*We were invited by Ant Farm to join a Nuevo Futuro educational event at Vista on June 9th. We used the opportunity to interview residents about Sandy's future, and do coverage of the event and its Public Service Announcement.*

## Themes so far from Spanish Speakers:

**Why Sandy:** Quiet, calm, clean, pretty, close to work.

**What's Special:** Friendly, community feel, little crime and violence, feels united.

**Changes or Improvements:** More parks & basketball courts, more transportation options, more police & security, address the homeless that have recently been arriving, better roads, more activities/amenities for families, a community pool, more signs in Spanish, more Spanish library books.
