

STATEMENT FROM POLICE CHIEF HUSKEY

May 31, 2026

“While this is still an active investigation, and there is much we cannot share at this time, I want to provide a brief update to our community.

Shortly before 4 p.m. today, officers with the Sandy Police Department and deputies with the Clackamas County Sheriff’s Office responded to a report of a domestic disturbance and shooting in the 39000 block of Evans Street in Sandy. During the response, officers and deputies came under gunfire and returned fire.

At this time, I can confirm:

- One officer was shot, evacuated from the scene, and transported by Life Flight with multiple gunshot wounds. The officer is in stable condition, and I am extremely thankful that I can tell you that they are expected to survive.
- There are multiple victims deceased at the scene.
- The suspect was taken into custody, just before 8 p.m., after they surrendered to law enforcement. They were taken into custody unharmed.
- There is no ongoing threat to the community.

I understand everyone wants answers and information right now, but this remains a very dynamic and active investigation. I can tell you that investigators from the Clackamas County Sheriff’s Office and the Clackamas County Major Crimes Team are working to process the scene, conduct interviews, and to get the answers our community deserves.

This is a traumatic event for our community, and the Sandy Police Department. I know many people are grieving. I ask everyone in our community to keep the victims, our injured officer, their families, friends and all of the first responders in their thoughts tonight.”
