**FINDINGS OF FACT**

1. The City of Sandy Parks and Recreation Department submitted a Temporary Use Permit application on December 4, 2023, requesting to place a storage container and a tent at 39250 Pioneer Blvd. from December 7, 2023, through January 8, 2024.
2. The storage container is from Haulaway Storage Containers. The container is 8 feet wide, 8.5 feet tall, and 20 feet long with double doors on one end of the container. It will be used to store Winterfest materials throughout the month. The tent is owned by the City and will be used for holiday displays and events.
3. The City Parks and Recreation Department installed Christmas lighting and winter ornaments in Meinig Park on December 1st that are to be displayed tentatively until January 2nd. The lights will be on nightly for all to enjoy.
4. The City will also host eight free community events throughout the month where the tent will be used during the event or as a staging area. The eight community events are as follows:

  - Pet Pictures with the Grinch: Saturday, December 2nd, 2023

## **COMMENTS**

6. Building, Fire, Public Works, and Sandy Net had no comments for this use.
7. The Planning Division reviewed previous approvals for similar events and found some conditions that apply with this proposed use. They are as follows:
  - A) Access to exits and exit paths in the tent shall not be obstructed.
  - B) No open flames or other sources of ignition are allowed inside the tent.
  - C) Two (2) fire extinguishers shall be onsite, and “No smoking” signs shall be posted.

## **DECISION**

For the reasons described above, the request by the Parks and Recreation Department to place a storage container and an event tent at 39250 Pioneer Boulevard on a temporary basis is hereby **approved** as modified by the conditions listed below.

## **CONDITIONS OF APPROVAL**

1. The applicant shall adhere to all safety requirements, including:
  - A) Access to exits and exit paths in the tent shall not be obstructed.
  - B) No open flames or other sources of ignition are allowed inside the tent.
  - C) Two (2) fire extinguishers shall be onsite, and “No smoking” signs shall be posted.
2. The proposed event tent shall be secured at all corners to prevent being blown by the wind. The securing system used shall not penetrate into the parking lot surface.
3. The applicant shall install reflective devices on the storage container and on the event tent to alert motorists of the temporary structures.
4. The applicant shall remove the storage container and event tent by January 15, 2024, unless an extension to this permit is granted.
