THIS LOAN AGREEMENT (“Agreement”) is made and entered into as of the date (“**Effective Date**”) it is fully executed by both parties (and in the case of the State, approved by the Attorney General's Office, if required) and is by and between the **State of Oregon, acting by and through its Department of Environmental Quality (“DEQ”)**, and the **Borrower** (as defined below). Unless the context requires otherwise, capitalized terms not defined below shall have the meanings assigned to them by ARTICLE 9 of this Loan Agreement. The reference number for the Loan made pursuant to this Loan Agreement is Loan No. R80942.

DEQ agrees to make, and Borrower agrees to accept, the Loan on the terms and subject to the conditions set forth below.

ARTICLE 1: THE LOAN - SPECIFIC TERMS

DEQ agrees to make the Loan on the following terms and conditions:

- (A) **BORROWER:** City of Sandy
- (B) **BORROWER'S ADDRESS:** 39250 Pioneer Blvd
Sandy, Oregon 97055
- (C) **LOAN AMOUNT:** \$5,675,000
- (D) **TYPE AND PURPOSE OF LOAN.** The Loan is a "Revenue Secured Loan" made by DEQ pursuant to OAR Section 340-054-0065(2) for the purpose of financing the Project.
- (E) **PROJECT TITLE:** WWTP Condition Assessment and Collection System

(F) **DESCRIPTION OF THE PROJECT:** City of Sandy (City) will improve existing wastewater treatment plant (WWTP) including repairing or replacing the existing fine screen, replacing the existing grit removal system, replacing two of the four aeration blowers, repairing the mechanisms within the existing two secondary clarifiers, and replacing the UV disinfection system. All of these replacements will be within the existing footprint of the wastewater plant; assess and repair as needed the current collection system including designing and constructing repairs and rehabilitation of public sewer pipes and laterals in the existing public right-of-way in

Sandy, many within existing road surfaces, and within the project boundaries on land that has been previously disturbed.

(G) INTEREST RATE: One and 22/100 (1.22%) per annum. Calculation of interest is also discussed in ARTICLE 2(E) and in ARTICLE 2(F)(4) of this Agreement.

(H) REPAYMENT PERIOD: Ending no later than (a) twenty (20) years after the Completion Date or (b) twenty (20) years after the estimated Completion Date set forth in ARTICLE 3(A)(10), whichever date is earlier.

(I) TERMS OF REPAYMENT: An interest-only payment within six months after the estimated Project Completion Date set forth in ARTICLE 3(A)(10) and thereafter semi-annual payments of principal and interest in accordance with APPENDIX A and ARTICLE 2(F) of this Agreement.

(J) PLEDGE: The Borrower hereby grants DEQ a security interest in and irrevocably pledges its Net Revenues to secure payment of and to pay the amounts due under this Loan Agreement. The Net Revenues so pledged and hereafter received by the Borrower shall immediately be subject to the lien of such pledge without physical delivery or further act, and the lien of the pledge shall be superior to all other claims and liens whatsoever, to the fullest extent permitted by ORS 287A.310. The Borrower represents and warrants that the pledge of Net Revenues hereby made by the Borrower complies with, and shall be valid and binding from the date of this Agreement pursuant to, ORS 287A.310. The Borrower covenants with DEQ and any assignee of this Agreement that except as otherwise expressly provided herein, the Borrower shall not issue any other obligations which have a pledge or lien on the Net Revenues superior to or on a parity with the pledge herein granted without the written permission of DEQ. The lien of this pledge is on a parity with the liens securing all other CWSRF loans between DEQ and the Borrower; provided, however, that this provision shall not affect the priority that prior CWSRF loans are entitled to in relation to any loans between Borrower and any third parties

(K) ANNUAL FEE: An annual fee of 0.5% of the Outstanding Loan Amount (as determined prior to the posting of the payment due on that date) is due during the Repayment Period commencing with the second payment date hereunder and annually thereafter.

ARTICLE 2: GENERAL LOAN PROVISIONS

(A) AGREEMENT OF DEQ TO LOAN. DEQ agrees to loan the Borrower an amount not to exceed the Loan Amount, subject to the terms and conditions of this Loan Agreement, but solely from funds available to DEQ in the Water Pollution Control Revolving Fund for its Clean Water State Revolving Fund program. This Loan Agreement is given as evidence of a Loan to the Borrower made by DEQ pursuant to ORS Chapters 190, 286A, 287A, and 468, and OAR Chapter 340, all as amended from time to time, consistent with the express provisions hereof.

(B) AVAILABILITY OF FUNDS. DEQ's obligation to make the Loan described in this Agreement is subject to the availability of funds in the Water Pollution Control Revolving Fund

for its CWSRF program, and DEQ shall have no liability to the Borrower or any other party if such funds are not available or are not available in amounts sufficient to fund the entire Loan described herein, as determined by DEQ in the reasonable exercise of its administrative discretion. Funds may not be available ahead of the estimated schedule of disbursements submitted by the Borrower, which is attached as APPENDIX B. This schedule may be revised from time to time by the parties without the necessity of an amendment by replacing the then current APPENDIX B with an updated APPENDIX B which is dated and signed by both parties. Furthermore, DEQ's obligation to make any disbursement hereunder shall terminate on October 31, 2023.

(C) DISBURSEMENT OF LOAN PROCEEDS.

(1) Project Account(s). Loan proceeds (as and when disbursed by DEQ to the Borrower) shall be deposited in a Project account(s). The Borrower shall maintain Project account(s) as segregated account(s). Funds in the Project account(s) shall only be used to pay for Project costs, and all earnings on the Project account(s) shall be credited to the account(s).

(2) Documentation of Expenditures. The Borrower shall provide DEQ with written evidence of materials and labor furnished to and performed upon the Project, including, without limitation, invoices, verified contractor's pay requests, receipts, and other evidence that DEQ may require in its sole discretion (collectively, "Cost Documentation"). DEQ will disburse funds to pay Project costs only after the Borrower has provided Cost Documentation satisfactory to DEQ that such Project costs have been incurred (whether or not already paid by Borrower) and qualify for reimbursement under this Agreement and CWSRF Program Rules.

(3) Adjustments and Corrections. DEQ may at any time review and audit requests for disbursement and make adjustments for, among other things, ineligible expenditures, mathematical errors, items not built or bought, unacceptable work and other discrepancies. Nothing in this Agreement requires DEQ to pay any amount for labor or materials unless DEQ is satisfied that the claim therefor is reasonable and that the Borrower actually expended and used such labor or materials in the Project. In addition, DEQ shall not be required to make any disbursement which would cause the total of all disbursements made hereunder (including the requested disbursement) to be greater than the total estimated cost of the work completed at the time of the disbursement, as determined by DEQ.

(4) Contract Retainage Disbursement. DEQ will not disburse Loan proceeds to cover contractor retainage unless the Borrower is disbursing retainage to an escrow account and provides proof of the deposit, or until the Borrower provides proof that it paid retained funds to the contractor.

(D) AGREEMENT OF BORROWER TO REPAY. The Borrower agrees to repay all amounts owed on this Loan as described in ARTICLE 1(I) and ARTICLE 2(F) in U.S. Dollars in immediately available funds at the place listed for DEQ in ARTICLE 10(A). In any case, the Borrower agrees to repay all amounts owed on this Loan within the Repayment Period.

(E) INTEREST. Interest will accrue at the rate specified in ARTICLE 1(G) from the date that a disbursement hereunder is mailed or delivered to the Borrower or deposited into an account of the Borrower. Interest will accrue using a 365/366 day year and actual days elapsed.

(F) LOAN REPAYMENT.

(1) Preliminary Repayment Schedule; Interim Payments. The attached APPENDIX A is a preliminary repayment schedule based on the estimated date of the first disbursement hereunder and Loan Amount. Until the final repayment schedule is effective, the Borrower shall make the payments set forth in the preliminary repayment schedule.

(2) Final Repayment Schedule. After the Borrower has submitted its final request for Loan proceeds and DEQ has made all required disbursements hereunder, DEQ will determine the Final Loan Amount and prepare a final payment schedule that provides for level semi-annual installment payments of principal and interest (commencing on the next semi-annual payment date), each in an amount sufficient to pay accrued interest to the date of payment and to pay so much of the principal balance as to fully amortize the then Outstanding Loan Amount over the remaining Repayment Period.

(3) Crediting of Scheduled Payments. A scheduled payment received before the scheduled repayment date will be applied to interest and principal on the scheduled repayment date, rather than on the day such payment is received. Scheduled payments will be applied first to fees due, if any, and then to interest, according to the applicable repayment schedule, and then to principal.

(4) Crediting of Unscheduled Payments. All unscheduled payments, including any prepayments and partial payments, will be applied first to fees due, if any, and then to accrued unpaid interest (which will be computed as otherwise provided in this Agreement, except that interest from the last payment date will be calculated using a 365/366 day year and actual days elapsed), and then to principal. In the case of a Loan prepayment that does not prepay all of the principal of the Loan, DEQ will determine, in its sole discretion, how it will apply such Loan prepayment to the Outstanding Loan Amount. After a partial payment, DEQ may, in its sole and absolute discretion, reamortize the Outstanding Loan Amount at the same interest rate for the same number of payments to decrease the Loan payment amount; provided, however, that nothing in this Agreement requires DEQ to accept any partial payment, except as otherwise expressly provided herein, or to reamortize the Outstanding Loan Amount if it accepts a partial payment.

(5) Final Payment. The Outstanding Loan Amount, all accrued and unpaid interest, and all unpaid fees and charges due hereunder are due and payable no later than (a) thirty (30) years after the Completion Date or (b) thirty (30) years after the estimated Completion Date set forth in ARTICLE 3(A)(10), whichever date is earlier.

(G) PREPAYMENT.

(1) Optional Prepayment. The Borrower may prepay any amount owed on this Loan without penalty on any business day upon 30 days prior written notice. Any prepayment made hereunder will be applied in accordance with ARTICLE 2(F)(4).

(2) **Refinancing of Loan by the Borrower.** If the Borrower refinances the portion of the Project financed by this Loan or obtains an additional grant or loan that is intended to finance the portion of the Project financed by this Loan, it will prepay the portion of the Loan being refinanced by the additional grant or loan. Any mandatory prepayment under this ARTICLE 2(G)(2) will be applied in accordance with ARTICLE 2(F)(4).

(3) **Ineligible Uses of the Project.** If the Borrower uses the Project for uses that are other than those described in ARTICLE 1(F) ("ineligible uses"), the Borrower shall, upon demand by DEQ, prepay an amount equal to the Outstanding Loan Amount multiplied by the percentage (as determined by DEQ) of ineligible use of the Project. Such prepayment shall be applied against the most remotely maturing principal installments and shall not postpone the due date of any payment(s) hereunder.

(H) **LATE PAYMENT FEE.** The Borrower agrees to pay immediately upon DEQ's demand a late fee equal to five percent (5%) of any payment (including any loan fee) that is not received by DEQ on or before the tenth (10th) calendar day after such payment is due hereunder.

(I) **TERMINATION OF LOAN AGREEMENT.** Upon performance by the Borrower of all of its obligations under this Loan Agreement, including payment in full of the Final Loan Amount, all accrued interest and all fees, charges and other amounts due hereunder, this Loan Agreement will terminate, and DEQ will release its interest in any collateral given as security under this Loan Agreement.

ARTICLE 3: GENERAL REPRESENTATIONS, WARRANTIES AND COVENANTS

(A) **REPRESENTATIONS AND WARRANTIES OF THE BORROWER.** The Borrower represents and warrants to DEQ that:

(1) It is a duly formed and existing public agency (as defined in ORS 468.423(2)) and has full power and authority to enter into this Loan Agreement.

(2) This Agreement has been duly authorized and executed and delivered by an authorized officer of the Borrower and constitutes the legal, valid and binding obligation of the Borrower enforceable in accordance with its terms.

(3) All acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Agreement have existed, have happened, and have been performed in due time, form and manner as required by law.

(4) Neither the execution of this Loan Agreement, the consummation of the transactions contemplated hereby, nor the fulfillment of or compliance with any of the terms and conditions of this Loan Agreement will violate any provision of law, or any order of any court or other agency of government, or any agreement or other instrument to which the Borrower is now a party or by which the Borrower or any of its properties or assets is bound. Nor will this Loan Agreement be in conflict with, result in a breach of, or constitute a default under, any such agreement or other instrument, or, except as provided hereunder, result in the creation or imposition of any lien, charge or

encumbrance of any nature whatsoever upon any of the property or assets of the Borrower.

(5) This Loan Agreement does not create any unconstitutional indebtedness. The Loan Amount together with all of the Borrower's other obligations does not, and will not, exceed any limits prescribed by the Constitution, any of the statutes of the State of Oregon, the Borrower's charter, or any other authority.

(6) The Project is a project which the Borrower may undertake pursuant to Oregon law and for which the Borrower is authorized by law to borrow money.

(7) The Borrower has full legal right and authority and all necessary licenses and permits required as of the date hereof to own, operate and maintain the Facility and the Project, other than licenses and permits relating to the Facility or the Project which the Borrower expects to and shall receive in the ordinary course of business, to carry on its activities relating thereto, to execute and deliver this Agreement, to undertake and complete the Project, and to carry out and consummate all transactions contemplated by this Agreement.

(8) The information contained herein which was provided by the Borrower is true and accurate in all respects, and there is no material adverse information relating to the Project or the Loan, known to the Borrower, that has not been disclosed in writing to DEQ.

(9) No litigation exists or has been threatened that would cast doubt on the enforceability of the Borrower's obligations under this Loan Agreement.

(10) The estimated Completion Date of the Project is December 31, 2024. The Borrower agrees to complete the Project by the estimated Completion Date.

(11) The estimated total Costs of the Project are \$6,025,000

(12) The Borrower is in compliance with all laws, ordinances, and governmental rules and regulations to which it is subject, the failure to comply with which would materially adversely affect the ability of the Borrower to conduct its activities or undertake or complete the Project or the condition (financial or otherwise) of the Borrower or the Project.

(B) CONTINUING REPRESENTATIONS OF THE BORROWER. The representations of the Borrower contained herein shall be true on the closing date for the Loan and at all times during the term of this Agreement.

(C) REPRESENTATIONS AND WARRANTIES OF DEQ. DEQ represents and warrants that the Director has power under ORS Chapter 468 and OAR Chapter 340, Division 54, to enter into the transactions contemplated by this Loan Agreement and to carry out DEQ's obligations thereunder and that the Director is authorized to execute and deliver this Loan Agreement and to make the Loan as contemplated hereby.

ARTICLE 4: CONDITIONS TO LOAN

(A) CONDITIONS TO CLOSING. DEQ's obligations hereunder are subject to the condition that on or prior to November 30, 2020, the Borrower will duly execute and deliver to DEQ the following items, each in form and substance satisfactory to DEQ and its counsel:

- (1)** this Agreement duly executed and delivered by an authorized officer of the Borrower;
- (2)** a copy of the ordinance, order or resolution of the governing body of the Borrower authorizing the execution and delivery of this Agreement, certified by an authorized officer of the Borrower;
- (3)** Certification Regarding Lobbying, substantially in the form of APPENDIX G, duly executed and delivered by an authorized officer of the Borrower;
- (4)** an opinion of the legal counsel to the Borrower to the effect that:
 - (a)** The Borrower has the power and authority to execute and deliver and perform its obligations under this Loan Agreement;
 - (b)** This Loan Agreement has been duly executed and acknowledged where necessary by the Borrower's authorized representative(s), all required approvals have been obtained, and all other necessary actions have been taken, so that this Loan Agreement is valid, binding, and enforceable against the Borrower in accordance with its terms, except as such enforcement is affected by bankruptcy, insolvency, moratorium, or other laws affecting creditors rights generally;
 - (c)** To such counsel's knowledge, this Loan Agreement does not violate any other agreement, statute, court order, or law to which the Borrower is a party or by which it or any of its property or assets is bound; and
 - (d)** The Gross Revenues from which the Net Revenues are derived and that are used as security for the Loan will not constitute taxes that are limited by Section 11b, Article XI of the Oregon Constitution; and
- (5)** such other documents, certificates, opinions and information as DEQ or its counsel may reasonably require.

(B) CONDITIONS TO DISBURSEMENTS. Notwithstanding anything in this Agreement to the contrary, DEQ shall have no obligation to make any disbursement to the Borrower under this Agreement unless:

- (1)** No Event of Default and no event, omission or failure of a condition which would constitute an Event of Default after notice or lapse of time or both has occurred and is continuing;

(2) All of the Borrower's representations and warranties in this Agreement are true and correct on the date of disbursement with the same effect as if made on such date; and

(3) The Borrower submits a disbursement request to DEQ that complies with the requirements of ARTICLE 2(C);

provided, however, DEQ shall be under no obligation to make any disbursement if:

(x) DEQ determines, in the reasonable exercise of its administrative discretion, there is insufficient money available in the CWSRF for the Project; or

(y) there has been a change in any applicable state or federal law, statute, rule or regulation so that the Project is no longer eligible for the Loan.

ARTICLE 5: COVENANTS OF BORROWER

(A) GENERAL COVENANTS OF THE BORROWER. Until the Loan is paid in full, the Borrower covenants with DEQ that:

(1) The Borrower shall use the Loan funds only for payment or reimbursement of the Costs of the Project in accordance with this Loan Agreement. The Borrower acknowledges and agrees that the Costs of the Project do NOT include any Lobbying costs or expenses incurred by Borrower or any person on behalf of Borrower and that Borrower will not request payment or reimbursement for Lobbying costs and expenses.

(2) If the Loan proceeds are insufficient to pay for the Costs of the Project in full, the Borrower shall pay from its own funds and without any right of reimbursement from DEQ all such Costs of the Project in excess of the Loan proceeds.

(3) The Borrower is and will be the owner of the Facility and the Project and shall defend them against the claims and demands of all other persons at any time claiming the same or any interest therein.

(4) The Borrower shall not sell, lease, transfer, or encumber or enter into any management agreement or special use agreement with respect to the Facility or any financial or fixed asset of the utility system that produces the Net Revenues without DEQ's prior written approval, which approval may be withheld for any reason. Upon sale, transfer or encumbrance of the Facility or the Project, in whole or in part, to a private person or entity, this Loan shall be immediately due and payable in full.

(5) Concurrent with the execution and delivery of this Loan Agreement, or as soon thereafter as practicable, the Borrower shall take all steps necessary to cause the Project to be completed in a timely manner in accordance with all applicable DEQ requirements.

(6) The Borrower shall take no action that would adversely affect the eligibility of the Project as a CWSRF project or cause a violation of any Loan covenant in this Agreement.

(7) The Borrower shall undertake the Project, request disbursements under this Loan Agreement, and use the Loan proceeds in full compliance with all applicable laws and regulations of the State of Oregon, including but not limited to ORS Chapter 468 and Oregon Administrative Rules Sections 340-054-0005 to 340-054-0065, as they may be amended from time to time, and all applicable federal authorities and laws and regulations of the United States, including but not limited to Title VI of the Clean Water Act as amended by the Water Quality Act of 1987, Public Law 100-4, the federal cross-cutters listed at APPENDIX D, the equal employment opportunity provisions in APPENDIX F, and the regulations of the U.S. Environmental Protection Agency, all as they may be amended from time to time.

(8) The Borrower shall keep the Facility in good repair and working order at all times and operate the Facility in an efficient and economical manner. The Borrower shall provide the necessary resources for adequate operation, maintenance and replacement of the Project and retain sufficient personnel to operate the Facility.

(9) Interest paid on this Loan Agreement is *not* excludable from gross income under Section 103(a) of the Internal Revenue Code of 1986, as amended (the "Code"). However, DEQ may have funded this Loan with the proceeds of State bonds that bear interest that is excludable from gross income under Section 103(a) of the Code. Section 141 of the Code requires that the State not allow the proceeds of the State bonds to be used by private entities (including the federal government) in such a way that the State bonds would become "private activity bonds" as defined in Section 141 of the Code. To protect the State bonds the Borrower agrees that it shall not use the Loan proceeds or lease, transfer or otherwise permit the use of the Project by any private person or entity in any way that that would cause this Loan Agreement or the State bonds to be treated as "private activity bonds" under Section 141 of the Code and the regulations promulgated under that Section of the Code.

(B) DEBT SERVICE COVERAGE REQUIREMENT; WASTEWATER RATE COVENANT; REPORTING.

(1) Debt Service Coverage Requirement. The Borrower shall maintain wastewater rates and charge fees in connection with the operation of the Facility that are adequate to generate Net Revenues in each fiscal year sufficient to pay (i) all debt service (excluding debt service on the Loan), (ii) all other financial obligations imposed in connection with prior lien obligations of the Borrower, and (iii) an amount equal to the debt service coverage factor of 105% multiplied by the debt service payments due under this Loan Agreement in that fiscal year.

(2) Wastewater Rate Adjustments. The Borrower shall review its wastewater rates and fees at least annually. If, in any fiscal year, the Borrower fails to collect fees sufficient to meet the debt service coverage requirement described in ARTICLE 5(B)(1), the Borrower shall promptly adjust its wastewater rates and fees to assure future compliance with such coverage requirement. The Borrower's adjustment of the wastewater rates and fees does not constitute a cure of any default by the Borrower of the debt service coverage requirement set forth in ARTICLE 5(B)(1). The Borrower's failure to adjust rates shall not, at the discretion of DEQ, constitute a default if the Borrower transfers to the fund that holds the Net Revenues unencumbered resources in an amount equal to the revenue deficiency from the Facility that produces the Net Revenues.

(3) Reporting Requirement. By December 31 of each year the Borrower shall provide DEQ with a report that demonstrates the Borrower's compliance with the requirements of this ARTICLE 5(B). If the audit report described in ARTICLE 5(F) identifies the Net Revenues and contains a calculation demonstrating the Borrower's satisfaction of the requirements of this ARTICLE 5(B), that audit will satisfy the requirements of this ARTICLE 5(B)(3).

(C) LOAN RESERVE REQUIREMENT; LOAN RESERVE ACCOUNT.

(1) Loan Reserve Requirement. The Loan reserve requirement equals one-half of the average annual debt service based on the final Payment Schedule. Until the Final Loan Amount is calculated, the Loan reserve requirement is \$110,378. The Borrower shall deposit the Loan reserve requirement amount into the Loan Reserve Account no later than the date the first payment is due hereunder.

(2) Loan Reserve Account. The Borrower shall create a segregated Loan Reserve Account that shall be held in trust for the benefit of DEQ. The Borrower hereby grants DEQ a security interest in and irrevocably pledges amounts in the Loan Reserve Account to pay the amounts due under this Loan Agreement. The funds in Loan Reserve Account so pledged and hereafter received by the Borrower shall immediately be subject to the lien of such pledge without physical delivery or further act, and the lien of the pledge shall be superior to all other claims and liens whatsoever, to the fullest extent permitted by ORS 287A.310. The Borrower represents and warrants that the pledge of the Loan Reserve Account hereby made by the Borrower complies with, and shall be valid and binding from the date of this Agreement pursuant to, ORS 287A.310. The Borrower shall use the funds in the Loan Reserve Account solely to pay amounts due hereunder until the principal, interest, fees, and any other amounts due hereunder have been fully paid.

(3) Additional Deposits. If the balance in the Loan Reserve Account falls below the Loan reserve requirement, the Borrower shall promptly deposit from the first Net Revenues available after payment of the amounts due hereunder (unless the Borrower has previously made such deposit from other money of the Borrower) an amount sufficient to restore the balance up to the Loan reserve requirement.

(D) **INSURANCE.** At its own expense, the Borrower shall, during the term of this Agreement, procure and maintain insurance coverage (including, but not limited to, hazard, flood and general liability insurance) adequate to protect DEQ's interest and in such amounts and against such risks as are usually insurable in connection with similar projects and as is usually carried by entities operating similar facilities. The insurance shall be with an entity which is acceptable to DEQ. The Borrower shall provide evidence of such insurance to DEQ. Self-insurance maintained pursuant to a recognized municipal program of self-insurance will satisfy this requirement.

(E) INDEMNIFICATION. *The Borrower shall, to the extent permitted by law and the Oregon Constitution, indemnify, save and hold the State, its officers, agents and employees harmless from and (subject to ORS Chapter 180) defend each of them against any and all claims, suits, actions, losses, damages, liabilities, cost and expenses of any nature whatsoever resulting from, arising out of or relating to the acts or omissions of the Borrower or its officers, employees, subcontractors or agents in regard to this Agreement or the Project.*

(F) THE BORROWER'S FINANCIAL RECORDS; FINANCIAL REPORTING REQUIREMENTS.

(1) Financial Records. The Borrower shall keep proper and complete books of record and account and maintain all fiscal records related to this Agreement, the Project, and the Facility in accordance with generally accepted accounting principles, generally accepted government accounting standards, the requirements of the Governmental Accounting Standards Board, and state minimum standards for audits of municipal corporations. The Borrower must maintain separate Project accounts in accordance with generally accepted government accounting standards promulgated by the Governmental Accounting Standards Board. The Borrower will permit DEQ and the Oregon Secretary of State and their representatives to inspect its properties, and all work done, labor performed and materials furnished in and about the Project, and DEQ, the Oregon Secretary of State and the federal government and their duly authorized representatives shall have access to the Borrower's fiscal records and other books, documents, papers, plans and writings that are pertinent to this Agreement to perform examinations and audits and make excerpts and transcripts and take copies.

(2) Record Retention Period. The Borrower shall retain and keep accessible files and records relating to the Project for at least six (6) years (or such longer period as may be required by applicable law) after Project completion as determined by DEQ and financial files and records until all amounts due under this Loan Agreement are fully repaid, or until the conclusion of any audit, controversy, or litigation arising out of or related to this Agreement, whichever date is later.

(3) Accounting for Costs of the Project. Borrower shall provide to DEQ, as soon as possible, but in no event later than six (6) months following the Project Completion Date, a full and complete accounting of the Costs of the Project, including but not limited to documentation to support each cost element and a summary of the Costs of the Project and the sources of funding.

(4) Single Audit Requirements. The CWSRF Program receives capitalization grants through the Catalog of Federal Domestic Assistance ("CFDA") No. 66.458: Capitalization Grants for State Revolving Funds and is subject to the regulations of the U.S. Environmental Protection Agency ("EPA"). Borrower is a sub-recipient.

(a) Subrecipients receiving federal funds in excess of \$750,000 in the subrecipient's fiscal year are subject to audit conducted in accordance with the provisions of 2 CFR part 200, subpart F. The Borrower, if subject to this requirement, shall at its own expense submit to DEQ a copy of, or electronic link to, its annual audit subject to this requirement covering the funds expended under this Agreement and shall submit or cause to be submitted to DEQ the annual audit

of any subrecipient(s), contractor(s), or subcontractor(s) of the Borrower responsible for the financial management of funds received under this Agreement.

(b) Audit costs for audits not required in accordance with 2 CFR part 200, subpart F are unallowable. If the Borrower did not expend \$750,000 or more in Federal funds in its fiscal year, but contracted with a certified public accountant to perform an audit, costs for performance of that audit shall not be charged to the funds received under this Agreement.

(c) The Borrower shall save, protect and hold harmless DEQ from the cost of any audits or special investigations performed by the Federal awarding agency or any federal agency with respect to the funds expended under this Agreement. The Borrower acknowledges and agrees that any audit costs incurred by the Borrower as a result of allegations of fraud, waste or abuse are ineligible for reimbursement under this or any other agreement between the Borrower and the State of Oregon.

(G) DBE GOOD FAITH EFFORT. Pursuant to the good faith efforts described in APPENDIX C, the Borrower shall make a good faith effort to promote fair share awards to Minority Business Enterprises (“MBE”), Women's Business Enterprises (“WBE”), and Small Businesses in Rural Areas (“SBRA”) on all contracts and subcontracts awarded as part of the Project. The Borrower agrees to include, in its contract(s) with its prime contractor(s), the following language, which must not be altered in any way:

“The contractor shall not discriminate on the basis of race, color, national origin or sex in the performance of this contract. (A) THE BORROWER'S REPRESENTATION AND WARRANTY REGARDING COSTS ALREADY INCURRED.

(1) The Borrower represents and warrants to DEQ that, as of the date of this Loan Agreement, the Costs of the Project actually incurred by the Borrower do not exceed -zero-.

(2) The Borrower acknowledges that DEQ is relying upon the Borrower's representation regarding the amount of Costs of the Project incurred by the Borrower for construction prior to the date of this Loan Agreement as set forth in ARTICLE 6(A)(1) above to determine what portion of the Loan qualifies as a "refinancing" under the EPA's Clean Water State Revolving Fund regulations, 40 C.F.R. Part 35, that may be disbursed on a reimbursement basis.

(B) CONDITION TO DISBURSEMENTS. DEQ's obligation to make disbursements hereunder is further conditioned on the following:

(2) Plans and Specifications. The Borrower shall obtain DEQ's review and approval of the Borrower's plans, specifications, and related documents for the Project, as required by OAR Chapter 340, Division 054, prior to any disbursement of Loan proceeds hereunder.

(3) Change Orders. The Borrower shall submit all change orders to DEQ. The Borrower must submit prior to its execution any change order that exceeds \$100,000 or will alter Project performance. The Borrower shall not use any Loan proceeds to pay for costs of any change order that DEQ has not approved in writing. This ARTICLE 6(C)(3) shall not prevent the Borrower from using funds other than Loan proceeds to pay for a change order before DEQ approves it, but the Borrower bears the risk that DEQ will not approve the change order.

(4) Inspections; Reports. The Borrower shall provide inspection reports during the construction of the Project as required by DEQ to ensure that the Project complies with approved plans and specifications. Qualified inspectors shall conduct these inspections under the direction of a registered civil, mechanical or electrical engineer, whichever is appropriate. DEQ or its representative(s) may enter property owned or controlled by the Borrower to conduct interim inspections and require progress reports sufficient to determine compliance with approved plans and specifications and with the Loan Agreement, as appropriate.

(9) Project Initiation of Operations.

(a) The Borrower shall notify DEQ of the Initiation of Operation no more than thirty (30) days after the actual Project Completion Date.

(b) If the Project is completed, or is completed except for minor items, and the Project is operable, but DEQ has not received a notice of Initiation of Operation from the Borrower, DEQ may assign an Initiation of Operation date.

(D) PROVISION APPLICABLE TO CONTRACTS AND SUBCONTRACTS AWARDED FOR THE PROJECT

(1) Davis-Bacon Requirements. All contracts and subcontracts awarded as part of the Project shall comply with (1) the wage requirements of the Davis-Bacon Act, as amended, 40 U.S.C. §§3141 to 3144, 3146 and 3147 (2002), and (2) the requirements of the *Prevailing Wage Rates for Public Works Projects in Oregon* established under ORS 279C.800 through 279C.870 and OAR 839-025-0000 through 839-025-0540. The Borrower agrees that it will insert into any contract in excess of \$2,000 for construction, and will cause its subcontractors to insert in any sub-contract in excess of \$2,000 for construction, the Davis-Bacon language set forth in Part 1 of APPENDIX E and Part 2 of APPENDIX E as applicable.

(E) AMERICAN IRON AND STEEL

The Borrower shall:

(1) Comply with all federal requirements applicable to the Loan (including those imposed by the Consolidated Appropriations Act, 2014, P.L. 113-76 (“CAA”), and related CWSRF Policy Guidelines) which the Borrower understands includes, among other, requirements that all of the iron and steel products used in the Project are to be produced in the United States (“American Iron and Steel Requirement”) unless (i) the Borrower has requested and obtained a waiver from the EPA pertaining to the Project or (ii) DEQ has otherwise advised the Borrower in writing that the American Iron and Steel Requirement is not applicable to the Project.

(2) Comply with all record keeping and reporting requirements under the Clean Water Act, 33 U.S.C. 1251 *et seq.* (1972) (“Clean Water Act”), including any reports required by a Federal agency or DEQ such as performance indicators of program deliverables, information on costs and Project progress. The Borrower understands that (i) each contract and subcontract related to the Project is subject to audit by appropriate federal and state entities and (ii) failure to comply with the Clean Water Act and this Agreement may be a default hereunder that results in a repayment of the Loan in advance of the maturity thereof and/or other remedial actions.

(3) Include in all contracts for the Project the language set forth in APPENDIX H. All contracts and subcontracts of Borrower for the Project must have a provision requiring compliance with the American Iron and Steel Requirement. APPENDIX H is an example provided by the EPA of what could be included in all contracts in projects that use CWSRF funds. Neither the EPA nor DEQ makes any claims regarding the legality of this clause with respect to state or local law.

(1) Requirement. All of the iron and steel products used in the Project must be produced in the United States if the Project is for the construction, alteration, maintenance, or repair of a “treatment works” as defined in the federal Water Pollution Control Act, 33 U.S.C. §1381 et seq.

(2) Definition. "Iron and steel products" means the following products made primarily of iron or steel: lined or unlined pipes and fittings, manhole covers and other municipal castings, hydrants, tanks, flanges, pipe clamps and restraints, valves, structural steel, reinforced precast concrete, and construction materials.

(3) Applicability. As to loan agreements fully executed on or after October 1, 2014, the requirement set forth in ARTICLE 6(E)(1) above does not apply if the engineering plans and specifications for the Project were approved by DEQ prior to June 10, 2014.

(4) Waiver. The requirement set forth in ARTICLE 6(E)(1) above does not apply if: (a) application would be inconsistent with the public interest; (2) iron and steel products are not produced in the United States in sufficient and reasonably available quantities and of a satisfactory quality; or (3) inclusion of iron and steel products produced in the United States will increase the cost of the overall project by more than 25 percent. Borrower may apply for a waiver of the requirement set forth in ARTICLE 6(E)(1) above by sending a waiver request directly to EPA with a copy to DEQ or by sending its waiver request to DEQ who will then forward it on to EPA.

ARTICLE 7: DISCLAIMERS BY DEQ; LIMITATION OF DEQ’S LIABILITY

(A) **DISCLAIMER OF ANY WARRANTY.** DEQ EXPRESSLY DISCLAIMS ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, REGARDING THE PROJECT, THE QUALITY OF MATERIALS SUPPLIED TO AND THAT BECOME A PART OF THE PROJECT, THE QUALITY OF THE WORKMANSHIP PERFORMED UPON THE PROJECT, OR THE EXTENT AND STAGE OF COMPLETION OF THE PROJECT. (B) **DISCLAIMER OF LIABILITY OF DEQ.** DEQ EXPRESSLY DISCLAIMS LIABILITY OF ANY KIND OR CHARACTER WHATSOEVER FOR PAYMENT OF LABOR OR MATERIALS OR OTHERWISE IN CONNECTION WITH THE COMPLETION OF THE PROJECT OR CONTRACTS ENTERED INTO BY THE BORROWER WITH THIRD PARTIES FOR THE COMPLETION OF THE PROJECT. All Project costs of labor,

materials and construction, including any indirect costs, shall be the responsibility of and shall be paid by the Borrower.

(C) NONLIABILITY OF STATE.

(1) The State and its officers, agents and employees shall not be liable to the Borrower or to any other party for any death, injury, damage, or loss that may result to any person or property by or from any cause whatsoever, arising out of any defects in the plans, design drawings and specifications for the Project, any agreements or documents between the Borrower and third parties related to the Project or any activities related to the Project. DEQ shall not be responsible for verifying cost-effectiveness of the Project, doing cost comparisons or reviewing or monitoring compliance by the Borrower or any other party with state procurement laws and regulations.

(2) The Borrower hereby expressly releases and discharges DEQ, its officers, agents and employees from all liabilities, obligations and claims arising out of the Project work or under the Loan, subject only to exceptions previously agreed upon in writing by the parties.

(3) Any findings by DEQ concerning the Project and any inspections or analyses of the Project by DEQ are for determining eligibility for the Loan and disbursement of Loan proceeds only. Such findings do not constitute an endorsement of the feasibility of the Project or its components or an assurance of any kind for any other purpose.

(4) Review and approval of Facilities plans, design drawings and specifications or other documents by or for DEQ does not relieve the Borrower of its responsibility to properly plan, design, build and effectively operate and maintain the Facility as required by law, regulations, permits and good management practices.

ARTICLE 8: DEFAULT AND REMEDIES

(A) EVENTS OF DEFAULT. The occurrence of one or more of the following events constitutes an event of default (“Event of Default”), whether occurring voluntarily or involuntarily, by operation of law or pursuant to any order of any court or governmental agency:

Borrower, is consented to or acquiesced in by the Borrower or is not dismissed within twenty (20) days;

(4) As a result of any changes in the United States Constitution or the Oregon Constitution or as a result of any legislative, judicial, or administrative action, any part of this Loan Agreement becomes void, unenforceable or impossible to perform in accordance with the intent and purposes of the parties hereto or is declared unlawful;

(5) The Borrower defaults in the performance or observance of any covenants or agreements contained in any loan documents between itself and any lender or lenders, and the default remains uncured upon the expiration of any cure period provided by said loan documents; or

(6) The Borrower fails to cure non-compliance in any material respect with any other covenant, condition, or agreement of the Borrower hereunder, other than as set forth in (1) through (5) above within a period of thirty (30) days after DEQ provides notice of the noncompliance.

(B) REMEDIES. If DEQ determines that an Event of Default has occurred, DEQ may, without further notice:

(1) Declare the Outstanding Loan Amount plus any unpaid accrued interest, fees and any other amounts due hereunder immediately due and payable;

(2) Cease making disbursement of Loan proceeds or make some disbursements of Loan proceeds and withhold or refuse to make other disbursements;

(3) Appoint a receiver, at the Borrower's expense, to operate the Facility that produces the Net Revenues and collect the Gross Revenues;

(4) Set and collect utility rates and charges;

(5) Pay, compromise or settle any liens on the Facility or the Project or pay other sums required to be paid by the Borrower in connection with the Project, at DEQ's discretion, using the Loan proceeds and such additional money as may be required. If DEQ pays any encumbrance, lien, claim, or demand, it shall be subrogated, to the extent of the amount of such payment, to all the rights, powers, privileges, and remedies of the holder of the encumbrance, lien, claim, or demand, as the case may be. Any such subrogation rights shall be additional cumulative security for the amounts due under this Loan Agreement;

(6) Direct the State Treasurer to withhold any amounts otherwise due to the Borrower from the State of Oregon and, to the extent permitted by law, direct that such funds be applied to the amounts due DEQ under this Loan Agreement and be deposited into the CWSRF; and

(7) Pursue any other legal or equitable remedy it may have.

APPENDIX C: DBE GOOD FAITH EFFORTS

At a minimum the Borrower or its prime contractor must take six affirmative steps (which apply to any procurement of construction, supplies, equipment or services) to demonstrate good faith effort to utilize minority (MBE), women-owned (WBE) and small (SBE) businesses. The six steps are:

- 1) To include qualified small, minority and women's businesses on solicitation lists;
- 2) To assure that small, minority and women's businesses are solicited whenever they are potential sources;
- 3) To divide total requirements, whenever economically feasible, into smaller tasks or quantities to permit maximum participation by small, minority or women's businesses;
- 4) To establish delivery schedules whenever the requirements of the work permit, which will encourage participation by small, minority and women's businesses;
- 5) To use the services and assistance of the Small Business Administration (<http://pro-net.sba.gov>) and the Office of Minority Business Enterprise of the U.S. Department of Commerce (<http://www.mbda.gov>) to identify appropriate small, minority and women businesses; and
- 6) To require subcontractors to take all of the affirmative action steps described above and set forth in 40 CFR 35.3145(d) in any contract awards or procurements.

The Borrower shall, and shall cause its contractors to, document compliance with the above requirements on forms found at Tab 6 of the Manual for Construction Projects.

APPENDIX E: DAVIS-BACON PROVISION

Part 1

(1) Minimum wages.

(i) All laborers and mechanics employed or working upon the site of the work will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR part 3)), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics.

Contributions made or costs reasonably anticipated for bona fide fringe benefits under section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of paragraph (a)(1)(iv) of this section; also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period. Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in § 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided, that the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under paragraph (a)(1)(ii) of this section) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.

Subrecipients may obtain wage determinations from the U.S. Department of Labor's web site, www.dol.gov.

(ii)(A) The subrecipient(s), on behalf of EPA, shall require that any class of laborers or mechanics, including helpers, which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. The State award official shall approve a request for an additional classification and wage rate and fringe benefits therefore only when the following criteria have been met:

(1) The work to be performed by the classification requested is not performed by a classification in the wage determination; and

(2) The classification is utilized in the area by the construction industry; and

(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(B) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the subrecipient(s) agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), documentation of the action taken and the request, including the local wage determination shall be sent by the subrecipient (s) to the State award official. The State award official will transmit the request, to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, DC 20210 and to the EPA DB Regional Coordinator concurrently. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification request within 30 days of receipt and so advise the State award official or will notify the State award official within the 30-day period that additional time is necessary.

(C) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and the subrecipient(s) do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), the award official shall refer the request and the local wage determination, including the views of all interested parties and the recommendation of the State award official, to the Administrator for determination. The request shall be sent to the EPA DB Regional Coordinator concurrently. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt of the request and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(D) The wage rate (including fringe benefits where appropriate) determined pursuant to paragraphs (a)(1)(ii)(B) or (C) of this section, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(iii) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

(iv) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, Provided, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program.

(2) Withholding. The subrecipient(s), shall upon written request of the EPA Award Official or an authorized representative of the Department of Labor, withhold or cause to be withheld from the contractor under this contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor, so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees, and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee, or helper, employed or working on the site of the work, all or part of the wages required

by the contract, the (Agency) may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased.

(3) Payrolls and basic records.

(i) Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work and preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work. Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in section 1(b)(2)(B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5(a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in section 1(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.

(ii)(A) The contractor shall submit weekly, for each week in which any contract work is performed, a copy of all payrolls to the subrecipient, that is, the entity that receives the sub-grant or loan from the State capitalization grant recipient. Such documentation shall be available on request of the State recipient or EPA. As to each payroll copy received, the subrecipient shall provide written confirmation in a form satisfactory to the State indicating whether or not the project is in compliance with the requirements of 29 CFR 5.5(a)(1) based on the most recent payroll copies for the specified week. The payrolls shall set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(i), except that full social security numbers and home addresses shall not be included on the weekly payrolls. Instead the payrolls shall only need to include an individually identifying number for each employee (e.g., the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site at <https://www.dol.gov/whd/forms/wh347instr.htm> or its successor site. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors. Contractors and subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to the subrecipient(s) for transmission to the State or EPA if requested by EPA, the State, the contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this section for a prime contractor to require a subcontractor to provide addresses and social security numbers to the prime contractor for its own records, without weekly submission to the subrecipient(s).

(B) Each payroll submitted shall be accompanied by a “Statement of Compliance,” signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

(1) That the payroll for the payroll period contains the information required to be provided under § 5.5 (a)(3)(ii) of Regulations, 29 CFR part 5, the appropriate information is being maintained under § 5.5 (a)(3)(i) of Regulations, 29 CFR part 5, and that such information is correct and complete;

(2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in Regulations, 29 CFR part 3;

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(C) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the “Statement of Compliance” required by paragraph (a)(3)(ii)(B) of this section.

(D) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under section 1001 of title 18 and section 231 of title 31 of the United States Code.

(iii) The contractor or subcontractor shall make the records required under paragraph (a)(3)(i) of this section available for inspection, copying, or transcription by authorized representatives of the State, EPA or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, the Federal agency or State may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

(4) Apprentices and trainees--

(i) Apprentices. Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be

greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) Trainees. Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(iii) Equal employment opportunity. The utilization of apprentices, trainees and journeymen under this part shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR part 30.

(5) Compliance with Copeland Act requirements. The contractor shall comply with the requirements of 29 CFR part 3, which are incorporated by reference in this contract.

(6) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses contained in 29 CFR 5.5(a)(1) through (10) and such other clauses as the EPA determines may be appropriate, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in 29 CFR 5.5.

(7) Contract termination; debarment. A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract, and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

(8) Compliance with Davis-Bacon and Related Act requirements. All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR parts 1, 3, and 5 are herein incorporated by reference in this contract.

(9) Disputes concerning labor standards. Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and Subrecipient(s), State, EPA, the U.S. Department of Labor, or the employees or their representatives.

(10) Certification of eligibility.

(i) By entering into this contract, the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).

(ii) No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).

(iii) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001.

Part 2

Contract Provision for Contracts in Excess of \$100,000.

(a) Contract Work Hours and Safety Standards Act. The subrecipient shall insert the following clauses set forth in paragraphs (a)(1), (2), (3), and (4) of this section in full in any contract in an amount in excess of \$100,000 and subject to the overtime provisions of the Contract Work Hours and Safety Standards Act. These clauses shall be inserted in addition to the clauses required by Item 3, above or 29 CFR 4.6. As used in this paragraph, the terms laborers and mechanics include watchmen and guards.

(1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph (a)(1) of this section the contractor and any subcontractor responsible therefore shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (a)(1) of this section, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (a)(1) of this section.

(3) Withholding for unpaid wages and liquidated damages. The subrecipient upon the request of the EPA Award Official or an authorized representative of the Department of Labor, shall withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (a)(2) of this section.

(4) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (a)(1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (a)(1) through (4) of this section.

(b) In addition to the clauses contained in Item 3, above, in any contract subject only to the Contract Work Hours and Safety Standards Act and not to any of the other statutes cited in 29 CFR 5.1, the Subrecipient shall insert a clause requiring that the contractor or subcontractor shall maintain payrolls and basic payroll records during the course of the work and shall preserve

them for a period of three years from the completion of the contract for all laborers and mechanics, including guards and watchmen, working on the contract. Such records shall contain the name and address of each such employee, social security number, correct classifications, hourly rates of wages paid, daily and weekly number of hours worked, deductions made, and actual wages paid. Re: Clean Water State Revolving Fund Loan Agreement No. R80942
Opinion of Counsel Letter

Dear Mike:

Per your request, please find our opinion below. You may include this letter with other materials you provide ODEQ in connection with the loan.

1. Once approved by the Sandy City Council, the city has the power and authority to execute, deliver and perform its obligations under Loan Agreement No. R80942.
2. Once approved by the Sandy City Council, an authorized representative from the city may execute the Loan Agreement and it will then be valid, binding and enforceable by and against the city in accordance with the terms of the Loan Agreement.
3. To our present knowledge, the amendment does not violate any other agreement, statute, court order, or law to which the city is a party or by which it or any of its property or assets is bound.
4. The "Gross Revenues" from which the "Net Revenues" are derived and that are used as security for the loan will not constitute taxes that are limited by Section 11b, Article XI of the Oregon Constitution.

Please let me know if you have any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "David F. Doughman".
