

City of Sandy At Your Service

A Monthly Bulletin of Community News

During the months of May and June, City Hall will be undergoing some renovations. Both entrances on the north side of the building will be closed. The front desk staff for both sides of City Hall, will be on the south side, downstairs level of the building. This includes utilities, court, building, and planning functions. We estimate the renovations to take between 3-4 weeks.

We will be able to process most transactions but some may take additional time. Many transactions can be completed online or over the phone as well. You can conduct your business by visiting the City's website at www.cityofsandy.com or calling at [503-668-5533](tel:503-668-5533). We appreciate your patience as we complete these renovations and hope you will enjoy the new look.
