Indoor Water Conservation Kits Available

Take 10 minutes to save water and money with a FREE water savings kit from the City and the Regional Water Providers Consortium. Each kit contains water saving devices for your faucets, shower, and toilet, plus easy to follow instructions. When installed, the kit can save a four-person household an estimated 24,000 gallons of water a year, and help to reduce water, sewer and energy costs. Homes built after 2001 already include these water saving fixtures. Request your free kit today by sending an e-mail to RWPCinfo@portlandoregon.gov or by calling [503-823-7528](tel:503-823-7528). (Offer valid through the month of March, or while supplies last. Limit one kit per household, please. See www.conserveh2o.org for more water conservation information and official promotion rules.)
