

- F.2.7 CM/GC shall protect and preserve established benchmarks and monuments and shall not change locations of benchmark and monuments without City's or agency having jurisdiction's prior written approval. CM/GC shall replace any benchmark or monument that is lost or destroyed subsequent to proper notification of the City and with the City's approval at CM/GC's sole cost.
- F.2.8 Prior to the commencement of the Work, CM/GC shall review the Project site with the City in detail and identify the area of the Work, staging areas, connections or interfacing with existing structures and operations, and restrictions on the Work site area. CM/GC shall ensure that all work forces on the Project Site are instructed about the acceptable working and staging areas and restrictions on use of the site. CM/GC, with advance consent of the City, shall erect such barriers and devices as are necessary to restrict access within the Work site to authorized areas and to prevent unauthorized access to non-Work areas.
- F.2.9 Utility Locates: CM/GC will be responsible to locate existing utilities and underground facilities that are indicated in the Contract Documents or that are known or reasonably should be known to exist in the proximity to the Work. CM/GC shall provide timely notice and locate requests with any affected utility or through contact with appropriate notification centers before commencing excavation or demolition Work that CM/GC knows, or reasonably should know, is in proximity to such utilities or facilities. CM/GC assumes the sole risk and will be responsible for all delay and expense arising out of CM/GC's failure to do so.
- F.2.10 This Contract and all individual contracts and purchase orders incorporate by this reference City's safety policies current as of the date of commencement of Work, which have been or will be made available to CM/GC. CM/GC shall schedule and attend a preconstruction meeting with City to review compliance with City's CM/GC Safety and Hazard Notification Policy and City's Risk Management and Environmental Safety and Pollution Policy. CM/GC, as a condition to commencement of the Work, shall instruct all personnel of CM/GC and its subcontractors, prior to their performing any of the Work, of the elements of these policies with which the personnel will be required to comply.
- F.2.11 In addition to the policies identified above, CM/GC shall review with all subcontractors the methods, materials, tools, and equipment to be used to verify their compliance with all safety standards and laws and CM/GC shall comply with them, to ensure safe, hazard-free conditions for all persons visiting or working on the entire Project Site and City's adjoining facilities. CM/GC shall implement and maintain a safety program that is specifically adapted for the Project and complies with all applicable requirements of Oregon OSHA. CM/GC shall furnish a copy of the safety program to City before commencing Work.
- F.2.12 CM/GC shall maintain good housekeeping practices to reduce the risk of fire damage and shall make a fire extinguisher, fire blanket, and/or fire watch, as applicable, available at each location where cutting, braising, soldering, and/or welding is being performed or where there is an increased risk of fire.
- F.2.13 CM/GC shall ensure that all existing or operating systems, utilities, existing on-site services and access avenues are on and in operating condition before leaving the Project Site each day. If any system, utility, or access avenue is not operable, CM/GC shall notify City before CM/GC leaves the Project Site that day.

### **F.3 CUTTING AND PATCHING**

- F.3.1 CM/GC shall be responsible for coordinating all cutting, fitting, or patching of the Work to make its several parts come together properly and fit to receive or be received by work of other CM/GCs or Subcontractors shown upon, or reasonably implied by, the Contract Documents.
- F.3.2 CM/GC shall be responsible for restoring all cut, fitted, or patched surfaces to an original condition; provided, however, that if a different condition is specified in the Contract Documents, then CM/GC shall be responsible for restoring such surfaces to the condition specified in the Contract Documents.
- F.3.3 CM/GC shall not endanger any Work performed by it or anyone else by cutting, excavating, or otherwise altering Work and shall not cut or alter Work of any other contractor except with consent of City.

### **F.4 CLEANING UP**

The CM/GC shall be responsible to maintain a clean and orderly jobsite at all times in order to promote a safe and efficient work environment. Should the jobsite fall into a state of disorder, the City may order the CM/GC to, at its own expense, clean up and remove all refuse and unused materials of any kind resulting from the Work and bring the jobsite to a state of cleanliness and order deemed satisfactory by the City's Representative. If CM/GC fails to do so within twenty-four

(24) hours after written notification by the City, the work may be done by others and the cost charged to the CM/GC and deducted from payment due the CM/GC. Any directive by the City's Representative shall not relieve the CM/GC in any way or manner for the safety of the jobsite for construction workers or the public.

## **F.5 ENVIRONMENTAL CONTAMINATION**

F.5.1 CM/GC will be held responsible for and shall indemnify, defend (with counsel of City's choice) and hold harmless City from and against any costs, expenses, damages, claims, and causes of action, (including attorney fees), or any of them, resulting from all spills, releases, discharges, leaks and disposal of environmental pollution, including storage, transportation, and handling during the performance of the Contract which occur as a result of, or are contributed by, the negligence or actions of CM/GC or its personnel, agents, or Subcontractors or any failure to perform in accordance with the Contract Documents (except to the extent otherwise void under ORS 30.140). Nothing in this section F.5.1 shall limit CM/GC's responsibility for obtaining insurance coverages required under Section G.3 of these General Conditions, and CM/GC shall take no action that would void or impair such coverages

(1) CM/GC agrees to promptly contain, minimize and dispose of such spills, releases, discharge or leaks to the satisfaction of City and proper regulatory agencies in a manner that complies with applicable federal, state, and local laws and regulations. Cleanup shall be at no cost to the City and be performed by properly qualified personnel.

(2) CM/GC shall obtain the City's written consent prior to bringing onto the Work site any (i) environmental pollutants or (ii) hazardous substances or materials, as defined in Section F.6.1. Notwithstanding such written consent from the City, the CM/GC, at all times, shall:

(A) properly handle, label, use and dispose of all environmental pollutants and hazardous substances or materials brought onto the Work site, in accordance with all applicable federal, state, or local statutes, rules, or ordinances;

(B) be responsible for any and all spills, releases, discharges, or leaks of (or from) environmental pollutants or hazardous substances or materials which CM/GC has brought onto the Work site; and

(C) promptly clean up, without cost to the City, such spills, releases, discharges, or leaks to the City's satisfaction and in compliance with all applicable federal, state, or local statutes, rules or ordinances.

(3) With respect to Hazardous Materials to be used during the course of the Work, the CM/GC will implement and enforce a program to inventory and properly store and secure all Hazardous Materials that may be used or present on the Project site, maintain available for inspection at the Project site all material safety data sheets, and comply with all regulations required by law for the storage, use, and disposal of Hazardous Materials. The program must provide for notification of all personnel of potential chemical hazards. Review of these hazards must be included in the CM/GC's safety training program.

F.5.2 CM/GC shall report all reportable quantity releases to applicable federal, state, and local regulatory and emergency response agencies. Reportable quantities are found in 40 CFR Part 302, Table 302.4 for hazardous substances and in OAR Chapter 340 Division 108 for all products addressed therein. Upon discovery, regardless of quantity, CM/GC must telephonically report all releases to the City. A written follow-up report shall be submitted to City within twenty four (24) hours of the telephonic report. Such written report shall contain, as a minimum:

(1) Description of items released (identity, quantity, manifest no., and all other documentation required by law.)

(2) Whether amount of items released is EPA/DEQ reportable, and, if so, when it was reported.

(3) Exact time and location of release, including a description of the area involved.

(4) Containment procedures initiated.

(5) Summary of communications about the release CM/GC has had with members of the press or State officials other than City.

(6) Description of cleanup procedures employed or to be employed at the site, including disposal location of spill residue.

(7) Personnel injuries, if any, resulting from, or aggravated by, the release.

## **F.6 ENVIRONMENTAL CLEAN-UP**

F.6.1 Unless disposition of environmental pollution is specifically a part of this Contract, or was caused by the CM/GC (reference F.5 Environmental Contamination), CM/GC shall immediately notify City of any hazardous substance(s) which CM/GC discovers or encounters during performance of the Work required by this Contract. "Hazardous substance(s)" means any hazardous, toxic and radioactive materials and those substances defined as "hazardous substances," "hazardous materials," "hazardous wastes," "toxic substances," or other similar designations in any federal, state, or local law, regulation, or ordinance, including without limitation asbestos, polychlorinated biphenyl (PCB), or petroleum, and any substances, materials or wastes regulated in 40 CFR, Part 261 and defined as hazardous in 40 CFR S

In addition to notifying City of any hazardous substance(s) discovered or encountered, CM/GC shall immediately cease working in any particular area of the project where a hazardous substance(s) has been discovered or encountered if continued work in such area would present a risk or danger to the health or well-being of CM/GC's or any Subcontractor's work force.

F.6.2 Upon being notified by CM/GC of the presence of hazardous substance(s) on the project site, City shall arrange for the proper disposition of such hazardous substance(s).

F.6.3 Asbestos Abatement. The Work under this Contract may include removal and abatement of asbestos (and proper transportation and disposal). All such Work shall be performed in compliance with the plans and specifications if it is determined that hazardous materials need to be abated. This Work (if required) shall be performed by an asbestos abatement contractor licensed under ORS 468A.720 employing Oregon Certified Asbestos Workers and a Certified Asbestos Supervisor shall be on site at all times asbestos abatement Work is being performed. All federal, state and local laws, statutes, regulations, administrative rules, ordinances, standards, directives and other legal requirements, and all rules and regulations pertaining to the safe removal of asbestos, including but not limited to those of the Oregon Department of Environmental Quality (DEQ), the federal Environmental Protection Agency (EPA), and OSHA, and other authorities having jurisdiction, shall be complied with at all times. CM/GC shall provide City with air sampling records (including clearance sampling documentation) before the commencement of any construction or abatement activities as well as at completion of the asbestos abatement Work. CM/GC shall include these asbestos provisions and requirements in any subcontract(s) related to the asbestos abatement Work.

F.6.4 Lead and Other Hazardous Material Abatement. The Work under this Contract may also include removal and abatement (and proper transportation and disposal) of all other hazardous materials or substances (not covered by Section F.6.3) from the Project site as necessary for full legal compliance, including but not limited to lead. Proper identification, assessment, notifications, handling, testing, certifications, removal, transportation and disposal are the responsibility of CM/GC. All applicable federal, state and local laws, statutes, regulations, administrative rules, ordinances, standards, directives and other legal requirements shall be complied with at all times, including but not limited to those of DEQ, EPA and OSHA. All such Work shall be performed in compliance with the applicable plans and specifications being prepared by the Architect.

## **F.8 FORCE MAJEURE**

A party to this Contract shall not be held responsible for delay or default due to Force Majeure acts, events or occurrences unless they could have been avoided by the exercise of reasonable care, prudence, foresight, and diligence by that party. The City may terminate this Contract upon written notice after determining that delay or default caused by Force Majeure acts, events or occurrences will reasonably prevent successful performance of the Contract.

## **SECTION G INDEMNITY, BONDING, AND INSURANCE**

### **G.1 RESPONSIBILITY FOR DAMAGES / INDEMNITY**

G.1.1 CM/GC shall be responsible for all damage to property, injury to persons, and loss, expense, inconvenience, and delay that may be caused by, or result from, the carrying out of the Work to be done under this Contract, or from any act, omission or neglect of the CM/GC, its Subcontractors, personnel, or agents.

G.1.2 To the fullest extent permitted by law, CM/GC shall indemnify, defend (with counsel approved by City) and hold harmless the City, City's Authorized Representative(s), City's third party consultants and contractors working on the Project Site, Architect/Engineer, Architect/Engineer's consultants, and their respective officers, directors, agents, employees, partners, members, stockholders and affiliated companies (collectively "Indemnitees") from and against all liabilities, damages, losses, claims, expenses (including reasonable attorney fees), demands and actions of any nature whatsoever which arise out of, result from or are related to,

(1) any damage, injury, loss, expense, inconvenience or delay described in this Section G.1.2 to the extent that the CM/GC could or should have reasonably prevented it,

(2) any accident or occurrence which happens or is alleged to have happened in or about the project site or any place where the Work is being performed, or in the vicinity of either, at any time prior to the time the Work is fully completed in all respects to the extent that the Contract could or should have reasonably prevented it,

(3) any failure of the CM/GC to observe or perform any duty or obligation under the Contract Documents which is to be observed or performed by the CM/GC, or any breach of any agreement, representation or warranty of the CM/GC contained in the Contract Documents or in any subcontract,

(4) the negligent acts or omissions of the CM/GC, a Subcontractor or anyone directly or indirectly employed by them or any one of them or anyone for whose acts they may be liable, regardless of whether or not such claim, damage, loss or expense is caused in part by a party indemnified hereunder (except to the extent otherwise void under ORS 30.140), and

(5) any lien filed upon the project or bond claim in connection with the Work. Such obligation shall not be construed to negate, abridge, or reduce other rights or obligations of indemnity which would otherwise exist as to a party or person described in this Section G.1.2.

G.1.3 In claims against any person or entity indemnified under this Section G.1.2 by an employee of the CM/GC, a Subcontractor, anyone directly or indirectly employed by them or anyone for whose acts they may be liable, the indemnification obligation under Section G.1.2 shall not be limited by a limitation on amount or type of damages, compensation or benefits payable by or for the CM/GC or a Subcontractor under workers' compensation acts, disability benefit acts or other employee benefit acts.

## **G.2 PERFORMANCE AND PAYMENT SECURITY; PUBLIC WORKS BOND**

G.2.1 Prior to commencement of construction phase services and in any event not later than execution of the GMP Amendment, the CM/GC shall provide to the City a full Performance Bond and a full Payment Bond in the amount of the GMP Amendment.

If an Early Work Amendment is executed the CM/GC shall provide Performance and Payment Bonds in the amount of the Early Work Amendment. The CM/GC shall provide to the City additional or replacement bonds at the time of execution of any subsequent Early Work Amendment or GMP Amendment, in each case prior to execution of the Amendment and the supplying of labor or materials for the prosecution of the Work covered by the Amendment and in each case a sufficient amount so that the total bonded sum equals or exceeds the total Early Work Price or the GMP, as the case may be. In the event of a scope change, which increases the GMP, the CM/GC shall provide to the City an additional or supplemental bond in the amount of such increase prior to performance of the additional Work.

The CM/GC shall maintain the Performance and Payment Bonds in full force from Sureties licensed to do business in Oregon. The Parties understand and agree that the obligation of the CM/GC's Surety for the faithful performance of the Contract pursuant to the requirements of Oregon Revised Statutes 279C.375.

G.2.2 Bond forms furnished by the City and notarized by awarded CM/GC's surety company authorized to do business in Oregon are the only acceptable forms of performance and payment security, unless otherwise specified in the Contract Documents.

G.2.3 Pursuant to ORS 279C.605, any person claiming a right of action under ORS 279C.600 must file a notice of claim as provided in ORS 279C.605.

G.2.4 The CM/GC will:

(1) file a public works bond with the Construction Contractors Board pursuant to ORS 279C.836 before starting work on the Project, unless exempt under ORS 279C.836(2) (7) or (8).

(2) Include in every subcontract a provision requiring the Subcontractor to file a public works bond with the Construction Contractors Board pursuant to ORS 279C.836 before starting work on the Project, unless exempt under ORS 279C.836(2), (7) or (8).

### **G.3 INSURANCE**

**G.3.2. General Insurance Requirement.** The Contractor shall purchase from and maintain in a company or companies lawfully authorized to do business in the State of Oregon such insurance as will protect the Contractor from claims set forth below which may arise out of or result from the Contractor's operations and completed operations under the Contract and for which the Contractor may be legally liable, whether such operations be by the Contractor or by a Subcontractor, or by anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable:

- (1) Claims under workers' compensation, disability benefit, and other similar employee benefit acts that are applicable to the Work to be performed;
- (2) Claims for damages because of bodily injury, occupational sickness or disease, or death of the Contractor's employees;
- (3) Claims for damages because of bodily injury, sickness or disease, or death of any person other than the Contractor's employees;
- (4) Claims for damages insured by usual personal injury liability coverage and commercial general liability coverage (or its equivalent as approved in advance by the City);
- (5) Claims for damages, other than to the Work itself, because of injury to or destruction of tangible property, including loss of use resulting therefrom;
- (6) Claims for damages because of bodily injury, death of a person, or property damage arising out of ownership, maintenance, or use of a motor vehicle;
- (7) Claims for bodily injury or property damage arising out of completed operations;
- (8) Claims involving contractual liability insurance applicable to the Contractor's obligations under Section 107.06 of the General Conditions;
- (9) Claims for third-party injury and property damage (including without limitation clean-up costs) as a result of pollution conditions arising from the Contractor's operations or completed operations; and
- (10) Claims involving the Contractor's professional liability, solely to the extent that the Contractor accepts design or design/build responsibilities under the Contract

**G.3.3 Required Coverage.** Without waiver of any other requirement of the Contract Documents, the Contractor will provide, pay for, and maintain in full force and effect at all times during the performance of the Work until final acceptance of the Work or for such further duration as required, the following policies of insurance issued by a responsible carrier. All of the Contractor's insurance carriers shall be rated A VII or better by A.M. Best's rating service, unless otherwise approved by the City.

(1) Workers' Compensation. Workers' compensation coverage sufficient to meet statutory liability limits.

(2) Employer's Liability. The Contractor shall purchase and maintain employer's liability insurance in addition to its workers' compensation coverage with at least the minimum limits in C below.

(3) Commercial General Liability. The Contractor shall purchase and maintain commercial general liability ("CGL") insurance on an occurrence basis, written on ISO Form CG 0001 (12/04 or later) or an equivalent form approved in advance by the Owner. CGL coverage shall include all major coverage categories including bodily injury, property damage, and products/completed operations coverage maintained for at least ~~six~~ **Ten** years following final payment. The CGL insurance will also include the following: (1) separation of insured; (2) incidental medical malpractice; and (3) per-project aggregate for premises operations.

(4) Professional Liability/Errors and Omissions. To the extent that the Contractor accepts design or design/build responsibilities, the Contractor shall purchase and maintain professional liability/errors and omissions insurance or cause those Subcontractors providing design services do so.

(5) Automobile Liability. The Contractor shall purchase and maintain automobile liability insurance with coverage for owned, hired, and non-owned vehicles on ISO form CA 00 01 or an equivalent form approved in advance by the City. The automobile liability insurance shall include pollution liability coverage resulting from vehicle overturn and collision.

(6) Pollution Liability. The Contractor shall purchase a contractors' pollution liability policy. Coverage shall include third-party claims for bodily injury, property damage, and environmental damage resulting from pollution conditions caused during the performance of covered operations for both on-site and migrating from the job site. Such coverage shall include pollution conditions arising from covered operations including work performed by its Subcontractors and third-party claims against the Contractor alleging improper supervision of its Subcontractors.

(7) Commercial Umbrella/Excess Coverage. The Contractor shall purchase or maintain a commercial umbrella or excess liability policy to meet the minimum limits as described below in Section C. Commercial umbrella/excess liability coverage will include: (1) "Pay on behalf of" wording; (2) concurrency of effective dates with primary coverage; (3) punitive damages coverage (where not prohibited by law); (4) application of aggregate (where applicable) in primary coverage; (5) "care, custody, and control" coverage that follows the form for primary coverage; and (6) drop-down feature. Excess/umbrella coverage will be scheduled to the CGL, employee's liability, and automobile liability policies.

**G.3.4 Limits.** The insurance required by this exhibit shall be written for at least the limits of liability specified in this Section or required by law, whichever is greatest.

(1) Workers' Compensation. Statutory Limits

(2) Employer's Liability.

Each Accident:	\$ 1,000,000
Each Bodily Injury Disease:	\$ 1,000,000
Aggregate Bodily Injury Disease:	\$ 1,000,000

(3) Commercial General Liability.

Each Occurrence:	\$ 1,000,000
General Aggregate:	\$ 2,000,000
Product/Completed Operations:	\$ 2,000,000
Personal & Advertising Injury:\$	\$ 1,000,000
Fire Damage Limit:	\$ 100,000
Medical Expense Limit:	\$ 5,000

(4) Automobile Liability.

Combined Single Limit:	\$ 1,000,000
------------------------	--------------

(5) Pollution Liability.

Single Limit:	\$1,000,000
Aggregate:	\$1,000,000

(6) Commercial Umbrella/Excess Coverage.

Each Occurrence:	\$10,000,000
------------------	--------------

**G.3.5 Additional Insureds.** The Contractor's third-party liability insurance policies shall include the City and its officers, employees, agents, volunteers, partners, successors, and assigns as additional insureds. The policy endorsement must extend premise operations and products/completed operations to the additional insureds. The additional insured endorsement for the CGL insurance must be written on ISO Form CG 2010 (11/85), a CG 2037 (07/04) together with CG 2033 (07/04), or the equivalent; but shall not use the following forms: CG 20 10 (10 93) or CG 20 10 (03 94).

**G.3.6 Joint Venture.** If the Contractor is a joint venture, the joint venture shall be a named insured for the liability insurance policies.

**G.3.7 Primary Coverage.** The Contractor's insurance shall be primary insurance coverage and may not seek contribution from any insurance or self-insurance carried by the City or the Architect including any property damage coverage carried by the Owner. Contractor's insurance shall apply separately to each insured against whom a claim is made or suit is brought. The Contractor's insurance shall not include any cross-suit exclusion or preclude an additional insured party from asserting a claim as a third party.

**G.3.8 Contractor's Failure to Maintain Insurance.** If the Contractor for any reason fails to maintain required insurance coverage, such failure shall be deemed a material breach of the Contract and the City, at its sole discretion, may suspend or terminate the Contract pursuant to Section J of the General Conditions. The City may, but has no obligation to, purchase such required insurance, and without further notice to the Contractor, the City may deduct from the Contract Sum any premium costs advanced by the City for such insurance. Failure to maintain the insurance coverage required by this exhibit shall not waive the Contractor's obligations to the City.

**G.3.9 Certificates of Insurance.** The Contractor shall supply to the City Certificates of Insurance for the insurance policies described in this exhibit prior to the commencement of the Work and before bringing any equipment or construction personnel onto the Project site.

(1) Additional Certificates. To the extent that the Contractor's insurance coverages are required to remain in force after final payment and are reasonably available, an additional certificate evidencing continuation of such coverage shall be submitted with the final Application for Payment. Information concerning reduction of coverage on account of revised limits or claims paid under the general aggregate, or both, shall be furnished by the Contractor with reasonable promptness in accordance with the Contractor's information and belief.

(2) Prohibition Until Certificates Received. The City shall have the right, but not the obligation, to prohibit the Contractor and its Subcontractors from entering the Project site until the required certificates (or other competent evidence that insurance has been obtained in complete compliance with this exhibit) are received and approved by the City.

(3) Deductibles/Self-Insured Retentions. Payment of deductibles or self-insured retention is a Cost of the Work within the Guaranteed Maximum Price and does not justify a Change Order. Satisfaction of all self-insured retentions or deductibles will be the sole responsibility of the Contractor.

**G.3.10 Subcontractor Insurance.** The Contractor shall cause each Subcontractor to purchase and maintain in full force and effect policies of insurance as specified in this exhibit, except for coverage limits, which will be agreed upon between the City and the Contractor. The Contractor will be responsible for the Subcontractors' coverage if the Subcontractors fail to purchase and maintain the required insurance. When requested by the City, the Contractor will furnish copies of certificates of insurance establishing coverage for each Subcontractor.

**G.3.11 Limitations on Coverage.**

(1) No insurance provided by the Contractor under this exhibit will be required to indemnify the City, the Architect, or their employees or agents to the extent of liability for death or bodily injury to persons or damage to property caused in whole or in part by their own negligence, but will require indemnity to the extent of the fault of the Contractor or its agents, representatives, or Subcontractors.

(2) The obligations of the Contractor under this exhibit shall not extend to the liability of the Architect or its consultants for (1) the preparation or approval of maps, Drawings, opinions, reports, surveys, Change Orders, designs, or specifications, or (2) the giving or failure to give directions or instructions, to the extent that the directions, or failure to provide directions, are the cause of the injury or damage.

(3) By requiring insurance, the City does not represent that coverage and limits will necessarily be adequate to protect the Contractor. Insurance in effect or procured by the Contractor will not reduce or limit the Contractor's contractual obligations to indemnify and defend the City for claims or suits that result from or are connected with the performance of the Contract.

**G.3.12. Property Insurance**

**(1) Builder's Risk.**

Contractor shall obtain, at Contractor's expense, and keep in effect until final acceptance by the City, "all risk" Builder's Risk Insurance (including earthquake and flood) covering the real and personal property of others in the care, custody, and

control of the Contractor. Coverage shall include theft and damage to building interiors, exterior, in transit and offsite storage. The minimum amount of coverage to be carried shall be equal to the full amount of the contract. Contractor shall be financially responsible for any deductible applied to loss. This insurance shall include City, the Contractor and its subcontractors as their interest may appear. (2) **Contractor's Responsibility.** Contractor must provide insurance for its own machinery, tools, equipment, or supplies that are not to become a part of the Project.

## **SECTION H SCHEDULE OF WORK**

### **H.1 CONTRACT PERIOD**

- H.1.1 Time is of the essence on this Contract. The CM/GC shall at all times carry on the Work diligently, without delay and punctually fulfill all requirements herein. CM/GC shall commence Work on the site within ten (10) business days of Notice to Proceed, unless directed otherwise.
- H.1.2 Unless specifically extended by Change Order, all Work shall be complete by the date contained in the Contract Documents. The City shall have the right to accelerate the completion date of the Work, which may require the use of overtime to the extent such overtime is not required to achieve Substantial Completion. Such accelerated Work schedule shall be an acceleration in performance of Work under Section D.1.2 (f) and shall be subject to the Change Order process of Section D.1. In the event that overtime or other acceleration is required to achieve the Substantial Completion Date in the Contract Documents, the CM/GC shall be responsible for the additional cost .
- H.1.3 The City shall not waive any rights under the Contract by permitting the CM/GC to continue or complete the Work or any part of it after the date described in Section H.1.2 above.

### **H.2 SCHEDULE**

CM/GC shall provide by ten (10) business days before the pre-construction conference, a detailed master construction schedule for review and acceptance by the City. The submitted schedule must illustrate Work by significant project components, significant labor trades, long lead items, broken down by building and/or floor where applicable. Each schedule item shall account for no greater than 5 % of the monetary value of the project or 5 % of the available Contract Time. Schedules with activities of less than one day or valued at less than 1% of the Contract will be considered too detailed and will not be accepted. Schedules lacking adequate detail, or unreasonably detailed, will be rejected. Included within the schedule are the following: Notice to Proceed, any interim or phased work completions, Substantial Completion, and Final Completion. Schedules will be updated monthly and submitted with the monthly payment application. Acceptance of the Schedule by the City does not constitute agreement by the City, as to the CM/GC's sequencing, means, methods, or allocated Contract Time. Any positive difference between the CM/GC's scheduled completion and the Contract completion date is float owned by the City. City reserves the right to negotiate the float if it is deemed to be in City's best interest to do so. In no case shall the CM/GC make a request for additional compensation for delays if the Work is completed within the Contract Time but after CM/GC's scheduled completion.

### **H.3 PARTIAL OCCUPANCY OR USE**

The City may occupy or use any completed or partially completed portion of the Work at any stage, provided such occupancy or use is consented to by public authorities having jurisdiction over the Work. Such partial occupancy or use may commence whether or not the portion is substantially complete, provided the City and CM/GC have reasonably accepted in writing the responsibilities assigned to each of them for payments, retainage, if any, security, insurance or self-insurance, maintenance, heat, utilities, and damage to the Work, and have agreed in writing concerning the period for correction of the Work and commencement of warranties required by the Contract Documents with respect to such portion of the Work. Approval by the CM/GC to partial occupancy or use shall not be unreasonably withheld. Immediately prior to such partial occupancy or use, the City and CM/GC shall jointly inspect the area to be occupied or portion of the Work to be used in order to determine and record the condition of the Work. Partial occupancy or use of a portion or portions of the Work shall not constitute acceptance of Work not complying with the requirements of the Contract Documents.

### **H.4 BENEFICIAL OCCUPANCY OR USE**

The City may take possession of areas of the Project as a part of a scheduled, phased occupancy. Where such Beneficial Occupancy occurs, the CM/GC shall facilitate such occupancy, shall agree to work around occupied areas and shall conduct the balance of the construction of the Work in such a fashion to avoid impeding or otherwise obstructing the access to or activities conducted within the occupied space.

**SECTION I**  
**CORRECTION OF WORK**

**I.1 CORRECTION OF WORK BEFORE FINAL PAYMENT**

The CM/GC warrants to the City that materials and equipment furnished under the Contract will be of good quality and new unless otherwise required or permitted by the Contract Documents, that the Work will be free from defects, and that the Work will conform to the requirements of the Contract Documents. Work failing to conform to these requirements shall be deemed defective. CM/GC shall promptly remove from the premises and replace all defective materials and equipment as determined by the City's Authorized Representative, whether incorporated in the Work or not. Removal and replacement shall be without loss or expense to the City, and CM/GC shall bear the cost of repairing all Work destroyed or damaged by such removal or replacement. CM/GC shall be allowed a period of no longer than sixty (60) Calendar Days for completion of defective (punch list) work, unless otherwise agreed. At the end of that period, or earlier if requested by the CM/GC, City shall arrange for inspection of the Work by the Architect/Engineer. Should the Work not be complete, and all corrections made, the costs for all subsequent re-inspections shall be borne by the CM/GC. If CM/GC fails to complete the punch list work within the above time period, without affecting CM/GC's obligations City may perform such work and CM/GC shall reimburse City all costs of the same within twenty five (25) days after demand.

**I.2 WARRANTY WORK**

(1) Neither the final certificate of payment nor any provision of the Contract Documents shall relieve the CM/GC from responsibility for defective Work and, unless a longer period is specified, CM/GC shall correct all defects that appear in the Work within a period of one year from the date of issuance of the written notice of Substantial Completion by the City except for latent defects which will be remedied by the CM/GC at any time they become apparent.

The City shall give CM/GC notice of defects with reasonable promptness. CM/GC shall perform such warranty work within a reasonable time after City's demand. If CM/GC fails to complete the warranty work within such period as City determines reasonable, or at any time in the event of warranty work consisting of emergency repairs, without affecting CM/GC's obligations, City may perform such work and CM/GC shall reimburse City all costs of the same within thirty (30) Days after demand.

(2) This provision does not negate guarantees or warranties for periods longer than one year including without limitation such guarantees or warranties required by other sections of the Contract Documents for specific installations, materials, processes, equipment or fixtures.

(3) In addition to CM/GC's warranty, manufacturer's warranties shall pass to the City and shall not take effect until affected Work has been accepted in writing by the City's Authorized Representative.

(4) The one-year period for correction of Work shall be extended with respect to portions of Work performed after Substantial Completion by the period of time between Substantial Completion and the actual performance of the Work, and shall be extended by corrective Work performed by the CM/GC pursuant to this Section, as to the Work corrected. The CM/GC shall remove from the site portions of the Work which are not in accordance with the requirements of the Contract Documents and are neither corrected by the CM/GC nor accepted by the City.

(5) Nothing contained in this Section I.2 shall be construed to establish a period of limitation with respect to any obligations that the CM/GC has under the Contract Documents. Establishment of the period for correction of Work as described in this Section I.2 relates only to the specific contractual obligation of the CM/GC to correct the Work, and has no relationship to the time within which the obligation to comply with the Contract Documents may be sought to be enforced, nor to the time within which proceedings may be commenced to establish the CM/GC's liability with respect to such obligations.

(6) If the City prefers to accept Work which is not in accordance with the requirements of the Contract Documents, the City may do so instead of requiring its removal and correction, in which case the Contract Price will be reduced as appropriate and equitable. Such adjustment shall be effected whether or not final payment has been made.

**SECTION J**  
**SUSPENSION AND/OR TERMINATION OF THE WORK**

**J.1 CITY'S RIGHT TO SUSPEND THE WORK**

J.1.1 The City and/or the City's Authorized Representative has the authority to suspend portions or all of the Work

J.1.2 The City shall notify CM/GC and the CM/GC's Surety in writing of the effective date and time of the suspension and shall notify CM/GC and its surety in writing to resume Work.

## **J.2 CM/GC'S RESPONSIBILITIES**

J.2.1 During the period of the suspension, CM/GC is responsible to continue maintenance at the project just as if the Work were in progress. This includes, but is not limited to, protection of completed Work, maintenance of access, protection of stored materials, temporary facilities, and clean-up.

J.2.2 When the Work is recommenced after the suspension, the CM/GC shall replace or renew any Work damaged during the suspension, remove any materials or facilities used as part of temporary maintenance, and complete the project in every respect as though its prosecution had been continuous and without suspension.

## **J.3 COMPENSATION FOR SUSPENSION**

J.3.1 Depending on the reason for suspension of the Work, the CM/GC or the City may be due compensation by the other party. If the suspension was required due to acts or omissions of CM/GC, the City may assess the CM/GC actual costs of the suspension in terms of administration, remedial work by the City's forces or another CM/GC to correct the problem associated with the suspension, rent of temporary facilities, and other actual costs related to the suspension. If the suspension was caused by acts or omissions of the City, the CM/GC shall be due compensation which shall be defined using Section D, Changes in Work. If the suspension was required through no fault of the CM/GC or the City, neither party owes the other for the impact.

## **J.4 CITY'S RIGHT TO TERMINATE CONTRACT**

J.4.1 The City may, without prejudice to any other right or remedy, and after giving CM/GC five business days' written notice and an opportunity to cure, terminate the Contract in whole or in part under the following conditions:

(1) If CM/GC should voluntarily or involuntarily, seek protection under the United States Bankruptcy Code and CM/GC as debtor in-possession or the Trustee for the estate fails to assume the Contract within a reasonable time;

(2) If CM/GC should make a general assignment for the benefit of CM/GC's creditors;

(3) If a receiver should be appointed on account of CM/GC's insolvency;

(4) If CM/GC should repeatedly refuse or fail to supply an adequate number of skilled workers or proper materials to carry on the Work as required by the Contract Documents, or otherwise fail to perform the Work in a timely manner;

(5) If CM/GC should repeatedly fail to make prompt payment to Subcontractors or for material or labor, or should disregard laws, ordinances or the instructions of the City or its Authorized Representative; or

(6) If CM/GC is otherwise in material breach of any part of the Contract.

J.4.2 At any time that any of the above occurs, City may exercise all rights and remedies available to City at law or in equity, and in addition, City may take possession of the premises and of all materials and appliances and finish the Work by whatever method it may deem expedient. In such case, the CM/GC shall not be entitled to receive further payment until the Work is completed. If the City's cost of finishing the Work exceeds the unpaid balance of the Contract Price, CM/GC shall pay the difference to the City.

## **J.5 TERMINATION FOR CONVENIENCE**

J.5.1 City may terminate the Contract in whole or in part whenever City determines that termination of the Contract is in the best interest of the public.

J.5.2 The City will provide the CM/GC with five (5) business days' prior written notice of a termination for public convenience. After such notice, the CM/GC shall provide the City with immediate and peaceful possession of the premises and materials located on and off the premises for which the CM/GC received progress payment under Section E. Compensation for Work terminated by the City under this provision will be according to Section E. In no circumstance shall CM/GC be entitled to lost profits for Work not performed due to termination.

## **J.6 ACTION UPON TERMINATION**

- J.6.1 Upon receiving a notice of termination, and except as directed otherwise by the City, CM/GC shall immediately cease placing further subcontracts or orders for materials, services, or facilities. In addition, unless assigned as provided in Section J.6.4, below, CM/GC shall terminate all subcontracts or orders to the extent they relate to the Work terminated and, with the prior written approval of the City, settle all outstanding liabilities and termination settlement proposals arising from the termination of subcontracts and orders.
- J.6.2 As directed by the City, CM/GC shall upon termination transfer title and deliver to the City all Record Documents, information, and other property that, if the Contract had been completed, would have been required to be furnished to the City.
- J.6.3 Upon receiving a notice of termination Contractor shall, prior to vacating the site, provide to City a detailed written assessment of any potentially unsafe conditions on site that may be a threat to health or human safety.
- J.6.4 CM/GC shall assign to City each subcontract agreement for a portion of the Work provided that: (i.) Assignment is effective only after termination of this Contract by City for cause or stoppage of the Work by City, and only for those subcontract agreements which City accepts by notifying the subcontractor and CM/GC in writing; and (ii). Assignment is subject to the prior rights of the surety, if any, obligated under bond relating to this Contract. Upon such assignment, if the Work has been suspended for more than thirty (30) days, City shall equitably adjust subcontractor's compensation for increases in cost resulting from the suspension.

## **SECTION K CONTRACT CLOSE OUT**

### **K.1 RECORD DOCUMENTS**

As a condition of final payment (refer also to section E.6), CM/GC shall comply with the following: CM/GC shall provide to City's Authorized Representative, Record Documents of the entire project. Record Documents shall depict the project as constructed and shall reflect each and every change, modification, and deletion made during the construction. Record Documents are part of the Work and shall be provided prior to the City's issuance of final payment. Record Documents include all modifications to the Contract Documents unless otherwise directed.

### **K.2 OPERATION AND MAINTENANCE MANUALS**

As part of the Work, CM/GC shall submit completed operation and maintenance manuals ("O & M Manuals") and asbuilts in electronic format (.PDF) and for review by the City's Authorized Representative prior to submission of any pay request for more than 75% of the Work. No payments beyond 75% will be made by the City until the O & M Manual have been received. The O & M Manual shall contain a complete set of all submittals, all product data as required by the specifications, training information, phone list of consultants, manufacturers, installer and suppliers, manufacturer's printed data, record and shop drawings, schematic diagrams of systems, appropriate equipment indices, warranties and bonds. The City's Authorized Representative shall review and return an electronic copy of the O & M Manual for any modifications or additions required. Prior to submission of its final pay request, CM/GC shall deliver three complete and approved bound paper copies of O & M Manuals and one electronic copy delivered either in CD or Flash Drive format to the City's Authorized Representative.

### **K.3 AFFIDAVIT/RELEASE OF LIENS AND CLAIMS**

As a condition of final payment, the CM/GC shall submit to the City's Authorized Representative a notarized affidavit/release of liens and claims form, in a form satisfactory to City, which states that all Subcontractors and suppliers have been paid in full, all disputes with property Citys have been resolved, all obligations on the project have been satisfied, all monetary claims and indebtedness have been paid, and that, to the best of the CM/GC's knowledge, there are no claims of any kind outstanding against the project. The CM/GC shall indemnify, defend (with counsel of City's choice) and hold harmless the City from all claims for labor and materials finished under this Contract. The CM/GC shall furnish complete and valid releases or waivers, satisfactory to the City, of all liens arising out of or filed in connection with the Work. CM/GC shall collect all affidavit and lien release documents to deliver to the City in a single consolidated package.

### **K.4 COMPLETION NOTICES**

- K.4.1 CM/GC shall provide City notice of both Substantial and Final Completion. The certificate of Substantial Completion shall state the date of Substantial Completion, the responsibilities of the City and CM/GC for security, maintenance, heat,

utilities, damage to the Work and insurance, and the time within which the CM/GC shall finish all items on the punch list accompanying the Certificate. Both completion notices must be signed by the CM/GC and the City to be valid. The City shall provide the final signature on the notices. The notices shall take effect on the date they are signed by the City.

K.4.2 Substantial Completion of a facility with operating systems (e.g., mechanical, electrical, HVAC) shall be that degree of completion that has provided a minimum of thirty (30) continuous Days of successful, trouble-free operation with normal operational staffing experience and levels, which period shall begin after all performance and acceptance testing has been successfully demonstrated to the City's Authorized Representative. All equipment contained in the Work, plus all other components necessary to enable the City to operate the facility in the manner that was intended, shall be complete on the Substantial Completion date. The CM/GC may request that a punch list be prepared by the City's Authorized Representative with submission of the request for the Substantial Completion notice.

#### **K.5 TRAINING**

As part of the Work, and prior to submission of the request for final payment, the CM/GC shall schedule with the City's Authorized Representative, training sessions for all equipment and systems, as required in the individual specifications sections. CM/GC shall schedule training sessions at least ten (10) business days in advance of the date of training to allow City personnel adequate notice. The O & M Manual shall be used as a basis for training. Training shall be a formal session, held after the equipment and/or system is completely installed and operational in its normal operating environment.

#### **K.6 EXTRA MATERIALS**

As part of the Work, CM/GC shall provide spare parts, extra maintenance materials, and other materials or products in the quantities specified in the specifications, prior to final payment. Delivery point for extra materials shall be designated by the City's Authorized Representative.

#### **K.7 ENVIRONMENTAL CLEAN-UP**

As part of the Final Completion notice, or as a separate written notice submitted with or before the notice of Final Completion, the CM/GC shall notify the City that all environmental pollution clean-up which was performed as a part of this Contract has been disposed of in accordance with all applicable rules, regulations, laws, and statutes of all agencies having jurisdiction over such environmental pollution. The notice shall reaffirm the indemnification given under Section F.5.1 above.

#### **K.8 CERTIFICATE OF OCCUPANCY**

The CM/GC shall not be granted Final Completion or receive final payment if the City has not received an unconditioned certificate of occupancy from the appropriate state and/or local building officials, unless failure to obtain an unconditional certificate of occupancy is due to the fault or neglect of City.

#### **K.9 OTHER CM/GC RESPONSIBILITIES**

The CM/GC shall be responsible for returning to the City all items issued during construction such as keys, security passes, site admittance badges, and all other pertinent items. The CM/GC shall be responsible for notifying the appropriate utility companies to transfer utility charges from the CM/GC to the City. The utility transfer date shall not be before Substantial Completion and may not be until Final Completion, if the City does not take beneficial use of the facility and the CM/GC's forces continue with the Work.

#### **K.10 SURVIVAL**

All warranty and indemnification provisions of this Contract, and all of CM/GC's other obligations under this Contract that are not fully performed by the time of Final Completion or termination, shall survive Final Completion or any termination of the Contract

### **SECTION L LEGAL RELATIONS & RESPONSIBILITIES**

#### **L.1 LAWS TO BE OBSERVED**

In compliance with ORS 279C.525, CM/GC shall comply with any and all enacted ordinances or regulations relating to

environmental pollution and the preservation of natural resources that may affect the performance of the Contract. State law requires that solicitation documents for a public improvement contract make specific reference to federal, state, and local agencies that have enacted ordinances, rules, or regulations dealing with the prevention of environmental pollution or the preservation of natural resources that may affect the performance of this Contract. These agencies include, but are not limited to:

- L.1.1 Federal Agencies: Department of Agriculture, Forest Service, Soil and Water Conservation Service, Coast Guard, Department of Defense, Army Corps of Engineers, Department of Emergency, Federal Energy Regulatory Commission, Environmental Protection Agency, Department of Health and Human Services, Department of Housing and Urban Development, Solar Energy and Energy Conservation Bank, Department of Interior, Bureau of Land Management, Bureau of Indian Affairs, Bureau of Mines, Bureau of Reclamation, Geological Survey, Minerals Management Service, U.S. Fish and Wildlife Service, Department of Labor, Mine Safety and Health Administration, Occupation Safety and Health Administration, Department of Transportation, Federal Highway Administration, Water Resources Council.
- L.1.2 State Agencies: Department of Administrative Services, Department of Agriculture, Soil and Water Conservation Commission, Columbia River Gorge Commission, Department of Energy, Department of Environmental Quality, Department of Fish and Wildlife, Department of Forestry, Department of Geology and Mineral Industries, Department of Human Resources, Department of Consumer and Business Services, Land Conservation and Development Commission, Department of Parks and Recreation, Division of State Lands, Department of Water Resources.
- L.1.3 Local Agencies: City councils, county courts, county boards of commissioners, metropolitan service City councils, design commissions, historic preservation commissions, planning commissions, development review commissions, special City boards of directors, and other special Citys and special governmental agencies such as Tri-Met, urban renewal agencies, and Port Citys.
- L.1.4 Tribal Governments.

## CONSTRUCTION MANAGER/GENERAL CONTRACTOR ("CM/GC") CONTRACT between

THE CITY OF SANDY, OREGON

and

FULL, LEGAL NAME OF CONTRACTOR

### For 2020 Sanitary Sewer Rehabilitation for Inflow and Infiltration Reduction Project

This Construction Manager / General Contractor ("CM/GC") Contract ("Contract") is made by and between the City of Sandy, a partnership agency within the State of Oregon ("City" or "Agency") and Full, legal name of Contractor ("Contractor" or "CM/GC") to provide construction services for the Collection System I/I Reduction Project ("Project"), briefly described below:

The Project is briefly described as follows: To reduce RDII and focus attention on the City's collection system, the project includes rehabilitation of the collection system in high priority areas. The rehabilitation includes up to 35,000 feet of gravity sewers and associated manholes and up to 600 sewer service laterals. Private laterals will be rehabilitated as close to the building foundation wherever possible.

The Engineer on this Project is: Leeway Engineering Solutions, LLC.

#### CONTRACTOR DATA

Contractor must submit a completed "Request for Taxpayer Identification Number and Certification" (Form W-9) with this signed Contract. Payment information will be reported to the Internal Revenue Service under the name and TIN or SSN, whichever is applicable, provided by Consultant. Contractor shall be responsible for all federal, state, and local taxes and any and all fees applicable to payments for Work under this Contract.

**Business Name:** Full, legal name of Contractor

**Contractor Contact Person:**

**Address:**

**City, State, ZIP:**

**Business Telephone:**

**Facsimile:**

**Email:**

**Federal Tax Identification Number ("TIN") or Social Security Number ("SSN"):**

**Oregon CCB License Number:**

Contractor certifies under penalty of perjury that Contractor is a:

- Sole Proprietor
- Corporation
- Limited Liability Company
- Partnership
- Other [describe: \_\_\_\_\_]

## **ATTACHED EXHIBITS**

Exhibit A - General Conditions to the Contract

Exhibit A1 – Supplementary Conditions to the Contract

Exhibit B - Request for Proposals (RFP) CM/GC Services

Exhibit C – Contractors Response to RFP for CM/GC Services (redlined to include any negotiated changes)

Exhibit D – Form of GMP Amendment

**The City of Sandy (City) and CM/GC agree as set forth below:**

**1. DEFINITIONS**

Except as expressly defined or modified below or elsewhere in the Contract Documents, all capitalized terms shall have the meanings set forth in the General Conditions attached as Exhibit A (the "General Conditions"). The terms below are expressly defined as follows:

- a. **Affiliate.** Affiliate shall mean any subsidiary of CM/GC (defined below), and any other entity in which CM/GC has a financial interest or which has a financial interest in CM/GC (including without limitation parent companies, related businesses under the same holding company, or any other business controlled by, under common control with, or which controls CM/GC).
- b. **Allowances.** Allowances shall mean funding reserved to address non-quantifiable scopes of work shown or inferred in the GMP Supporting Documents, together with such further allowances as may be developed by the parties as the Project progresses.
- c. **Amendment.** Amendment shall mean a written modification of the Contract executed by both parties.
- d. **Business Days.** Business Days shall mean every day except Saturday, Sunday, and the nine legal holidays recognized by the City: New Year's Day, Martin Luther King, Jr. Day, President's Day, Memorial Day, Independence Day, Labor Day, Veteran's Day, Thanksgiving Day and Christmas Day.
- e. **CM/GC Construction manager / general contractor,** – means a person that provides construction manager/general contractor services to a contracting agency under a public improvement contract as specified in ORS 279C.332 (2).
- f. **Construction manager/general contractor services.** Has the meaning set forth in ORS 279C.332 (3).
- g. **Change Order.** Change Order shall mean a written modification of the Contract under Section D.1 of the General Conditions (including without limitation any agreed change to GMP), identified as a Change Order and executed by the City and CM/GC.
- h. **Construction Documents.** Construction Documents are those documents that are used specifically for the construction of the Work and are a part of the Contract Documents.
- i. **Construction Phase.** The Construction Phase shall mean the period commencing on the City's execution of a GMP Amendment or Early Work Amendment, together with the issuance by the City of a Notice to Proceed with any on-site construction.
- j. **Construction Services.** Construction Services shall mean all of the Work other than the Preconstruction services.
- k. **Contract Documents.** Contract Documents shall have the meaning given in Section A.1 of the General Conditions, as supplemented by paragraph 2.a. below.
- l. **Early Work.** Early Work shall mean Construction Services authorized by Pre-GMP Amendment that the parties agree should be performed in advance of establishment of the entire GMP for the Work. Permissible Early Work shall be limited to: early procurement of materials and supplies; early release of bid or proposal packages for site development and related activities; and any other advance Work related to critical components of the Project for which performance prior to establishment of the GMP

will materially and positively affect the development of the completion of the Project. The City will only compensate the CM/GC for Early Work if it is authorized in an Early Work Amendment.

- m. Early Work Amendment.** Early Work Amendment shall mean an Amendment to the Contract executed by and between the parties to authorize Early Work prior to GMP.
- n. General Conditions Work.** General Conditions Work (“GC Work”) shall mean:

  - 1) that portion of the Work required to support construction operations that is not included within overhead or general expense but is called out as GC Work in Exhibit C, and
  - 2) any other specific categories of Work approved in writing by the City as forming a part of the GC Work. GC Work shall mean customary layout, clean up, supervision, and portions of the Work of a minor nature and not feasibly part of the subcontracted Work due to: exclusions by the Subcontractor not resolved through the process described in paragraph 11.c, undeveloped design owing to deviations in Work performed or materials delivered by Subcontractors or suppliers that do not represent defective or nonconforming Work, a breach or failure to perform by the Subcontractor or supplier, complexity of coordination of the Work, and other similar reasons typically providing cause for “pick-up” or GC Work under industry standards; provided, however, that:
    - i. the CM/GC has reasonably determined that doing such portion of the Work itself is in the best interests of City,
    - ii. such Work is identified as GC Work in monthly billings and
    - iii. CM/GC receives prior approval of the City as to the scope of such GC Work.
- o. Guaranteed Maximum Price (GMP).** GMP shall mean the Guaranteed Maximum Price of the Contract, as stated in dollars within the GMP Amendment(s), as determined in accordance with paragraph 6, and as it may be adjusted from time to time pursuant to the provisions of the Contract.
- p. GMP Amendment.** GMP Amendment shall mean an Amendment to the Contract, issued substantially in the form of Exhibit D executed by and between the parties, to establish the GMP and identify the GMP Supporting Documents for Construction Services.
- q. GMP Supporting Documents.** GMP Supporting Documents shall mean the documents referenced in a GMP Amendment as the basis for establishing a GMP. The GMP Supporting Documents shall expressly identify the Plans and Specifications, schedules, phasing plans, assumptions, qualifications, exclusions, conditions, allowances, unit prices, alternates and other pertinent information and documentation that form the basis for the proposed GMP.
- r. Preconstruction Phase.** The Preconstruction Phase shall mean the period commencing on the effective date of this CM/GC Contract and generally ending upon commencement of the Construction Phase; provided that if the City and CM/GC agree, the Construction Phase may commence before the Preconstruction Phase is completed, in which case both phases shall proceed concurrently, subject to the terms and conditions of the Contract Documents.
- s. Preconstruction services.** Preconstruction services shall mean all services described in paragraph 3.a. and as described in Exhibit B– RFP for CM/GC Services, Scope of Preconstruction Services, but excluding any Early Work. Early Work shall be considered part of Construction Services.
- t. Scope Change.** Scope Change shall mean only:

- 1) Materially changed site conditions not reasonably inferable from information available to CM/GC at the time of execution of the GMP Amendment either through review of project documentation or examination of existing site conditions/reports, and
- 2) Material Work modifications (including additions, substitutions, and deletions), application of Allowances, and selection of alternates not originally included in the GMP, all as approved by the City under the Contract beyond that identified or inferable from the GMP Supporting Documents (but in the case of Allowance items, the GMP will increase only if the cost to City of the Allowance items exceeds the total amount of the Allowances).

## 2. CONTRACT DOCUMENTS

- a. **Contract Documents.** City and the CM/GC agree to the terms of the Contract that are set forth in the Contract Documents. For purposes of this Project, the Contract Document referenced as "CM/GC Contract" in the General Conditions shall mean this Contract between the City and CM/GC. The Contract shall include all exhibits attached hereto, which by this reference are incorporated herein as well as any properly executed Amendments and Change Orders to this Contract. This Contract shall supersede any and all arrangements or agreements between the parties, whether written or otherwise.
- b. **Effective Date.** The Contract shall become effective on the last date on which all parties have signed the Contract and City has issued a written directive for the CM/GC to proceed with Preconstruction services.
- c. **The Contract; Order of Precedence.** Except as expressly otherwise provided herein, the order of precedence of the Contract Documents is established in Section A.3 of the General Conditions, if there are inconsistent or conflicting terms among the Contract Documents.

## 3. WORK OF THE CONTRACT

- a. **Preconstruction services.** The CM/GC agrees to provide all of the services stated in Exhibit B-RFP for CM/GC Services, Scope of Preconstruction Services, on an ongoing basis in support of, and in conformance with, the time frames described herein as well as at the direction of the City and in cooperation with the Engineer and other designated Project consultants (the "Construction Principals").
- b. **Construction Services.**
  - 1) Upon execution of an Early Work Amendment or GMP Amendment, the CM/GC shall commence with Construction Services as provided in the Contract, including without limitation providing and paying for all materials, tools, equipment, labor, jurisdictional approval as required for the Work, professional and non-professional services, and performing all other acts and supplying all other things necessary to fully and properly perform and complete the Work, as required by the Contract, to furnish to City a complete, fully functional Project, capable of being legally occupied and fully used for its intended purposes upon completion of the Contract (or, as to an Early Work Amendment, to furnish such Work as is described in the Early Work Amendment).
  - 2) Notwithstanding any other references to Construction Services in this Agreement, the Contract shall include only Preconstruction services unless:
    - i. the parties execute a GMP Amendment or

- ii. the parties execute an Early Work Amendment, defined below.
- 3) The parties may execute one or more Early Work Amendments identifying specific Construction Services that must be performed in advance of establishment of the GMP, without exceeding a time & expense budget with a not-to-exceed limit or a fixed price ("Early Work Price") to be stated in such Amendment, subject to all necessary City approvals as required.
- i. If the Early Work Price is a time & expense budget, then CM/GC shall be obligated to perform the Early Work only to the extent that the Cost of Work therefore, together with the CM/GC Fee, does not exceed the Early Work Price; however
  - ii. if CM/GC performs Early Work under a fixed price, and incurs cost in excess of that fixed price, the CM/GC shall complete the Early Work and pay such excess cost without reimbursement.
  - iii. If one or more Early Work Amendments are executed, the CM/GC shall diligently continue to work toward development of a GMP Amendment acceptable to City, which shall incorporate the Early Work Amendments.
- 4) If City thereafter terminates the Contract prior to execution of a GMP Amendment, the provisions of Section J.5 of the General Conditions shall apply.
- 5) Prior to commencement of the Construction Phase, and in any event not later than mutual execution of the GMP Amendment, CM/GC shall provide to City a full performance bond and a payment security bond as required by Section G of the General Conditions in the amount of the GMP. If an Early Work Amendment is executed, CM/GC shall provide such bond in the amount of the Early Work Price under the Early Work Amendment. CM/GC shall provide to City additional or replacement bonds at the time of execution of any subsequent Early Work Amendment or GMP Amendment, in each case prior to execution of the Amendment and the supplying of any labor or materials for the prosecution of the Work covered by the Amendment, and in each case in a sufficient amount so that the total bonded sum equals or exceeds the total Early Work Price or the GMP, as the case may be. In the event of a Scope Change that increases the GMP, CM/GC shall provide to City an additional or supplemental bond in the amount of such increase prior to performance of the additional Work.

#### 4. RELATIONSHIP AND ROLES OF THE PARTIES

- a. **Independent Contractor.** The CM/GC is an independent contractor and not an officer, employee, or agent of City as those terms are used in ORS 30.265.
- b. **Performance of Work.** The CM/GC covenants with City to:
  - 1) cooperate with the City's Authorized Representative(s), Construction Principals, agencies having jurisdiction,
  - 2) utilize the CM/GC's professional skill, efforts and judgment in furthering the interests of City;
  - 3) to furnish efficient business administration and supervision;
  - 4) to furnish at all times an adequate supply of workers and materials; and
  - 5) to perform the Work in conformance with the terms and conditions of the Contract Documents and in a safe, expeditious and economical manner consistent with the interests of City.

- c. **Design Consultants.** City has a separate contract with the Engineer related to the Project. Both the CM/GC and the Engineer shall be given direction by City through City's Authorized Representative(s). The CM/GC agrees to support City's efforts to create a collaborative and cooperative relationship among the CM/GC, Engineer, other Project consultants, and City's Authorized Representative(s).
- d. **Forms and Procedures.** The City has developed or may develop procedures and forms for the administration and tracking of the Contract. The CM/GC agrees to abide by those procedures and use those forms.
- e. **CM/GC's Project Staff.** The CM/GC's Project staff shall consist of the following personnel:
  - 1) Project Manager: \_\_\_\_\_ (name, email, phone) shall be the CM/GC's Project Manager and will supervise and coordinate all Construction Phase and Preconstruction services of CM/GC and participate in all meetings throughout the Project term unless otherwise directed by City. CM/GC represents that the Project Manager, or designee approved by City, has authority to execute Change Orders and Contract Amendments on behalf of the CM/GC.
  - 2) Job Superintendent: If Construction Services are requested and accepted by City, \_\_\_\_\_ (name, email, phone) shall be the CM/GC's on-site job superintendent throughout the Project term. In addition to the Construction Services, the Job Superintendent shall be an active part of the Preconstruction Services Project team.
- f. **Key Persons.** The CM/GC's personnel identified in paragraph 4.e., and the key staff identified by name in CM/GC's Proposal to the RFP and accepted by City, shall be considered Key Persons and shall not be replaced during the Project without the prior written permission of City, which shall not be unreasonably withheld. If the CM/GC intends to substitute personnel, a request must be given to City at least thirty (30) Days (or such shorter period as permitted by City) prior to the intended time of substitution. When replacements have been approved by City, the CM/GC shall provide a transition period of at least ten (10) Business Days during which the original and replacement personnel shall be working on the Project concurrently; provided, however, that City shall be charged and pay for only the original or the replacement personnel, whichever is less expensive but not both, for the transition period. Once a replacement for any of these staff members is authorized, further replacement shall not occur without the prior written permission of City.
- g. In the event that replacement of Key Persons is required during the course of the Project, the resume for subsequent staff members proposed shall be provided to the City for review and approval prior to their assignment to the Project. CM/GC shall not assign any person the City does not specifically approve of, such approval which shall not be unreasonably withheld by the City.
- h. Replacement staff shall be of equal or higher caliber in terms of experience and skills sets than those they are replacing.
- i. In the event that Key Persons are replaced during the Project, the City shall not incur additional cost for labor rates of replacement staff compared to the originally proposed staff members. Any labor expenses in excess of those proposed for the original Key Persons shall be the financial responsibility of the CM/GC.

## 5. DATE OF COMMENCEMENT; SUBSTANTIAL AND FINAL COMPLETION

- a. **Notice to Proceed.** If Construction Services are added to the Contract as set forth in paragraph 3.b., then a Notice to Proceed will be issued by City to begin the designated or full Construction Services ("Notice to Proceed"). A separate Notice to Proceed shall be issued for any and every Early Work

Amendment and each of the two GMP Amendments.

- b. **Completion of Project.** The CM/GC shall achieve Substantial Completion of the entire Work not later than \_\_\_\_\_, 20\_\_ and shall achieve Final Completion not later than \_\_\_\_\_ (\_\_) calendar days after Substantial Completion. City and the CM/GC may agree to phased acceptance, in which case City shall have the right to take possession and acceptance of the Project in phases, and the CM/GC agrees that such partial acceptance shall not be grounds for adjustment of the GMP or the Substantial or Final Completion Dates.
- c. **[INTENTIONALLY OMITTED]**
- d. **Time is of the Essence.** All time limits stated in the Contract Documents are of the essence.
- e. **Time Extensions.** Notwithstanding provisions for Contract time extensions in Section D.2 of the General Conditions, City and CM/GC agree that timely completion of the Work is essential to the success of the Project, and that approval for time extension shall be granted only as a last resort.
- f. **Failure to Achieve Substantial Completion by Final Completion Date.** In the event CM/GC fails to obtain Substantial Completion by the date set for Final Completion in 5.b, subject to any time extensions granted by the City during the Project, City reserves the right to terminate this Contract for Cause and pursue any course of action deemed in the best interest of the City to complete the Project. Any and all costs incurred by the City, in addition to any actual damages accrued, under this clause shall be considered the financial responsibility of the CM/GC.
- g. **Delay in Final Completion.** City shall make payment of the balance due for any portion of the Work fully completed and accepted if Final Completion is materially delayed through no fault of Contractor or by issuance of Change Orders affecting final completion. In the event that final completion is not accomplished within thirty (30) calendar days after the date of Substantial Completion due to any fault of Contractor, City may withhold from the final payment 150 percent of the reasonable cost to complete the unfinished Work and to attain Final Completion. In the event Contractor fails to complete the Work necessary to attain Final Completion after forty five (45) days from Substantial Completion, City may, without waiving other remedies it may have, complete the Work and deduct the actual cost thereof from the funds withheld.

**6. FEES, CONTRACT SUM AND GMP**

- a. **Fees; Contract Sum; GMP.** City shall pay CM/GC the Preconstruction Fee described in paragraph 6.d. In addition, for each Early Work Amendment executed by CM/GC and City, City shall pay CM/GC, as payment for the Early Work, an amount equal to the sum of the CM/GC Fee to the proportional extent attributable to the Early Work, the cost of any bonds and insurance applicable to the Early Work, and the actual cost of all Early Work completed and accepted by City, but not exceeding the Early Work Price.
- b. The GMP shall be determined in accordance with the formula set forth below and as described in this paragraph 6.

<b>Preconstruction Fee</b> (Becomes a not-to exceed amount)
<b>+ CM/GC Fee</b> (Is a fixed dollar amount, which is subject to adjustment in accordance with paragraph 6.f.)
<b>Construction Fee (GMP Determination)</b>
<b>+ Cost of the Work</b> (Becomes a total amount based on established pay items)

+ Bonds and Insurance (Estimated costs)
+ Risk/Contingency Items (An allowance not included in Cost of the Work)
= GMP

- c. The "Cost of the Work" is specifically defined in Article 8. Costs in excess of the GMP shall be paid by the CM/GC without reimbursement by City. Changes to the GMP shall only be authorized by Amendment or Change Order that includes any necessary City approvals
- d. **Preconstruction Fee.** The Preconstruction Fee shall be payable to CM/GC as a lump sum of \$\_\_\_\_\_ which shall cover coordination with the City and Engineer, constructability review, value engineering, cost estimating, development of GMP, and all other reconstruction services, as described in paragraph 3. If CM/GC's costs for provision of Preconstruction Phase Services exceed the maximum Preconstruction Fee, CM/GC shall absorb such additional costs without reimbursement from City. City shall pay the Preconstruction Fee on a percent-complete basis with each application for payment during the Preconstruction Phase. If the total actual Preconstruction Fee is less than the maximum Preconstruction Fee, the City shall retain the unused fee.
- e. **Preconstruction services provided after execution of the GMP Amendment:** If City and CM/GC execute a GMP Amendment, compensation for any ongoing preconstruction services that occur after execution of the GMP will be addressed in the GMP Amendment.
- f. **Establishment of CM/GC Fee; Converting the CM/GC Fee Percentage into a Fixed Amount; Adjustments to CM/GC Fee.**
  - 1) The CM/GC Fee shall be a fixed fee, set forth in Exhibit C and the Cost of the Work subject to adjustment by change order that is based upon the Cost of the Work in any Early Work Amendment(s) and the GMP Amendment. In calculating the GMP, the Cost of the Work shall exclude the Preconstruction Costs, the CM/GC Fee itself and any other cost or charge which this CM/GC Contract states is not to be included in calculating the CM/GC Fee.
    - i. **The CM/GC Fee Components:** The CM/GC Fee is inclusive of 1) profit; 2) general and administrative (G&A) costs; 3) home, branch and regional office overhead; and 4) other indirect and non-reimbursable costs as identified in Exhibit A, the General Conditions. The CM/GC Fee shall exclude costs for construction risk to perform the Work. Costs for Construction General Conditions not included in the CM/GC Fee shall be included in the Cost of the Work. Risk for construction that is allocated to the CM/GC shall be included in the agreed-upon Pay items that comprise the Cost of the Work.

No additional markup will be paid to the CM/GC for change order or force account work or for subcontracted labor or materials.
  - 2) **Good Faith Negotiations** - The Agency and CM/GC shall negotiate the fixed lump sum amounts, estimated quantities, fixed unit prices, estimated cost reimbursable amounts, and all other aspects of the Work in good faith and shall establish a set of assumptions upon which all Work and unit prices are based.
  - 3) **Amendment Pricing.** Once all components of the Work are agreed upon by the City and CM/GC, all Pay Item total costs (the Pay Item estimated quantity multiplied by the unit price) shall be rolled into one total amount, which becomes the Cost of the Work. The CM/GC Fee then becomes a fixed amount for the Work, subject to adjustment by Change Order in accordance with Article 7. The estimated actual reimbursable costs for any applicable bonds and insurance shall not be subject to

mark-up.

- 4) In addition, if the Contract is terminated for any reason prior to full completion of the Work (including, without limitation, termination during or following performance of Early Work), the CM/GC Fee shall be limited to the total CM/GC Fee multiplied by the percentage of Work completed and accepted at the time of termination. The CM/GC Fee shall not be subject to adjustment for any other reason, including, without limitation, schedule extensions or adjustments, Project delays, unanticipated costs, or unforeseen conditions.

**g. Determination of GMP.**

- 1) CM/GC shall deliver to City a proposed GMP and GMP Supporting Documents at a time designated by City during the Preconstruction Phase. If any actual subcontract Offers are available at the time the GMP is being established, CM/GC shall use those subcontract Offers in establishing the GMP.
- 2) As the Plans and Specifications may not be developed to the stage of biddable design documents at the time the GMP proposal is prepared, the CM/GC shall provide in the GMP for further development of the Plans and Specifications by the Engineer that is consistent with the Contract Documents and reasonably inferable there from. Such further development does not include such things as changes in scope outside of the original intent of the design, fundamental system or process types, significant changes to types or quantities of building components that are inconsistent with the original design intent, quality of finishes or equipment, all of which, if required, shall be incorporated by Change Order or Amendment with a corresponding GMP adjustment.
- 3) The CM/GC shall include with its GMP proposal a written statement of its basis (the "GMP Supporting Documents"), which shall include:
  - i. A list of the Plans and Specifications, including all addenda thereto and the conditions of the Contract, which were used in preparation of the GMP proposal.
  - ii. A detailed list of allowances and contingencies, the allocated amount of the GMP as well as a statement of their basis, parameters and calculation methodology.
  - iii. A list of the clarifications, qualifications, exclusions, assumptions and any other material qualifiers used by the CM/GC in the preparation of the GMP proposal to supplement the information contained in the Plans and Specifications.
  - iv. The proposed GMP, including a statement of the estimated cost organized in a manner acceptable to the City, allowances, contingency, and other items and the associated fees that comprise the GMP.
  - v. The parties may agree to identify and carry contingency to reflect potential escalation of material and commodity prices during the course of construction as well as estimated risk costs for changes and differing site conditions.
- 4) The CM/GC shall meet with the City and Engineer to review the GMP proposal and the written statement of its basis. If the City or Engineer discovers any inconsistencies or inaccuracies in the information presented, they shall promptly notify the CM/GC, who shall make appropriate adjustments to the GMP proposal, its basis or both.
- 5) Prior to the City's acceptance of the CM/GC's GMP proposal and issuance of a Notice to Proceed, the CM/GC shall not incur any cost to be reimbursed as part of the Cost of the Work, except as specifically provided in an Early Work Amendment.

- 6) The City shall authorize and cause the Engineer to revise the Plans and Specifications to the extent necessary to reflect the agreed-upon assumptions and clarifications contained in the GMP Amendment. Such revised Plans and Specifications shall be furnished to the CM/GC in accordance with schedules agreed to by the City, Engineer and CM/GC. Prior to commencement of work, the CM/GC shall promptly notify the Engineer and City if such revised Plans and Specifications are inconsistent with the agreed-upon assumptions and clarifications.
- 7) The GMP shall include in the Estimated Cost of the Work only those taxes and/or governmental fees which are enacted at the time the GMP is established.
- 8) The Estimated Cost of the Work shall include the Project contingency, which is a sum established by the CM/GC and City for the City and CM/GC's mutually agreed upon use to cover additional development of Plans and Specifications and unanticipated costs and unforeseen conditions which are properly reimbursable as Cost of the Work but which are not the basis for a Change Order. For purposes of use of Project's contingency, unanticipated costs and unforeseen conditions include Work within the scope of the Project or any conditions that the parties reasonably should have anticipated might be encountered during the renovation of a site or of a building of similar nature, condition and age. The parties shall provide advance written notice to the other each time the parties propose to use the Project contingency, shall include in the notice the purposed purpose for such use, and shall seek the agreement and approval of the other prior to the contingency use, the approval of which shall not unreasonably be withheld by the other party.
  - i. The Project contingency shall not be utilized by any party to make changes to the Project that are inconsistent with Article 6. or should reasonably be incorporated into the Project via a Change Order.
- 9) The CM/GC shall work with the Engineer and City to identify and confirm components and systems not specifically shown but required for a complete, fully functional Project and sequencing to maintain continuous delivery of treated water. City will direct the Engineer to complete the final Construction Documents in accordance with the Project scope agreed upon by all parties at the time the GMP is established.
- 10) Notwithstanding the level of detail represented in the GMP Supporting Documents, the CM/GC shall represent and warrant, at the time that it submits the GMP that the GMP includes the entire cost of all components and systems required for a complete, fully functional facility consistent with the design intent of the City and Engineer.
- 11) In developing the GMP, the CM/GC shall include and identify any allowances within the GMP as may be necessary to pay for undefined costs and conditions that are required for a complete, fully functional facility.
- h. Failure to Furnish an Acceptable GMP.** If the CM/GC does not furnish a GMP acceptable to City or if City determines at any time in its sole discretion that the parties may fail to reach a timely agreement on a GMP acceptable to City, City may terminate the Contract without liability, and the CM/GC shall not receive additional compensation beyond the Preconstruction Fee earned as of the date of the termination under the Contract and sums due under any Early Work Amendment. Termination under this provision shall proceed under Section J.5 of the General Conditions as a termination for City's convenience. CM/GC further agrees that City shall not be liable for any damages whether actual, consequential or otherwise for termination of the Contract under this provision.
- i. Acceptance of GMP.** Upon acceptance of the GMP by City, the parties shall execute a GMP

Amendment for the relevant package to which the GMP relates.

- j. City Savings.** If the sum of the Preconstruction Fee, plus the CM/GC Fee, plus the actual and final Cost of the Work (the Contract Sum as defined in paragraph 6.a.), is less than the GMP, 100% of the savings shall accrue to the City.
- k. Allowance Work.**

  - 1) CM/GC shall not perform any Allowance Work without prior written authorization by the City approving the Specifications for the Allowance Work and the price thereof.
  - 2) City shall be entitled to reallocate any Allowance line items that have not been fully expended to other line item Allowances that have been fully expended, without any resulting increase in the GMP.
  - 3) If the total cost of the Work associated with allowances exceeds the total Allowances amount within the GMP, CM/GC shall not perform any Allowance Work in excess of such amount until either (i) the parties agree that the additional Allowance Work will be performed within the then-current GMP or (ii) a GMP Amendment is executed to increase the GMP by the excess cost of the Allowance Work.
  - 4) If at the Final Completion of the Project, any portion of the Allowance funds remains unexpended, the GMP shall be reduced by a corresponding amount via a Change Order or Amendment.
  - 5) Allowances shall not be allowed to have costs charged against them for accounting purposes on the Project. CM/GC shall submit itemized estimates based on competitive bids or quotes for City review and approval for any and all Work covered by Allowances. Upon acceptance by the City, CM/GC will reallocate Allowance funding to general Cost of the Work budget line items.
- l. Reallocating Projected Cost Underruns after Bid (Offer) Buyout.** As soon as possible after the awarding of the Work to the primary Subcontractors, after review and approval by the City, CM/GC shall review projected costs and provide the City with a buy-out status report showing any projected cost over/under runs by contracting package, reconciling accepted Offers and other reasonably anticipated costs, to the cost estimate used by CM/GC to establish the GMP. CM/GC shall include with its report any underlying documentation requested by City used to develop or support such report. CM/GC shall also consider the reduced risk associated with known subcontracting costs, and the impact that reduced risk has on the amount of the Project's Contingency. The parties shall negotiate in good faith to execute a budget revision transferring an appropriate portion of any projected cost over/under runs to/from the Project Contingency. Any unused contingency shall be returned to the City.

  - 1) Over/under runs on bid packages and subcontracted scopes of work shall accrue or be funded from a buy-out contingency that will be jointly controlled by the City and CM/GC. Funding in the buy-out contingency shall not be allocated other than to portions of the Work until all Subcontractors are under contract, at which time any surplus shall accrue to the contingency for the Project subject to the requirements and limitation of use described herein.
- m. CM/GC's Sole Responsibility for Errors.** The CM/GC agrees that review or approval by Agency or its agents of the CM/GC's estimates, proposals, pricing, or any other information disclosed to Agency, including those under Early Work Amendment(s) or the GMP Amendment, shall not relieve CM/GC of its sole responsibility for any costs resulting from or arising out of defects or deficiencies in the CM/GC's estimates, proposals, pricing, or any other information disclosed to Agency.

## 7. CHANGES IN THE WORK

- a. Price Adjustments.** Adjustments to the Estimated Cost of the Work required by changes in the Work shall be determined by any of the methods listed in Section D of the General Conditions, except that, unless the adjustment is based upon fixed pricing or unit pricing:
- 1) The overhead and profit markup for the CM/GC shall be limited to the CM/GC Fee adjustment, if any, permitted under paragraph 6.f of this Agreement;
  - 2) The increase or decrease in the Estimated Cost of the Work, other than for subcontract Work, shall be calculated pursuant to Articles 8. and 9. of this Contract, instead of being based on CM/GC's Direct Costs as defined in the General Conditions; and
  - 3) In calculating adjustments to subcontracts, unless the parties agree otherwise, the change shall be limited to the Subcontractor's Direct Costs plus the supplemental markup provided in Section D of the General Conditions, and shall not be modified by Articles 8. and 9. of this Contract.
- b. Adjustments to GMP.** Notwithstanding any contrary language in the Contract Documents, adjustments to the GMP after execution of the GMP Amendment may be made only in the event of a Scope Change, and then only in accordance with the following procedure:
- 1) CM/GC shall review subsequent iterations of the Plans and Specifications as they are prepared to determine whether, in the opinion of CM/GC, they result in a Scope Change so that it can be determined if an adjustment to the GMP is warranted.
  - 2) Changes to the GMP shall be initiated by written notice by one party to the other. CM/GC shall deliver any such request to Engineer and City's Authorized Representative promptly after becoming aware of any Scope Change if, in CM/GC's opinion, it constitutes grounds for adjustment of the GMP. Any change request shall include a fully itemized proposal as to the appropriate GMP adjustment with respect to the Scope Change at issue.
  - 3) CM/GC shall submit its request as soon as possible, and CM/GC shall not be entitled to claim a GMP increase unless CM/GC submitted a Change Order Request to City's Authorized Representative and to Engineer within the earlier of,
    - i. ten (10) business days after CM/GC has received the information constituting the basis for the claim, or
    - ii. as to Work not yet bid or proposed, prior to submission of solicitations for such Work and as to Work already solicited, prior to commencement of the portion of the Work for which CM/GC intends to claim a Scope Change; and
    - iii. in any event, prior to CM/GC's signing of a Change Order for the Scope Change.
  - 4) City may, at any time, submit a reduction of the GMP, which shall include City's basis for such request, which may include, for example, reduction of the Project's Contingency after further development of the Plans and Specifications that form the basis for the original GMP Amendment, and/or unused Allowances.
  - 5) CM/GC shall work with City and Engineer to reconcile all differences in its request within three (3) business days from the date of submission of the request. "Reconciled" means that the CM/GC, City and Engineer have verified that their assumptions about the various categories are the same, and that they have identified the reason for differences in the request and the City and/or Engineer's position. CM/GC shall submit the reconciled request to City, which submission shall be a condition

to any CM/GC claim for a GMP increase.

- 6) If the reconciled request is not acceptable to City, CM/GC agrees to work with the City and the Engineer to provide a request that is acceptable to City.
  - 7) CM/GC agrees to make all records, calculations, drawings and similar items relating to the request available to City and to allow Engineer and City access and opportunity to view such documents at CM/GC's offices. Upon City's reasonable notice, CM/GC shall deliver two copies of such documents to City and Engineer at any regular meeting or at the Site.
  - 8) GMP increases, if any, shall not exceed the increased Cost of the Work arising from the Scope Change (whether based on agreed fixed pricing, or the estimated Cost of the Work increase based on cost-reimbursable pricing), reconciled in accordance with the above provisions, as arising from the incident justifying the GMP increase, plus or minus the CM/GC Fee applicable to such change in the Cost of the Work.
  - 9) Except as provided in this paragraph 7.b., adjustments to the GMP shall be reconciled in accordance with Section D of the General Conditions.
- c. Execution by City.** Engineer has no authority to execute Change Orders or Amendments on behalf of City, and only duly authorized personnel of City may do so. However, as provided in the definitions for "City's Authorized Representative" and "Architect/Engineer" in Section A.1 of the General Conditions, City may, by written notice to the CM/GC, delegate some or all responsibilities of the City's Authorized Representative to the Architect/Engineer.
- d. Continuation of Work.** CM/GC shall continue to prosecute the Work in a timely and diligent manner consistent with the regardless of the status, outcome or other issues associated with potential Change Orders or Amendments. In no way shall CM/GC impact or allow others, such as Subcontractors, to impact the Project Schedule due to pending, on-going or concluded change order negotiations. Failure to do so shall be considered a material breach of the Contract on the part of the CM/GC and subject to recourse by the City.

## **8. COST OF THE WORK (To Be Reimbursed)**

- a. Cost of the Work.** (The term "Cost of the Work" shall mean the following costs.) The Cost of the Work shall include only those items necessarily and reasonably incurred by CM/GC in the proper performance of the Work and specifically identified in this Article 8., and only to the extent that they are directly related to the Project.
- b. Labor Costs.**
- 1) Wages of construction workers directly employed by the CM/GC to perform the construction of the Work.
  - 2) Wages and salaries of the CM/GC's supervisory and administrative personnel
    - i. stationed at the site, or
    - ii. engaged at factories, workshops or on the road, in expediting the production or transportation of materials or equipment required for the Work with City, or otherwise engaged and off the site when specifically related to the Project, and

iii. under either clause (i) or (ii), only with City's prior written approval, and only for that portion of their time directly required for the Work.

- 3) Fringe benefit costs paid or incurred by the CM/GC for taxes, insurance, contributions, assessments and benefits required by law or collective bargaining contracts and, for personnel not covered by such contracts, customary benefits such as sick leave, medical and health benefits, holidays, vacations and pensions, provided such costs are based on wages and salaries included in the Cost of the Work under paragraphs 8.b.1) through 8.b.2).

**c. Subcontract Costs.**

- 1) CM/GC's actual payment to Subcontractors pursuant to CM/GC's contract with such Subcontractor for the Work on the Project. No amount paid by or payable to any such Subcontractor other than the fixed or cost reimbursement price of its subcontract shall be included in the Cost of the Work, unless otherwise approved in writing by City.

**d. Costs of Materials and Equipment Incorporated in the Work or Stored On Site.**

- 1) Costs, including transportation, of materials and equipment incorporated or to be incorporated in the completed Work.
- 2) Costs of materials in excess of those actually installed, but required to provide reasonable allowance for waste and for spoilage. Unused excess materials, if any, shall be delivered to City at the completion of the Work or, at City's option, shall be sold by the CM/GC. Any sale shall be commercially reasonable and CM/GC shall provide accounting for such a sale within fifteen (15) business days of the transaction. Net amounts realized, if any, from such sales shall be credited to City as a deduction from the CM/GC Fee.

**e. Costs of Miscellaneous Equipment and Other Items; Equipment Rental Charges.**

- 1) Costs, including transportation, installation, maintenance, dismantling and removal, of materials, supplies, temporary facilities, machinery, equipment, and hand tools not customarily owned by the construction workers, which are provided by the CM/GC at the site and fully consumed in the performance of the Work.
- 2) Rental charges for temporary facilities, machinery, equipment and hand tools not customarily owned by the construction workers, which are provided by the CM/GC at the site, whether rented from the CM/GC or others, and costs of transportation, installation, minor repairs and replacements, dismantling and removal thereof. Rates and quantities of equipment rented:
- shall be according to industry standards,
  - shall not exceed 100% of the rental rates published from time to time in the Rental Rate Blue Book for Construction Equipment, prepared by Machinery Information Division of Primedia Information Incorporated in effect at the time of rental
  - shall not exceed acquisition costs, and
  - for individual items exceeding \$ 500.00, will be subject to City's prior approval.

CM/GC shall deliver to City a list of published rates from time to time at City's request. For all items rented or leased, the CM/GC shall charge City only the rental charge incurred by CM/GC with no additional administrative or other mark-up. CM/GC shall make efforts and use its best skills and judgment to procure equipment in the most expeditious and economical manner consistent with the

interest of the City. Efforts shall include, but not be limited to, providing City with a rent/buy analysis so that City may elect for CM/GC to procure the item in lieu of rental if the facility at issue is expected to be rented for six months or longer. Such rent/buy analysis shall include, where available, a leasing rate commensurate with the expected term of rental of the facility at issue.

- 3) Costs of removal of debris from the site.
- 4) Cost of communication devices, postage and parcel delivery charges, and reasonable petty cash expenses of the site office, which are solely for the benefit of the Work.

**f. Other Costs.**

- 1) That portion of premiums for insurance directly attributable to the Contract for builders all/risk insurance, and payment, performance and public works bond premiums as required by Section G of the General Conditions (but excluding premiums for Subcontractor bonds unless authorized by City). CM/GC's charge to City for all bonds and insurance shall be limited to the CM/GC's verifiable costs for those items.
- 2) Sales, use or similar excise taxes imposed by a governmental authority which are directly related to the Work and for which the CM/GC is liable.
- 3) Fees and assessments for the building permit and for other permits, licenses and inspections for which the CM/GC is required by the Contract Documents to pay.
- 4) CM/GC deposits lost for causes other than the CM/GC's fault or negligence.
- 5) Costs of drawings, Specifications and other documents required to complete the Work, except as provided by City or Engineer.
- 6) Other costs incurred in the performance of the Work if and to the extent approved in advance in writing by City.

**g. Costs to Prevent Damage or Injury in Emergencies.** The Cost of the Work shall also include costs which are incurred by the CM/GC in taking action to prevent threatened damage, injury or loss in case of an emergency affecting the safety of persons and property.

**h. Costs For General Conditions Work.** CM/GC shall be paid on a lump-sum basis as payment for the GC Work, including all labor, materials, and direct and indirect costs thereof. The lump-sum amount for GC Work shall be established in each Early Work Amendment or the GMP Amendment, as applicable. To the extent any GC Work is otherwise described above in this Article 8., CM/GC's compensation for the same is included in the Cost for GC Work and shall not otherwise be charged as Cost of the Work. The Cost for GC Work, less 5% retainage thereon, shall be paid monthly on a percent complete basis of the scheduled Construction Phase, including any period of Early Work, commencing with the first progress billing after commencement of the scheduled Construction Phase or Early Work Period. However, no adjustment in the amount for General Conditions Work will be made if the actual construction period or Early Work period is shorter or longer than the number of months scheduled for the Construction Phase or Early Work period, unless such period is extended because of a City-requested delay.

- i. Travel and subsistence expenses of the CM/GC shall be included in the costs for General Conditions.
- j. At the Owner's and Engineer's discretion and in negotiations with the CM/GC, the Cost of the Work may be modified to a traditional unit cost basis for all work performed.

**9. COSTS EXCLUDED FROM COST OF WORK (Not To Be Reimbursed)**

- a. Costs Excluded from Cost of Work.** The following shall not be included in the Cost of the Work unless specifically approved in writing by the City prior to approval of the GMP:
- 1) Salaries and other compensation of the CM/GC's personnel stationed in offices other than the site office except as allowed under paragraphs 8.b.2) and 8.b.3).
  - 2) Office expenses of the CM/GC other than the site office.
  - 3) Any overhead and general expenses, except as may be expressly included in paragraph 8.
  - 4) CM/GC's capital expenses, including interest on the CM/GC's capital employed for the Work.
  - 5) Rental cost of machinery and equipment, except as provided in paragraph 8.e.2).
  - 6) Any cost associated with the Project not specifically and expressly described in paragraph 8.
  - 7) Costs due to the fault or negligence of the CM/GC, Subcontractors, suppliers, anyone directly or indirectly employed by any of them, or for whose acts any of them may be liable.
  - 8) The cost of correction of any repair Work, nonconforming or defective Work, or warranty Work.
  - 9) Merit, safety, or other incentive payments, bonuses or awards, or any expenses in connection therewith, except as provided in Article 8.
  - 10) Fines and penalties.
  - 11) Except for Early Work, the cost of Preconstruction services.
  - 12) The Cost of GC Work in excess of the lump-sum amount established for GC Work.
  - 13) Any costs in excess of the GMP.
  - 14) Any equipment, vehicle, tool or other items the CM/GC retains ownership of beyond the Substantial Completion date of the Project.

## **10. DISCOUNTS, REBATES AND REFUNDS**

- a. Discounts, Rebates and Refunds.** Cash discounts obtained on payments made by the CM/GC shall accrue to City. Trade discounts, rebates, refunds and net amounts received from sales of surplus materials and equipment shall accrue to City, and the CM/GC shall make provisions so that they can be secured.
- b. Amounts Credited to City.** Amounts which accrue to City in accordance with the provisions of paragraph 10.a. shall be credited to City as a deduction from the Cost of the Work.

## 11. SUBCONTRACTS AND OTHER CONTRACTS

### a. General Subcontracting Requirements.

- 1) Other than Work performed pursuant to paragraphs 13.e. or 13.f. of this Agreement, CM/GC shall subcontract the Work to Subcontractors other than the CM/GC and its Affiliates. If CM/GC elects to bid on any Work, CM/GC shall inform City of its intention to do so prior to the bid package release date for public bidding for that Work.

### b. CM/GC's Obligations under Subcontracts.

- 1) No use of a Subcontractor or supplier shall relieve the CM/GC of any of its obligations or liabilities under the Contract. Except as may expressly otherwise be provided in the Contract, the CM/GC shall be fully responsible and liable for the acts or omissions of all Subcontractors and suppliers including persons directly or indirectly employed by them. The CM/GC shall have sole responsibility for managing and coordinating the operations of its Subcontractors and suppliers, including the settlement of disputes with or between the CM/GC and any such Subcontractor or supplier.
- 2) The CM/GC shall include in each subcontract and require each Subcontractor to include in any lower tier subcontract, all provisions necessary to make all of the provisions of the Contract Documents, including the General Conditions, fully effective as applied to Subcontractors. CM/GC shall indemnify City for any additional cost based on a Subcontractor claim which results from the failure of CM/GC to incorporate the provisions of this Agreement in each subcontract. The CM/GC shall provide all necessary Plans, Specifications, and instructions to its suppliers and Subcontractors to enable them to properly perform their portions of the Work.
- 3) **Retainage from Subcontractors.** Except with the City's prior approval and as allowed under Oregon law, payments to Subcontractors shall be subject to retainage of no more than 5%. The City and the CM/GC shall agree upon a mutually acceptable procedure for review and approval of payments and retainage for Subcontractors.

### c. Subcontractor Selection.

- 1) All Subcontractors performing Work must be, as legally required or appropriate for the Work they are performing, registered or licensed by the following before such Subcontractors commence Work and for the duration of the subcontract:
  - i. The Construction Contractors' Board in accordance with ORS 701.035 to 701.138;
  - ii. The State Board of Examiners for Engineering and Land Surveying in accordance with ORS 672.002 to 672.325;
  - iii. The State Board of Architect Examiners in accordance with ORS 671.010 to 671.220;
  - iv. The State Landscape Architect's Board in accordance with ORS 671.310 to 671.459; or
  - v. The State Landscape Contractor's Board in accordance with ORS 671.510 to 671.710.
- 2) These registration and licensing requirements shall also apply to employees of the CM/GC and it shall require and ensure that they are in compliance.
- 3) The CM/GC shall pay and comply with, and require Subcontractors to pay and comply with State

prevailing wage rates in effect at the time of execution of the first Early Work Amendment, or if no Early Work Amendment is executed, at the time the GMP Amendment is executed, as listed in the BOLI publication titled "Prevailing Wage Rates for Public Works Contracts in Oregon", and any amendments thereto. The higher of those rates shall be incorporated in the Contract and shall then apply throughout the remainder of the Project.

- 4) The CM/GC shall review all bids and shall work with bidders to clarify submitted bids, reduce exclusions, verify scope and quantities, and seek to minimize work subsequently awarded via the Change Order process.
- 5) Unless otherwise provided under this Article 11., the selection of all Subcontractors and suppliers shall be made by competitive bidding in a manner that will not encourage favoritism or substantially diminish competition. While not subject to the competitive procurement requirements of ORS Chapter 279C, the process shall conform to the procedures discussed herein, in general compliance with the open and competitive nature of public procurement, taking into account industry subcontracting practices.
- 6) CM/GC shall submit to City's Authorized Representative its proposed procurement documents for review and comment before they are issued for solicitation. CM/GC shall consider and respond to all City comments regarding any proposed Offer packages. As Offers are received, CM/GC shall submit to the City an Offer comparison in a mutually agreeable form together with any specific back-up documentation requested by City. The competitive process used to award subcontracts by the CM/GC may be monitored by the City's Authorized Representative; provided that such monitoring shall not excuse CM/GC from compliance with the subcontracting requirements of this Agreement. CM/GC shall cooperate in all respects with City's monitoring. The City's Authorized Representative shall be advised in advance of and be given the opportunity to be present at bid openings, and CM/GC shall provide him or her with a summary or abstract of all bids in form acceptable to the City's Authorized Representative, and copies of particular bids if requested, prior to CM/GC's selection of bids. Prior to opening bids, the CM/GC agrees to disclose in writing to City any financial interest it has in any such Subcontractor, supplier or other contracting party whenever such Subcontractor, supplier or contracting party intends to compete on any Project Work, directly or indirectly, including whether such party is an Affiliate of CM/GC.
- 7) The following minimum requirements apply to the Subcontract solicitation process:

For solicitations where the resulting subcontract estimated to exceed \$100,000:

- i. Solicitations shall be advertised at least ten (10) business days prior to opening in the Daily Journal of Commerce. CM/GC also agrees to advertise in a local community newspaper in the area in which the Project is located, in order to allow for local participation in the solicitation process.
- ii. Unless specific other prior arrangement has been made with the City representative, all bids will be written, and submitted to a specific location at a specific time. CM/GC shall time/date-stamp all bids as received. Subcontractors must be qualified to perform the Work for this Project by being appropriately registered with the State of Oregon Construction Contractors Board.
- iii. If fewer than three (3) bids are submitted in response to any solicitation estimated to exceed \$100,000, (inclusive of any bid submitted by CM/GC), prior written approval by a City representative shall be required to accept a bid.
- iv. City may at its sole discretion, require CM/GC to re-solicit for bids based on the same or modified documents.

- v. The CM/GC shall document any and all discussions, questions and answers, modifications and responses to from any bidder and ensure that the same are distributed to all bidders, and City shall be entitled to inspect such documentation on request.
- vi. CM/GC shall determine the lowest responsive and responsible bid for each solicitation that meets CM/GC's reasonable performance standards for the components of the Work at issue; provided that if CM/GC determines it is unable to execute a suitable subcontract with such bidder, CM/GC may, with City's prior approval, execute a subcontract with the second-lowest Offeror pursuant to paragraph 11.c.9) below. CM/GC may alternatively utilize a solicitation method whereby both price and subcontractor qualifications are evaluated. In such case, the solicitation method and evaluation process must be documented in writing, must be competitive, fair and open, and must be prior approved by City. City reserves the right to approve such a method on a case by case basis.

For solicitations where the resulting subcontract estimated to be below \$100,000:

- i. Solicitations must be publically advertised in any or all of the following methods: electronically, in the Oregon Daily Journal of Commerce, or a local community newspaper.
- ii. Unless specific other prior arrangement has been made with the City representative, all bids will be written, and submitted to a specific location or email address at a specific time. Quotes may be sent and submitted electronically. CM/GC shall retain a record of the time and date all quotes are received. Subcontractors must be qualified to perform the Work for this Project by being appropriately registered with the State of Oregon Construction Contractors Board.
- iii. A minimum of three (3) written quotes must be solicited. CM/GC may consider price and other qualifications in awarding such subcontracts.

Generally:

- i. CM/GC may develop and implement a prequalification process in accordance with Oregon Revised Statutes for competitive bidding for particular solicitations, followed by selection of successful bids among those bidders that CM/GC determines meet the prequalification standards, with City's prior written approval of such prequalification process.
  - ii. The CM/GC shall comply, and require Subcontractor compliance, with the State of Oregon Bureau of Labor & Industries prevailing wage rate requirements. The wage rates that apply to this Project are described in paragraph C.1. of Exhibit A - General Conditions.
- 8) Under special circumstances and only with prior written authorization by City, Work may be subcontracted on other than a low price basis, including without limitation, through competitive negotiation. As a condition to its authorization, City may require CM/GC's agreement to establish and implement qualification and performance criteria for bidders, including a scoring system within requests for proposals. Examples include: where there are single fabricators of materials; special packaging requirements for Subcontractor Work; design-build work or, where an alternative contracting method can be demonstrated to clearly benefit City. Such alternative procurements may, at the sole determination of the City, be subject to the City's procurement policies.
- 9) When the Subcontractor selection process for a particular Work package will not be "competitive" as provided for in paragraph 11.c.5., the process must meet the following requirements:
- i. The CM/GC must prepare and submit a written justification to the City explaining the project

- circumstances that support a non-competitive Subcontractor selection process for a particular Work package, including, but not limited to, Emergency circumstances, the CM/GC's need to utilize a key Subcontractor member of the CM/GC's project team consistent with the CM/GC's project proposal, the need to meet other specified Contract requirements, the continuation or expansion of an existing Subcontractor agreement that was awarded through a "competitive process" along with facts supporting the continuation or expansion of the Subcontractor agreement, or a "sole source" justification.
- ii. For a "sole source" selection of a subcontractor to proceed, the Contracting Agency must evaluate the written justification provided by the CM/GC and must find that critical project efficiencies require utilization of labor, services or materials from one subcontractor; that technical compatibility issues on the project require labor, services or materials from one subcontractor; that particular labor, services or materials are needed as part of an experimental or pilot project or as part of an experimental or pilot aspect of the project; or that other project circumstances exist to support the conclusion that the labor, services or materials are available from only one subcontractor;
  - iii. If required by the City, the CM/GC must provide an independent cost estimate for the Work package that will be subject to the non-competitive process.
  - iv. The CM/GC must fully respond to all City questions or comments pertaining to a proposed or completed non-competitive selection process or associated Work package.
  - v. The City must approve the CM/GC's use of the non-competitive Subcontractor selection process prior to the CM/GC's pursuit of the non-competitive process.
- 10) A competitive selection process may be preceded by a publicly advertised subcontractor pre-qualification process, with only those subcontractors meeting the pre-qualification requirements being invited to participate in the later competitive process through which the CM/GC will select the subcontractor to perform the construction Work described in the selection process;
- 11) If the CM/GC or an Affiliate or subsidiary of the CM/GC will be included in the subcontractor selection process to perform particular construction Work on the project:
- i. the CM/GC must disclose that fact in the selection process documents and announcements.
- 12) CM/GC shall notify City in writing in advance before award of any proposed Subcontract, which notice shall include summaries in a form acceptable to City of all bidders received for the Subcontract at issue. City reserves the right to disapprove any proposed Subcontractors, suppliers and Subcontract or supply contract awards, based on legal standards of responsibility. City shall not unreasonably disapprove any proposed Subcontractor or supplier and increased costs due to City's disapproval shall be cause for an increase in the GMP. Notification shall be made with suitable time for review and comment/approval by the City before issuance of the Subcontract for execution.
- 13) The CM/GC shall notify the City in the event that it receives an objection or protest in response to subcontractor selection. The City must approve the CM/GC's proposed resolution to any such objections or protests, prior to the CM/GC implementing the resolution.
- 14) Briefings for Unsuccessful Subcontractors. Unsuccessful subcontractors will be allowed 60 days from the CM/GC's notice of award of a subcontract for a particular Work package to request, in writing, a post-selection meeting with the CM/GC and the City. The CM/GC shall hold such meetings within 45 days of the subcontractor's written request.

- 15) CM/GC's subcontracting records shall not be considered public records; provided, however, that City and other agencies of the State shall retain the right to inspect, audit and monitor the subcontracting process in order to protect the City's interests.

**d. CM/GC Field Work.**

- 1) The CM/GC or its Affiliate(s) may provide GC Work required to complete the Project with its own forces, without the necessity of subcontracting such Work.
- 2) Except as provided in paragraph 11..d.1), any other portion of the Work proposed to be performed by CM/GC or any Affiliate, including without limitation provision of any materials, equipment, or supplies, shall be subject to the provisions of paragraph 11..e.

**e. Subcontracting by CM/GC.**

- 1) Except to the extent otherwise approved in advance in writing by City's Authorized Representative, the CM/GC or its Affiliates may submit a bid in accordance with paragraph 11.c. to do Work with its own forces, provided at least 80% of the labor by such work unit is performed by employees of the CM/GC or such Affiliate. If CM/GC is selected to perform the Work, the overhead and markup paid to CM/GC shall be limited to its CM/GC Fee percentage and the markups applicable to Change Order Work or subcontracted Work set forth in the General Conditions shall not apply. The CM/GC shall clearly identify any Work for which it was the winning bidder in the supporting documentation and invoicing for payments so it can be easily determined that the Work was provided within CM/GC's bid price.
- 2) For those items for which the CM/GC or any of its subsidiaries intends to submit a bid, such intent must be publicly announced with the solicitation for bidders required by paragraph 11.c., and City notified in writing. All bids for this Work, including the CM/GC, shall be delivered to City and publicly opened by City at an announced time, date, and place. An appointed City representative will provide objective, independent review and opening of bids or proposals for the elements of Work on which CM/GC bids.
- 3) CM/GC or an Affiliate or subsidiary of the CM/GC may only perform elements of the construction Work without competition from subcontractors when:
  - i. The work is job-site GC Work, or
  - ii. The CM/GC proposed to self-perform certain elements of the Work in response to the City's CM/GC RFP and the City accepted these portions of the proposal in its contract negotiations with the CM/GC, or
  - iii. The CM/GC provides the City a detailed written proposal to self-perform the work, showing that such self-performance is cost effective, the City accepts the written proposal and the proposal is supported by at least one independent cost estimate prior to Work being included in the Contract.

- f. Change of Subcontractors.** Once a subcontract has been accepted by the City and executed by the CM/GC and Subcontractor, CM/GC shall not terminate or substitute the Subcontractor without prior written approval of the City. In the event a change to the subcontract assignment is made, CM/GC shall initiate a new bid package consistent with this Agreement to procure a new Subcontractor.

## **12. ACCOUNTING RECORDS**

- a. **Accounting; Audit Access.** The CM/GC shall keep full and detailed accounts and exercise such controls as may be necessary for proper financial management under the Contract; the accounting and control systems shall be satisfactory to City. City and City's representatives shall be afforded reasonable and regular access to the CM/GC's records, books, correspondence, instructions, drawings, receipts, subcontracts, purchase orders, vouchers, memoranda and other data relating to the Contract, and the CM/GC shall preserve these for a period of three years after final payment, or for such longer period as may be required by law.
- b. **Periodic and Final Audits.** City may, at its discretion, perform periodic audits of the Cost of the Work and any other reimbursable costs associated with the Project. City intends to conduct a final audit of reimbursable costs prior to the Contract closeout and final payment application approval. The CM/GC shall cooperate fully with City in the performance of such audits. Disputes over audit findings or conclusions shall be subject to the process set forth in paragraph 14.d.

### 13. PROGRESS PAYMENTS

- a. **Integration with General Conditions.** The requirements of this paragraph 13. and paragraph 14. are in addition to, and not in lieu of, the requirements of Section E of the General Conditions. In the event of conflict between the provisions of paragraph 13. and 14. and Section E, the provision more favorable to City shall control. Without limitation, the provisions of paragraph 13..c. and 13..d. shall control over the corresponding provisions of Section E.2.5 of the General Conditions.
- b. **Progress Payments.** Based upon applications for payment submitted pursuant to Section E of the General Conditions, City shall make progress payments on account of the Preconstruction Fee, Cost of the Work, and associated CM/GC Fee, less 5% retainage, to the CM/GC as provided below and elsewhere in the Contract Documents. A progress payment shall not be considered acceptance or approval of any Work or waiver of any defects therein. All progress payment requests shall include the forms designated or approved by the City stating that all of the Contractor's obligations to date relating to the Work have been paid. Reference Exhibit E, Progress Payment Waiver and Release.
- c. **Percentage of Completion.** Applications for payment shall show the percentage of completion of each portion of the Work as of the end of the period covered by the application for payment. The percentage of completion shall be the lesser of (i) the percentage of that portion of the Work which has actually been completed; or (ii) the percentage obtained by dividing (a) the expense that has actually been incurred by the CM/GC on account of that portion of the Work for which the CM/GC has made or intends to make actual payment prior to the next application for payment by (b) the share of the GMP allocated to that portion of the Work in the Schedule of Values.
- d. **Calculation of Payment.** Subject to other provisions of the Contract Documents, the amount of each progress payment shall be computed as follows:
  - 1) Take that portion of the GMP properly allocable to completed Work as determined by multiplying the percentage of completion of each portion of the Work based on the monthly progress schedule update by the share of the GMP allocated to that portion of the Work in the Schedule of Values. Pending final determination of cost to the City of changes in the Work, amounts not in dispute shall be included. For the lump-sum General Conditions, the amount payable will be equal to the amount allocated to General Conditions multiplied by the overall percent complete for the Project;
  - 2) Add that portion of the GMP properly allocable to materials and equipment delivered and suitably stored and otherwise in compliance with Section E.2.3 of the General Conditions;
  - 3) Add the CM/GC's Fee. The portion of the CM/GC's Fee payable shall be an amount that bears the

same ratio to CM/GC Fee as sum of the amounts in the two preceding Clauses bears to the estimated probable Cost of the Work described in paragraph 8..a., but in no event causing total CM/GC Fee payments to exceed the total CM/GC Fee;

- 4) Subtract the aggregate of previous payments made by and retained by the City;
- 5) Subtract the shortfall, if any, indicated by the documentation required to substantiate prior applications for payment, or resulting from errors subsequently discovered by the City in such documentation;
- 6) Subtract any amounts for which the City's Authorized Representative has withheld or denied payment as provided in the Contract Documents; and
- 7) Subtract 5% retainage on the entire progress payment.

## 14. FINAL PAYMENT

- a. **Final Payment Accounting.** CM/GC shall submit to City a final detailed accounting of the Cost of the Work together with CM/GC's final application for payment.
- b. **Calculation of Final Payment.** The amount of the final payment shall be calculated as follows:
  - 1) Take the sum of the CM/GC Fee, plus the Preconstruction Fee, plus the actual Cost of the Work substantiated by the CM/GC's final accounting. Said sum shall not exceed the GMP.
  - 2) Subtract amounts, if any, for which the City's Authorized Representative withholds, in whole or in part, approval of payment.
  - 3) Subtract the aggregate of previous payments made by City to CM/GC. If the aggregate of previous payments made by City exceeds the amount due the CM/GC, the CM/GC shall reimburse the difference to City within 30 Days with interest at the rate applicable to City payments under the General Conditions.
- c. **Final Payment Review.** City or its accountants will review and report in writing on the CM/GC's final accounting within twenty (20) business days after delivery of the final accounting by the CM/GC. Based upon such Cost of the Work as City or City's accountants report to be substantiated by the CM/GC's final accounting, and provided the other conditions of the Contract have been met, the City's Authorized Representative will, within ten (10) business days after receipt of the written report of City's accountants, either issue to City an approval of CM/GC's final application for payment with a copy to the CM/GC or notify the CM/GC and City in writing of the City's Authorized Representative's reasons for withholding approval of any part of the application for payment, which disapproval shall include City's Authorized Representative's estimate of the amount that is due the CM/GC under the application for payment.
- d. **Payment Disputes.** If City's accountants report the Cost of the Work as substantiated by the CM/GC's final accounting to be less than claimed by the CM/GC or if City's Authorized Representative declines to approve any duly submitted payment request by CM/GC, the CM/GC shall be entitled to demand a review by the City's highest contracting authority of the disputed amount. Such demand shall be made by the CM/GC within twenty (20) business days after the CM/GC's receipt of a copy of the rejection of the application for payment; failure to demand additional review within this 20-Day period shall result in the substantiated amount reported by City's accountants becoming binding on the CM/GC. In addition, If City performs a subsequent audit of the Cost of the Work and determines any item therein to have been unsubstantiated or that CM/GC was otherwise overpaid, CM/GC shall have twenty (20) business days after delivery of request for reimbursement by City to demand additional review by City's highest contracting authority; failure to make such demand within this 20 Day period shall result in the requested reimbursement becoming unconditionally due and payable by CM/GC. If CM/GC timely submits a protest to the City's highest contracting authority, CM/GC's Claim shall be subject to the claims review process in Section D.3 of the General Conditions. Pending a final resolution, City shall pay the CM/GC the amount of the application for payment approved by the City's Authorized Representative.

15. **Effect of Payment.** Neither approval of an application for payment, a progress payment, release of retainage, final payment, or partial or entire use or occupancy of the Project by the City shall constitute acceptance of Work not conforming to the Contract Documents, a waiver of City's right to compel CM/GC to fix nonconforming Work or waiver of the right to assert overpayment.

## 16. TERMINATION OR SUSPENSION

- a. **City's Right to Terminate Prior to Execution of GMP Amendment.** Prior to execution by both parties of the GMP Amendment, the City may terminate the Contract at any time without cause. Upon such termination, the amount to be paid to the CM/GC shall not exceed the Preconstruction Fee payable to the date of termination, together with amounts payable for Early Work if an Early Work Amendment has been executed. If City terminates for convenience during the Preconstruction Phase, City shall be entitled to copies of, and shall have the right to use, all work products of CM/GC and its Subcontractors performed to the date of termination, and CM/GC shall deliver copies of the same to City on request.
- b. **City's Termination for Convenience after GMP Amendment.** After the GMP Amendment is executed by both parties, the Contract may be terminated by City without penalty for convenience pursuant to Section J.5 of the General Conditions in which case CM/GC shall be entitled to payment of the amount stated in paragraph 16.a., together with the actual Cost of the Work completed, plus the CM/GC's Fee prorated based on the actual Cost of the Work completed prior to the date of termination, but in any event not in excess of the GMP.
- c. **City's Termination for Cause.** In the event of termination of this Agreement by City for cause pursuant to Section J.4 of the General Conditions, the amount, if any, to be paid to the CM/GC after application of the General Conditions and City's rights at law shall not exceed the amount the CM/GC would be entitled to receive under paragraph 16.b. If a court or other dispute resolution body determines City's for-cause termination to be unlawful, the City's termination is to be deemed a termination for convenience under 16.b. to the greatest extent the law permits.
- d. **CM/GC Termination for Cause.** CM/GC acknowledges that disputes regarding payments and Change Orders may occur as part of the CM/GC process, and that City's declining to pay disputed amounts shall not be grounds for suspension of the Work or termination for cause by CM/GC. If CM/GC terminates the Contract for City's material breach, the amount to be paid to CM/GC shall not exceed the amount CM/GC would have been entitled to receive under paragraph 16. above through termination and demobilization from the Project, with the CM/GC Fee prorated based on the actual Cost of the Work through the date of termination.
- e. **Assignment of Subcontracts.** Each Subcontract and supply contract for any portion of the Work is hereby irrevocably assigned by the CM/GC to the City, provided that such assignment is effective only after termination of the Contract by the City, and only for those Subcontracts and supply contracts which the City accepts by notifying the Subcontractor/supplier and CM/GC in writing. For those Subcontracts and supply contracts accepted by City, if the Work has been suspended for more than twenty (20) business days, the Subcontractor's/supplier's compensation shall be equitably adjusted for increases in cost resulting from the suspension. CM/GC shall include a provision in each Subcontract and supply agreement whereby the Subcontractor/supplier acknowledges City's rights under this paragraph 17.e. With respect to any Subcontracts/supply contracts that are not accepted by City, the provisions of Section J.6.1 of the General Conditions shall apply.

## 17. REPRESENTATIONS, WARRANTIES AND CERTIFICATIONS

- a. **Representations and Warranties.** CM/GC represents and warrants to City as of the effective date of the Contract:
  - 1) it is qualified to do business as a licensed general contractor under the laws of the State of Oregon, and has all requisite corporate power and corporate authority to carry on its business as now being conducted;

- 2) it has full corporate power and corporate authority to enter into and perform the Contract and to consummate the transactions contemplated hereby; CM/GC has duly and validly executed and delivered this Agreement to City and that the Contract constitutes the legal, valid and binding obligation of CM/GC, enforceable against CM/GC in accordance with its terms, except as enforceability may be limited or affected by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors' rights generally and by general principles of equity (regardless of whether enforceability is considered in a proceeding in equity or at law);
- 3) CM/GC's execution and delivery of this Agreement and the consummation of the transactions contemplated hereby will not conflict with or result in a material breach of any terms or provisions of, or constitute a material default under,
  - i. CM/GC's Articles of Incorporation or Bylaws;
  - ii. any note, bond, mortgage, indenture, license, lease, contract, commitment, agreement or other instrument or obligation to which CM/GC is a party or by which CM/GC may be bound; or
  - iii. any statute, order, writ, injunction, decree, rule or regulation applicable to CM/GC;
- 4) no material consent, approval, authorization, declaration or other order of, or registration or filing with, any court or regulatory authority or any third person is required for the valid execution, delivery and performance of the Contract by CM/GC or its consummation of the transactions contemplated hereby;
- 5) there is no action, proceeding, suit, investigation or inquiry pending that questions the validity of the Contract or that would prevent or hinder the consummation of the transactions contemplated hereby; and
- 6) the CM/GC's Project Manager identified in paragraph 4.e. is a duly appointed representative and has the authority to bind the CM/GC to any and all duties, obligations and liabilities under the Contract Documents and any Amendments thereto.

**b. Tax Compliance Certification.**

By signature on this Agreement, the undersigned hereby certifies under penalty of perjury that the undersigned is authorized to act on behalf of CM/GC and that CM/GC is, to the best of the undersigned's knowledge, not delinquent in the filing or payment of any Oregon income taxes, Oregon personal property taxes, Oregon municipal taxes, or Oregon real property taxes and that it has otherwise complied with all Oregon tax laws and all tax laws of those Oregon municipalities to which Engineer is subject.. For purposes of this certification, "taxes" includes a state tax imposed by ORS 401.792 to 401.816 and ORS chapters 118, 314, 316, 317, 318, 320, 321 and 323; the elderly rental assistance program under ORS 310.630 to 310.706, and local taxes administered by the Department of Revenue under ORS 305.620.

**18. MISCELLANEOUS**

- a. **Headings.** The headings used in this Agreement are solely for convenience of reference, are not part of the Contract and are not to be considered in construing or interpreting the Contract.
- b. **Merger.** The Contract Documents constitute the entire Contract between the parties and supersedes any previous negotiations, agreements or other commitments between the Parties for this Project. No waiver, consent, modification or change of terms of the Contract shall bind either party unless in writing and signed by both parties. Such waiver, consent, modification or change, if made, shall be

effective only in the specific instance and for the specific purpose given. There are no understandings, agreements, or representations, oral or written, not specified herein regarding the Contract. CM/GC, by signature of its representative, hereby acknowledges that it has read the Contract, understands it and agrees to be bound by its terms and conditions.

- c. **Foreign Contractor.** The CM/GC shall be domiciled in or registered to do business in the State of Oregon. If the CM/GC is not domiciled in or registered to do business in the State of Oregon, CM/GC shall promptly provide to the Oregon Department of Revenue and the Secretary of State Corporation Division all information required by those agencies, or other regulatory bodies, relative to the resultant Contract. CM/GC shall maintain its legal capacity to perform the services set forth under the Contract.
- d. **Recyclable Products.** The CM/GC shall use recyclable products to the maximum extent economically feasible in the performance of the Contract Work set forth in this document.

**CM/GC has the power and authority to enter into and perform this Contract. The persons executing this Contract on behalf of CM/GC, have the actual authority to bind CM/GC to the terms of this Contract.**

## **PART II      PROPOSAL PREPARATION AND SUBMITTAL**

### **SECTION A.    PROJECT CONTACT**

Ryan Wood  
Public Works Crew Leader  
City of Sandy  
39250 Pioneer Blvd, Sandy, OR 97055 Office: 503-489-0928  
Mobile: 971-212-7393  
[rwood@ci.sandy.or.us](mailto:rwood@ci.sandy.or.us)

### **SECTION B.    PRE-PROPOSAL MEETING**

A mandatory virtual pre-proposal meeting will be held per the schedule on Part I, Section A. 7. Anyone interested in proposing will be required to request an invitation to the meeting by 5:00 p.m. one business day prior to the meeting to the following contact:

Zach Swartzendruber, PE  
Leeway Engineering Solutions  
Mobile: (503) 957-0765  
zach.swartzendruber@leewayengineeringsolutions.com

### **SECTION C.    PROPOSAL FORMAT AND DUE DATE**

Concise responses with relevant information as outlined in the SECTION D - EVALUTION CRITERIA will be more useful than elaborate submittals with extensive graphics and corporate boilerplate. Submittals in excess of 15 pages will not be considered. One page is considered to be one side of a standard US letter 8.5"x11" page. Double-sided 8.5"x11" pages will be counted as two pages. A single-sided 11"x17" sheet will be considered two pages. Proposal cover, cover letter, fly sheets, price proposal, and resumes are not included in the page limit. To be considered, four (4) hard copies and one (1) digital (.pdf file) copy of the proposal must be received by Ryan Wood, Public Works Crew Leader at 39250 Pioneer Blvd, Sandy, OR 97055 by 4:00 p.m. on Wednesday, May 4, 2022.

### **SECTION D.    EVALUTION CRITERIA**

#### **1. COVER LETTER**

The Cover Letter must include the following:

- Project title
- Full legal name of proposing business entity
- Structure or type of business entity
- Name(s) of the person(s) authorized to represent the PROPOSER in any negotiations
- Name(s) of the person(s) authorized to sign any contract that may result
- Contact person's name, mailing or street addresses, phone and fax numbers and email address
- Oregon Construction Contractors Board License Number

- Acknowledgement of all Addenda received for this project
- PROPOSERs per project and aggregate bonding capacity

A legal representative of the PROPOSER, authorized to bind the PROPOSER in contractual matters, must sign the Cover Letter.

The Cover Letter will also include a short narrative describing the respondent's understanding of the scope of work and their overall vision for the successful project completion.

By submitting a response, the PROPOSER is accepting the General Instructions and Conditions of this Request for Proposal, the Standard Contract Specifications of the Pre-Construction contract and the Construction Services contract that are applicable to this project, unless otherwise noted in Proposal. Any exceptions to the requirements or requests for waivers **MUST** be included in the proposal Cover Letter or they will not be considered.

## 2. PROJECT TEAM (30 points maximum)

The City wishes to engage a team that has the ability and experience to provide quality work in a timely manner; a commitment to collaborative project delivery; the resources, capacity, and capabilities to deliver the work given other contract obligations; a commitment to a safe workplace for employees, the public, and OWNER's employees.

Information for the proposed team should include the following:

- Organization chart for Phase 1 including Key personnel, level of commitment, and responsibilities.
- Bios for "Key Personnel". Key Personnel shall include, at a minimum, the Project Manager, Project Superintendent, and Estimator.
- Two references each for the Project Manager and Project Superintendent.
- Organization chart for Phase 2 including Key personnel, level of commitment, and responsibilities. Indicate type of work and Lead Foreman for self-performed work. List potential specialty subcontractors for work not self-performed.

## 3. PROPOSERS CAPABILITIES AND EXPERIENCE (30 points maximum)

Capabilities of Proposer in providing services related to wastewater collection system rehabilitation construction in the Pacific Northwest in the last 10 years.

To demonstrate that your team has the capabilities described above, provide the following:

- Project Descriptions - Describe the Proposer's experience and the experience of proposed Project Team with the construction of similar Projects. Limit the summary to a maximum of three (3) recent and relevant projects.

The range of relevant projects shall include:

- Preconstruction investigations, inflow and infiltration source identification;
- Developing construction scopes of work, construction schedules, and the construction cost for the construction phase of small diameter collection system rehabilitation work;
- Temporary work zone traffic control measures including detours;

- Utility protection and support;
- Sanitary sewer construction including open cut trench excavation and trench shoring;
- Trenchless pipeline construction and engineering design support;
- Manhole rehabilitation; and
- Dewatering and bypass systems.

The project descriptions should address how the experience is relevant to the Project, how the Proposer performed relative to providing pre-construction services, scope, schedule and budget management, minimizing claims and disputes and lessons learned. Additionally, the description should address the Proposer's approach to preserving design intent; staging, sequencing, and public information protocols during construction of the example projects. Provide a reference for each project including name, title, email address and phone number.

- B. Firm's annual revenue for the past 3 years.
- C. A list and description of all current, pending, and completed project-related litigations that your firm has been involved with in the last 3 years.
- D. A list and narrative describing your firm's resources available to perform the work for the duration of the project and other on-going projects, both during Pre-Construction and during the Construction phase.
- E. Bonding Capacity - Describe current and future workload as a percentage of Proposer's total bonding capacity. Compare aggregate construction cash flow for the past 12 months and projected through the duration of the Project with anticipated cash flow for the Project.
- F. Your firm's internal procedures and/or policies associated or related to work quality and cost control.
- G. Firm Safety Experience - Provide a specific description of Proposer's safety and drug and alcohol programs and its most recent Workers Compensation Insurance experience modifier.
- H. A statement as to whether you have been cited for an OSHA violation in the past 24 months. If yes, provide details including specific violation(s) and date(s).

#### 4. PROJECT APPROACH AND UNDERSTANDING (20 points)

Proposers are to describe a detailed approach to providing the desired services for the Project. In the proposal, address the following at a minimum:

- A. Understanding – Provide a description of Proposer's understanding of the OWNER's project delivery goals and the design objectives of the Project.
- B. Approach – Describe Proposer's approach to the project including:
  - a. Overall management and integration of all Phase 1 and Phase 2 activities required by the scope of work, including management objectives and techniques that demonstrate how the work requirements are met. Include your approach to fostering collaboration

and partnering with OWNER and ENGINEER, including meetings, communication, and risk management.

- b. The plan for providing Phase 1 Pre-Construction Services including proposed approach to work with OWNER and DESIGNER to optimize the completion of Contract Documents that produce a Project that can be built within the stated construction budget and schedule with minimal change orders, claims and disputes.
- c. Indicate those areas of interest and proposed procedures to self-perform portions of the work.
- d. Discuss any innovative or alternative ideas and approaches to the design and construction of this Project.
- e. Describe your Project Management Approach to managing costs and schedule during Pre-Construction and Construction services. Identify any tools that would be employed for management of these two interconnected elements of work including cost accounting and subcontractor management. Define key cost control/cost reduction steps and/or measures in both design and construction of the project.

#### 5. PRICE PROPOSAL (20 points maximum)

Proposers shall submit price proposals conforming to the requirements of this RFP and based on the Scope of Services listed in the Part I, SECTION A. 4 DETAILED CM/GC SCOPE OF WORK.

The price proposal should identify any assumptions used to develop the Phase 1 Pre-Construction Cost. Include an estimate of expenses and a description of what expenses have been included. Identify staff to be involved in pre-construction along with an estimate of hours and individual billing for each staff.

This Pre-Construction Cost will be the basis for negotiating the pre-construction services phase of the Contract with the City.

CM/GC Fee: The CM/GC Fee shall be the maximum sum payable to the CM/GC by the OWNER for the CM/GC's performance of all construction management, project management and administration services as defined herein and in the General Conditions. The CM/GC Fee shall be determined by applying the CM/GC fee percentage as identified in the Proposal to the direct costs of the project including General Conditions Reimbursement and any authorized Bid Alternates.

State the CM/GC Fee as a percentage for which Proposer would contract to perform this Project. The percentage so stated in the Proposal shall be the maximum allowable contractual markup on the direct cost of the work and shall be based on the recovery of ALL indirect costs, overhead costs, G&A costs, and profit, if Proposer is awarded the construction contract.

The CM/GC Fee shall be composed of those items stated in the General Conditions and nothing else.

## PART III PROPOSAL EVALUATION

### SECTION A PROPOSAL REVIEW AND SELECTION

#### 1. EVALUATION SCORING SUMMARY

An Evaluation Committee (Committee) will be appointed to evaluate the proposals received. For the purpose of scoring proposals, each Committee member will evaluate each proposal in accordance with the criteria listed in PART II, SECTION D - EVALUTION CRITERIA. The Committee may seek the assistance of outside expertise, including, but not limited to, technical advisors. The Committee will require a minimum of five (5) working days to evaluate and score the proposals. The choice of how to proceed, decisions to begin or terminate negotiations, determination of a reasonable time, decisions to open negotiations with a lower scoring Proposer, and any decision that a solicitation should be cancelled are all within the sole discretion of the City.

At any point during the evaluation process, the City is permitted, but is not required, to seek clarification of a proposal. However, a request for clarification does not permit changes to a proposal.

The review and scoring by the Committee of the written proposals will be as listed in Table 2. Written Proposal Evaluation Criteria.

*Table 2. Written Proposal Evaluation Criteria*

Criterion	Maximum Points	Submission
1. COVER LETTER (REQUIRED)	0	Required with written proposal
2. PROJECT TEAM	30	Required with written proposal
3. PROPOSER'S CAPABILITIES	30	Required with written proposal
4. PROJECT UNDERSTANDING AND APPROACH	20	Required with written proposal
6. PROPOSED COST – Pre-Construction Services	8	Required with written proposal
7. PROPOSED PRICE – CM/GC	12	Required with written proposal
<b>Total Possible Points</b>	<b>100</b>	

If after the scoring of the written and price proposals, oral interviews or presentations are determined to be necessary, the next evaluation step will consist of oral presentations to further clarify the Proposer's proposal(s). The number of proposals on the "short list" depends on whether the Committee believes such proposals have a reasonable chance of scoring well enough to be awarded a contract.

Proposers invited to participate in oral interviews will be given additional information regarding the City's desired content a reasonable time before the scheduled oral interviews are held. The scoring of the interviews will be per instructions provided at the time of the interview invitation. Should interviews be necessary, they will be held on per the schedule on Part I, Section A. 7.

*Table 3. Oral Interview Evaluation Criteria*

Criterion	Maximum Points
Oral Interviews by subsection	100
<b>Total Possible Points</b>	<b>100</b>

Point of Contact: All communications shall be through the contact(s) referenced in PART II, SECTION A of the RFP. At the City's sole discretion, communications with members of the evaluation committee, other City staff, or elected City officials for the purpose of unfairly influencing the outcome of this RFP may be cause for the Proposer's proposal to be rejected and disqualified from further consideration.

The City has the right to reject any or all proposals for good cause in the public interest, and the Procurement Officer may waive any evaluation irregularities that have no material effect on upholding a fair and impartial evaluation and selection process.

## **SECTION B CONTRACT AWARD**

### **1. CM/GC SELECTION**

The City will award the Contract to the PROPOSER with the highest combined score from the written proposal and interview. Should the City not reach a favorable agreement with the highest scoring PROPOSER the City, at its sole discretion, shall terminate negotiations with the highest scoring PROPOSER and commence negotiations with the second highest scoring PROPOSER and so on until a favorable agreement is reached. The City may terminate negotiations at any time and may cancel the solicitation if it finds it is in the City's best interest to do so.

### **2. CONTRACT DEVELOPMENT**

The proposal and all responses provided by the successful PROPOSER may become a part of the final contracts. The form of contracts shall be the City's Contracts for Construction Management / General Contractor construction services. A form of Contract will follow via an addendum to this RFP.

### **3. REVIEW AND PROTESTS**

A Proposer who objects to the terms and conditions of this RFP may submit a written solicitation protest to the City in accordance with OAR 137-049-0260 no later than seven (7) days prior to the date proposals are due. Thereafter, the City will not accept any solicitation protests and will not entertain changes or challenges to the terms and conditions of the RFP.

Following the Notice of Intent to Negotiate and Award, the public may view proposal documents. However, any proprietary information so designated by the Proposer as a trade secret or confidential and meeting the requirements of ORS 192.501, 192.502 and/or ORS 646.461 et seq., will not be disclosed unless the City of Sandy determines that disclosure is required. At this time, Proposers not awarded the contract may seek additional clarification or debriefing, request time to review the selection procedures or discuss the scoring methods utilized by the evaluation committee.

Proposers who are eliminated at any stage of the evaluation process will be notified of their elimination. At that time, Proposers who wish to protest their elimination shall file a protest within seven (7) calendar days of the notice. Protests submitted to the City may only originate from those Proposers who would receive the contract if their protest was successful. Protests must be in writing and received by the City within seven (7) calendar days, unless otherwise noted, following the date the City's Notice of Intent to Negotiate and Award. The protest must specifically state the reason for the protest and show how its proposal or the successful proposal was mis-scored or show how the selection process deviated from that described in the solicitation document. No contract will be awarded until the protest has been resolved. Protests must be timely and must include all legal and factual information regarding the protest, and a statement of the form of relief requested. Protests received later than

specified or from other than the Proposer who would receive the contract if the protest was successful will not be considered. The exercise of judgment used by the evaluators in scoring the written proposals and interviews, including the use of outside expertise, is not grounds for appeal.

The City may waive any procedural irregularities that had no material effect on the selection of the proposed consultant, invalidate the proposed award, amend the award decision, request the evaluation committee re-evaluate any proposal or require the City to cancel the solicitation.
