Good morning Adam and Trisha, you'll find the approved and signed **Final Order** for the **Tree Removal** at **37035 Olson St.** Please pay close attention to the **Conditions of Approval** starting on **Page 4.**

If you have any questions or concerns, please reach out. I'll also send you a hard copy of this Order in the mail.

Have a great weekend..

Trisha - If you plant the two mitigation trees you will need to record a new tree covenant so there is no confusion with your disclosures and chain of title when you go to sell the house. This is explained in Finding #8 on page 3. Let me know if you have any questions as I know this can be a confusing process if you have never done this before.

-Kelly
