Citizen Advisory Committee

A successful process must create a **shared sense of ownership** among the Sandy community.

The CAC will meet 8 times, representing a broad cross-section of **community members**.

The CAC will:

- Review and comment on work products
- Guide public outreach and engagement efforts
- Act as liaisons to specific constituencies or interest groups
- Encourage community members to participate in the process
- Act as champions of the Envision Sandy 2050 process

Public Involvement Plan

Public Involvement Plan

Guide public and stakeholder interactions with the intention of creating opportunities for discussion, knowledge sharing, and problem - solving with community members.

Using the Public Involvement Plan to Guide Community Visioning:

- Provide input about community values and preferences alongside technical analyses

Objectives

- **Inform** the community with timely, transparent, and accurate information.
- **Consult** and involve the community in the identification, refinement and prioritization of policy updates needed to guide growth and development in Sandy over the next 20 years.
- **Ensure** community members understand how decisions are made, feel that their concerns are heard, and know how their feedback influenced decisions.
- **Partner** with City and agency representatives to ensure officials are engaged in the planning process and key decisions.
- **Reach** a diversity of stakeholders who reflect Sandy's greater community by employing accessible and appropriate tools and technologies to inform and engage the community.

Key Messages

- The Comprehensive Plan sets out a series of goals and policies that will guide growth and development in our community over the next 20 years.
- The 2050 Comprehensive Plan will reflect our community's vision and priorities.
- The City of Sandy is committed to an inclusive and transparent planning process. Community engagement is crucial to guide the development of a representative, sustainable plan.

Engagement Activities

Activities will focus on going to “where people are” including:

1

Community
Conversations

2

Community
Events

3

Online Survey
and Photo
Submissions

4

Open Houses

Communication Tools

Key communication tools and channels:

- *Sandy-Speaks* Project Website
- *Sandy Source* Newsletter
- Print materials
- Social media

Phase 1: Develop the Sandy 2050 Vision

Phase 1 will be **highly visible and interactive** with the community.

The purpose of these activities is to understand **community desires, preferences, and priorities** about the **future of Sandy**.

These values will be synthesized into themes that will constitute a **Vision Statement** for the Sandy Comprehensive Plan.

Key Questions:

- *Where are we now?*
- *Where are we going?*
- *Where do we want to be?*
- *How do we get there?*
- *Who should be engaged?*
- *How do you like to be involved?*

Community Conversations

Why did you choose to live/work in Sandy?

What makes Sandy special today?
What should we strive to preserve or enhance?

What about Sandy would you like to change in the future?
What can improve?

What people, groups or communities should we contact to make this
an inclusive process?

In what ways would you like to participate in the
Envision Sandy 2050 process?
