

# Hillside Development Overlay District Map

- Urban Growth Boundary
- City Limits
- Section
- Parcel
- Flood and Slope Hazard (FSH)  
Overlay District
- Slopes  $\geq 25\%$  (FSH-Metro 1996)  
USGS (Registers 7.5 minute quad)

Disclaimer: Information shown on this map is for planning purposes only. Slope information is approximate and subject to change. There may be unmapped slopes greater than 25% that are subject to regulation. Actual field conditions determine ground slope. For regulatory questions, please contact the Oregon Department of State Lands and the U.S. Army Corps of Engineers.
