

REQUEST FOR QUALIFICATIONS

CITY OF SANDY, OREGON

Highway 211 Gunderson Road Intersection Project

The City of Sandy is soliciting statements of interest and qualifications information from consulting engineering firms to provide design and construction management services for the intersection of Highway 211 and Gunderson Road.

The intersection of Highway 211 and Gunderson Road is located within the city of Sandy, approximately 1.25 miles south of the intersection of US26 and Highway 211. Current and future developments will lead to a need for a traffic solution for the intersection. The future usage of the arterial will exacerbate an already dangerous stretch of roadway.

The need for an intersection improvement is identified in Sandy's Transportation System Plan(TSP.) An analysis has determined that a single lane roundabout is an optimal solution at this location.

Desired Qualifications

1. A consultant team and Project Manager that can work closely with the City, property owners, the public and regulatory agencies to plan, develop, and design and implement the project.
2. A consultant team and Project Manager with a demonstrated track record planning, developing, designing and providing construction management services for projects similar in scale and scope to the work contemplated.
3. A firm and Project Manager with the ability to manage any required right-of-way acquisition and environmental subconsultants and keep these and other critical project elements on track and on schedule. Depending on roundabout design, environmental and land acquisition may not be required by this project.

Copies of the Request for Qualifications are available electronically only. Copies may be obtained from the Public Works Department electronically by email. Please contact Rebecca Markham Rmarkham@CityofSandy.com

The City of Sandy requires all Contractors to comply with equal opportunity policies. The City's programs, services, employment opportunities, volunteer positions and contracts are open to all persons without regard to race, religion, color, national origin, sex, age, marital status, disability, or political affiliation.
