilities Maintenance Internal Service Fund accounts for repairs, maintenance, and replacement of City owned buildings. Transfers are received from other City funds whose departments are housed in City buildings that are open to the public. Contributions are based on a percentage of the department's budget.

Budget Summary & Detail

	BN 17-19 Actual	BN 19-21 Actual	BN 21-23 Budget	BN 23-25 Proposed
Beginning Balance	220,000	330,000	299,230	395,566
Transfers	110,000	110,000	110,000	110,000
Total Resources	330,000	440,000	409,230	505,566
Materials & Services	-	92,984	250,000	300,000
Contingency	-	-	159,230	205,566
Total Requirements	-	92,984	409,230	505,566

BN 23-25 Budget Notes

- Materials & Services includes major repairs and maintenance of various City facilities, including new roofs on the Senior Center, Police Department, and HVAC upgrades at the Operations Center.

Capital Improvement Projects

2023-2025 Budgeted Capital Improvement Projects

The city's budgeted capital improvement projects for the 2023-2025 is listed below. The total for the biennium is approximately \$35.6 million. Capital expenditures are defined as assets with an initial, individual cost of \$5,000 or more, and have a useful life extending beyond a single reporting period.

The five-year capital plan incorporates the capital improvement plans from the City's utility master plans. The Transportation System Plan is still in progress, and efforts will be made to develop a Telecommunications Master Plan over the next two years. The Wastewater System Facilities Plan will be amended this year with anticipated changes to the forecasted project cost and preferred alternatives for the system expansion and new discharge. The five-year Capital Improvement Plan will be updated once the Master Plans are completed.

Five Year Capital Improvement Plan							
Fund	Project	Funding Source	FY 2024	FY 2025	FY 2026	FY 2027	FY 2028
General	Computer equipment	General revenue	32,900	73,000	-	-	-

NOTES:

- 1 Allocated based on a combination of staff and operating budget of direct service programs.
- 2 Operation Center costs allocated based on square footage used by various departments, adjusted for administrative oversight.
- 3 Half of all City Hall costs (utilities, etc.) allocated only to departments in City Hall; half allocated to all direct service programs.

Financial Policies

CAPITAL ASSETS POLICY

This policy provides guidelines to ensure that items are capitalized and depreciated in a consistent manner and adheres to the Generally Accepted Accounting Principles. The prime purpose is to maintain physical accountability over the assets owned by the City.

1. This policy applies to all Departments of the City of Sandy.
2. Capital assets are assets that 1) are used in operations and 2) have an initial useful life more than one (1) year.
3. *a. Purchases:* An original unit cost greater than or equal to \$5,000, including ancillary costs necessary to place the asset into its intended location and condition of use.
b. Leases: An original unit cost greater than or equal to \$25,000, including ancillary costs necessary to place the asset into its intended location and condition of use.
4. Assets acquired for sale or investment do not qualify as capital assets.
5. All assets are recorded at historical cost as of the date acquired or put in operational use.
6. Repair and maintenance are costs incurred to keep an asset in its normal operating condition and the life of the asset is not exceeded.
7. Asset Classes:
 - i. Land
 - ii. Buildings
 - iii. Improvements
 - iv. Infrastructure
 - v. Vehicles
 - vi. Furniture and equipment
 - vii. Other capital assets (intangible)
 - viii. Construction in progress
8. Depreciation Method: The City will utilize the straight-line method for depreciation. Equal periodic depreciation charge is therefore recognized over the life of the capital asset.
9. Useful Life: The Finance Department will use the estimated useful life of assets as follows:

• Land	N/A
• Buildings	40 years
• Improvements	7 - 20 years
• Infrastructure	10 - 50 years
• Vehicles	5 - 10 years
• Furniture and equipment	5 - 20 years
• Other capital assets (intangible)	5 - 10 years
• Construction in progress	N/A

FUND BALANCE POLICY

In accordance with GASB 54, balances within funds are categorized as follows:

1. Non-spendable: A portion of net resources that cannot be spent because of their form and/or cannot be spent because they must be maintained intact.
2. Restricted: Limitations imposed by creditors, grantors, contributors, or laws and regulations of other governments. Limitations may also be imposed by law through constitutional provisions or enabling legislation.

Financial Policies

3. Committed: Limitation imposed at the highest level of decision making that required formal action at the same level to remove.
4. Assigned: City Council has designated decision making authority to some other body designated for that purpose or by official designated for that purpose. Less formality is necessary in the case of assigned fund balance.
5. Unassigned: For the general fund, this classification represents fund balance that has not been assigned to other funds and that has not been restricted, committed, or assigned to specific purposes within the general fund. The general fund should be the only fund that reports a positive unassigned fund balance amount. The total fund balance in the general fund in excess of other categories is known as surplus. In other funds, if expenditures incurred for specific purposes exceed the amounts restricted, committed, or assigned to those purposes, it may be necessary to report a negative unassigned fund balance, or deficit.
6. Order of spending resources: When both restricted and unrestricted resources are available for use, it is the City's policy to use restricted resources first, then unrestricted resources (committed, assigned, and unassigned) as they are needed. When unrestricted resources are available for use it is the City's policy to use committed resources first, then assigned, and then unassigned as they are needed.

GENERAL FUND RESERVE POLICY

The General Fund shall have a reserve balance of at least five percent (5%) of operations. This reserve will be accounted for in the Non-Departmental departmental. The intent of this reserve is to:

1. Retain adequate reserves for operational purposes for a period of two months, and
2. Generate interest income; and
3. Reduce the need for any short-term borrowing.

INVESTMENT POLICY

1. City of Sandy's funds will be invested in accordance with the provisions of, but not limited to, all current and future applicable Oregon Statutes. The City will conform to all federal, state, and other legal requirements.
2. City of Sandy's invest objectives are as follows:
 - i. Preservation of capital and protection of investment principal by mitigating credit risk and interest rate risk.
 - ii. Maintenance of sufficient liquidity to meet operating requirements that are reasonably anticipated by structuring the portfolio so that securities mature concurrent with cash needs to meet anticipated demands.
 - iii. Diversification to avoid incurring unreasonable risks regarding specific security types or individual financial institutions.
 - iv. Attainment of a market value rate of return throughout budgetary and economic cycles.

Glossary

Accrual basis - A method of timing in the recognition of transactions and events. Please see Modified accrual basis for the alternative method. Accrual basis records revenue when earned and expenses as soon as a liability is incurred.

ACFR - The Annual Comprehensive Financial Report, the audited report of the City's finances for any given fiscal year.

Adopted Budget - The final budget appropriations approved by the City Council, which becomes the budget of the City.

Approved Budget - The budget recommended by the Budget Committee for adoption by the City Council.

Appropriation - Authorization to spend a specific amount of money. The City Council gives appropriation authority by adopting the budget.

Assessed value - The value set on real and personal property as a basis for imposing taxes. Assessed values are determined by Clackamas County.

Audit - An official inspection of an organization's accounts by an independent body.

Balanced Budget - A budget in which total revenues are equal to expenditures.

Biennial - A time frame of two years. This is the length of time that the City budgets for, which includes two fiscal years.

Budget - A plan of financial operation embodying an estimate of proposed expenditures for a given purpose and/or period. The budget is the financial plan of the City's allocations of the resources to provide services, and to accomplish the City's objectives.

Budget Calendar - Key dates or events which a government follows in the preparation and adoption of the budget.

Budget Committee - A committee required by Oregon Local Budget Law (ORS 294.305) which must recommend a budget and approve the maximum tax levy.

Budget Message - A written explanation of the budget and the City's financial priorities presented to the Budget Committee by the City Manager, which is required by Oregon Local Budget Law, ORS 294.

Budget Officer - The City Manager or other person appointed by the City Council to prepare the proposed budget. This designation is required by Oregon Local Budget Law (ORS 294.305)

Capital Lease - Lease of a capital asset. The lease may or may not result in the City's ownership of the item at the end of the lease term.

Capital Assets - Items which have a useful life of at least one year and a cost of \$5,000 or more. These include land, infrastructure, buildings, improvements other than buildings, vehicles, and certain furniture and equipment.

Capital Improvement Plan (CIP) - A schedule of planned capital projects and their costs, for three or more years.

Capital Outlay - Expenditures for capital assets. Includes all purchased capital assets. Expenditures for constructed capital projects appear in capital outlay, materials and services, and reimbursements, depending on the nature of the expenditure.

Capital Projects - Projects which purchase or construct capital assets. Typically, a capital project encompasses a purchase of land and/or the construction of a building or facility.

Contingency - An amount appropriated in anticipation that some operating expenditures will become necessary which cannot be foreseen and planned in the budget.

Glossary

Debt Service - Principal and interest payments on long-term debt.

Department - Units within a division consisting of one or more.

Depreciation - A reduction in the value of an asset with the passage of time.

Enterprise Fund - A fund that accounts for operations that are financed and operated in a manner similar to private business enterprises. They are usually self-supporting. The City's enterprise funds are the Water, Sewer, Stormwater and Telecommunications funds.

Fiscal Year - A twelve-month period which runs from July 1 through June 30.

Franchise Fee - Fees charged to utilities for the use of public right-of-way. Examples include electricity and natural gas.

FTE - Full-Time Equivalent - A part-time position converted to the decimal equivalent of a fulltime position based on 2,080 hours per year.

Fund - A fiscal and accounting entity, segregating resources for the purpose of carrying on specific activities in accordance with legal restrictions.

Fund Balance - The amount of available, spendable, financial resources in any given fund at a specified date.

GASB - The Governmental Accounting Standards Board, the body that defines generally accepted accounting principles for governments.

General Fund - The City's primary operating fund. There are no restrictions as to the purpose in which the revenues in this fund can be used.

Goal - A statement of direction, purpose or intent based on the needs of the community, generally to be completed in a specified amount of time.

Governmental Fund - A fund that accounts for operations that are financed and operated

through tax supported activities, for example, property taxes and franchise fees. The City's governmental funds include the General, Street, and Transit funds.

Grant - A donation or contribution by one government unit or organization to another. This is usually made to aid a specified purpose.

Infrastructure - Infrastructure are assets that are immovable and of value only to the City. It includes roads, curbs and gutters, sidewalks, drainage systems, and water and sewer systems.

Interfund Loan - A loan made by one fund to another and authorized by the City Council.

Materials and Services - Expendable items purchased for delivery of services. This includes supplies, repairs, maintenance, and replacement parts that are not of capital nature.

Modified Accrual - A method of timing in the recognition of transactions and events. Please see Accrual basis for the alternative method. Modified accrual basis records revenue when earned, if they are collectible within the period or soon enough afterwards to be used to pay liabilities of the period. Expenditures are recorded when a liability is incurred except that debt service payments and other specific accrued liabilities are recognized only when payment is due.

Operating Budget - Sources and uses necessary for day-to-day operations.

Ordinance - A formal legislative enactment by the governing body of a municipality. If it is not in conflict with any higher form of law, such as a state statute or constitutional provision, it has the full force and effect of law within the boundaries of the municipality to which it applies.

ORS - Oregon Revised Statutes, laws of the State of Oregon.

Glossary

Performance Measure - Data collected to determine how effective or efficient a program is in achieving its objectives.

PERS - Acronym for Public Employees Retirement System. A State of Oregon defined benefit pension plan to which both employees and employer contribute.

Personnel Services - Expenditures for payroll, payroll taxes, and employee benefits.

Project - Projects are distinct, with a definable result, process, and beginning and end. Projects are capital or operating.

Property Tax Levy - Based upon the assessed value of property and is used as the source of monies to pay general obligation debts and to support the general fund.

Proprietary Fund - See "Enterprise Fund" above.

Reserved for Future Use - An amount budgeted, but not appropriated, that is not anticipated to be spent in the fiscal year, but rather carried forward into future fiscal years.

Resolution - An action by the governing body which requires less formality and has a lower legal status than an ordinance.

Resources - Financial resources that are or will be available for expenditure during the fiscal year.

Revenue - The gross receipts and receivables that the City receives such as: tax payments, licenses, fines and forfeitures, grants and interest income.

System Development Charges (SDC) - Fees charged upon issuance of building permits to offset the cost of infrastructure improvements that are or will be required to provide capacity to serve the development. SDC's are charged for parks, water, sewer, storm, and streets.

Supplemental Budget - Appropriations established to meet the needs not anticipated at the time the budget was adopted.

Transfers - Amounts moved from one fund to finance activities in another fund, with no requirement of repayment.

Unrestricted Revenue - Revenue that may be used for any legitimate City purpose. See "Financial Policies."

URA - The City of Sandy Urban Renewal Agency. The Agency is a municipal corporation distinct from the City. The Sandy City Council serves as the Board of Directors for the URA, as well as a member of the Sandy Area Chamber of Commerce and the Sandy Fire District. Its' budget may be obtained from the City of Sandy.

User Fees - Fees charged for services to a person who directly benefits from the service.

Uses - The ways in which financial resources will be used during the fiscal year.
