Any and all local permits must be obtained and requirements met for this permit to be valid. This permit is valid only during the dates indicated above. This permit does not authorize the sale, use, or discharge of fireworks if by law or ordinance the local fire authority prohibits the sale, use or discharge of fireworks. For outside stands and tents this permit must be posted in the sales area. For inside sales this permit must be immediately available for viewing upon request. Storage of fireworks is not allowed in tents or stands. All unsold fireworks must be returned to the supplying fireworks wholesaler no later than July 31st of the year in which this retail sales permit is valid.
