Event Notification Letter

This letter is to advise you that the City has granted the Sandy Mountain Festival a Temporary Use Permit to operate a carnival during the Sandy Mountain Festival between July 9 – July 12, at 38600 Proctor Blvd. on the AntFarm property (see map on second page).

The carnival will commence at 5:00 PM on Thursday July 9 and conclude at 5:00 PM on Sunday July 12, while running until 10:00 PM on Thursday, Friday, and Saturday nights. There will be a variety of entertainment and attractions including rides, games, and food.

Scales Avenue will be closed from July 6 through July 13 from Proctor Blvd. to Pioneer Blvd. Barricades will be set up at each intersection and “Road Closure” and no “Left Turn” signs will be set up in multiple locations leading up to Scales Avenue. No other traffic circulation issues are anticipated. City Council granted the Mountain Festival Carnival a noise exemption to operate until 10:00 PM for July 9 through July 11.

There will also be a laydown lot located at 38922 Pioneer Blvd., which is a designated, non-public area used for the storage, setup, and maintenance of carnival equipment. It serves as the logistics hub where ride components, game stalls, food stands, vehicles, and trailers are stored when not in use. The laydown lot will also act as workers’ quarters, which will be in the form of RVs, for the duration of the carnival.
